Matt-- Very happy to hear that you're finally getting away!

This plan should work fine. One thing that would help: if you work w anyone on any particular issues, pls let us know. The only big thing that might come our way will be AG qfrs for review, but hopefully that will keep.

Thanks,

Charlotte

Charli/Eric,

I'll be out the next two weeks, returning on August 8. If there are things in my lane that need clearance while I'm gone, I'd ask that you continue to cc me, but route to someone else in ODAG for official clearance. I'd hate to hold up clearance on something just because I'm swimming with the kids or something. Hope that works for you. If not, just let me know and we can figure something out.

Matt
