Hi **Admin. Assistant**

Per our telephone conversation today, please find the attached Congressional inquiry dated July 7, 2011, from Senators Issa and Grassley seeking records pertaining to Operation Fast and Furious. The Office of Legislative Affairs has asked OIP to conduct records searches for the Office of the Deputy Attorney General. The July 7, 2011 request asks that we search the records of Matt Axelrod, David Ogden, Gary Grindler, James Cole, Ed Siskel, and Brad Smith. Subsequently, Mark Michalic was added to that list. Please note that we will only need to search the paper files. We understand that although Brad Smith is no longer with the Department, his records are still located in the Office of the Deputy Attorney General. It is also my understanding the Linda Ebben and Jenny Plant have reviewed the file listings for David Ogden, Gary Grindler, and Ed Siskel. As always, we are available to review the files and copy records. Because this search needs to be completed by the end of the week, we will need a response as soon as possible. Thank you.

Stephanie
