Matt, suggest you hold off and wait for me to review so Monica isn't getting competing changes to deal with. You can review after me and give her only one agreed-upon set to work from.

Here they are. I accepted all of Ron's edits except for those in redline that I thought you might want to review. Matt, I redlined ATF's recent changes (  ), so that you can see them before they're accepted.

Please review as soon as you can, so that I can get these ready for Stuart and Dave to review first thing in the morning. I need to be able to finalize these tonight.

Thanks,
