Following up on the below, this briefing has been confirmed and will occur at 11:00am tomorrow (Friday 7/29) in Senator Grassley's office. ATF Tracing Center experts Charlie Houser and Frank Surotchak will conduct the briefing. ATF expects that the briefing will be very technical in nature as the briefers will only be discussing the data Sen. Grassley about in his June 16 letter (included in the attached PDF). ATF will limit its presentation to the data and topics outlined in the four page July 19th memo from AD McDermond to Dir. Melson (attached). I am told that Grassley staffers Nick Podsiadly and Jason Foster will attend, and possibly other staff from the Drug Caucus. I hope this is helpful.
