Regarding the questions the press usually ask: "In regards to the guns recovered in Rio Rico after the Terry shooting, when they were purchased from **ATF** (Jan, 2010) was there surveillance going on in conjunction with Operation Fast and Furious, or did ATF only become aware after the fact and link it to **ATF** after the fact?"

"The controversy came to Grassley's attention after border agent Brian Terry, 40, was gunned down in December while patrolling the border. Two assault rifles on an ATF watch list as part of Fast and Furious were found nearby, but both have been ruled out as the murder weapon, officials said."
