We had a call from this Agent today regarding document production pursuant to Issa and Grassley's demand. They have some documents, but they want to make sure they don't violate any protective or seal orders. His address is JayKramer @ic.fbi.gov.

I received a phone message from a Cramer from FBI wanting information on some sealed indictments and mentioning fast and furious. I think it is something that a supervisor should call him about. He is at 202-324-2712.
