Thanks, Steve, we'll check on the **ATF** notes you describe below and I will follow up with ATF about the **ATF** file. We've had previously asked for that and will find out the status of the request. Will also follow up with you on the requested interviews. Thanks. Faith

Hi Faith and Steve

We would like the Department to produce the notes that **ATF** took at the USAO in Phoenix on March 11, 2011 in a meeting with **ATF** and his lawyers Chris Rapp and Larry Gaydos. Emory Hurley, Mike Morrissey,

and Jim Needles were also present.

Additionally, we have had a request pending since the end of June with you (and Matt at the time) for **ATF** **ATF** personal file relating to Fast and Furious. She has described this file in a candid and interesting way to others. We know this file contains several FBI 302s that have been brought to the attention of ODAG. Do you have an update on this request?

Let me know if the Department will require a Chairman's letter or subpoena for either.

On a separate note, we would like to schedule transcribed interviews with four individuals in USAO-AZ: Emory Hurley, Michael Morrissey, Patrick Cunningham, and Dennis Burke. Please suggest some dates.

Thank you,

Steve Castor
