Paul -

I understand that you would like information from our office about

DP

DP

I'm assuming this request comes as part of the response to the Congressional subpoena related to Fast and Furious. I would appreciate it if you would let me know under what subpoena category these items fall. It appears that the press release was issued by ATF and I am unclear if we have a document from September 2010 that provides the information you request.

Once I get this clarification, it will be easier for me to track down exactly what you are looking for. Thanks. Ann Scheel.
