Subject: The AG spoke to Sen. Grassley today in advance of oversight hearing and raised ATF --
Attachments: GrassleyTPs5-2-11.doc

He expressed concern about Grassley's ATF oversight activities, reading from the attached talking points. Grassley's reply was that his investigators have been told by the people they are talking to in AZ that their activities will not harm pending cases. Grassley did not raise his documents requests or the RMM issue. It was a short call, seemingly not very contentious.
