Okay, it's all set to go. Can you please put in final and send out? I'm hoping you guys can get it out the door before 6:00. Is that do-able? Thanks.

Matt

Faith/**Admin. Assistant**

Attached is what I'm hopeful will be the final version of the letter to Chairman Issa and Senator Grassley that we need to get out the door this evening. I'm still waiting to confirm that it's good to go. Once I do, I'll ping you to give you the green light. In the meantime, can you please put in final for Ron's signature? I noticed, for example, that the letterhead formatting is a little messed up. Thanks.

Matt
