Of course Ron, when I informed him of our meeting yesterday, he was interested. He wants to stress the importance of cooperating with our investigation.

We'll be there then. Are you at liberty to tell me the general aspect of the oversight that he wants to discuss with me? I'd like to walk in as prepared as possible.

I understand. He would like to connect today, if you can swing it. If you can't make it by 4 pm, we could possibly push it to 4:30 pm.

Steve, I have a conflict at 4. I will try to clear it, but if I am unable to do so would it be possible for me to meet with Chairman Issa tomorrow?
