There are some loose ends with regards to the AG's book. I wanted to get everyone on the same page as to what the updates are.

Today I distributed the updates I printed out for the AG's book. They are the following:

2b, which should go behind: Unrelated

- A new #37
- A new #38
- A new #39

I also distributed a new page four of the Table of Contents, renaming the title of paper #91

Below are electronic copies of the following updates that should be in your book if they are not already:

A new #98

And 2 additional papers not listed in the Table of Contents:
