The DAG is going to do the meeting. The AG will still meet with Mexico AG later in the day.

I do not think the last bullet needs to be changed.

Monty and Matt, can you take a look at Billy's edits to the last F+F bullet and let me know if you think it needs to be changed. Any other comments welcome too.

Subject: HLG Meeting - AG Script - Firearms Section

I have attached a draft script covering the Illicit Firearms section of the HLG meeting agenda. These points primarily were taken from ATF's talking points, with additions to the Spanish e-trace and Project Gunrunner descriptions. I would appreciate your review for accuracy, messaging, etc. Please send me comments by 12 noon tomorrow.

Many thanks –

Molly
