Monica: We do not see anything in the Martin Excerpts that affects the current or future indictments. Many of the techniques Martin suggest for surveillance were used by the agents in Fast and Furious. PJC

Dennis, Ann and Pat,

I tried reaching each of you by phone and need to talk to you ASAP. The Committee is holding a hearing tomorrow on Operation Fast and Furious that may use some excerpts from several transcribed interviews of ATF agents. We wanted to give you some notice, in case you believe we need to redact some of this information to protect the ongoing cases.

Please let me know right away anything needs to be redacted.

Thank you,

Mónica
