Did she contact you? I would ask them to search due to the deadline.

Hi Jayne,

Please find the attached Congressional inquiry dated July 7, 2011, from Senators Issa and Grassley seeking records pertaining to Operation Fast and Furious. The Office of Legislative Affairs has asked OIP to conduct records searches for the Offices of the Attorney General and Deputy Attorney General. The July 7, 2011 request asks that we search the records of Gary Grindler, among others. Please note that we will only need to search the paper files. As always, we are available to review the files and copy records. Because this search needs to be completed by the end of the week, we will need a response as soon as possible. Thank you.

Stephanie
