Matt, I misspoke when I said on the phone that we had 4 docs – think that we have only 3 at this point. The 4th was an access only doc. If you are aware of others that we should send out with our letters today, please let me know, but we'll start to bates stamp these. Thanks. FB

Once we have confirmed these as final for outgoing, then I will bate stamp them. What Bate Stamp code should I use?
