Hi Robbie,

I will contact Tracy, but my questions pertain specifically to Dennis and Emory.

I'm interested in conducting an interview with them - especially giving them a chance to respond to several complaints/allegations about the way cases had been handled *before* the Fast and Furious case was in full swing.

I'm certain they have seen the Congressional testimony in which ATF agents referred to the lack of prosecution during previous cases that had been presented to the US Attorney's Office.

I'd also like to learn more about their involvement in the Fast and Furious case.

If they have time tomorrow for an interview, that would be great. I'd like to have a response by Wednesday at the latest.

Thank you.

Sincerely,
Lori Jane Gliha

Lori Jane,

I've let Dennis know about your requests. But all requests regarding Operation Fast and Furious must go through Tracy Schmalzer at DOJ's Office of Public Affairs.
