Pat,
I apologize for the delay I leave at 12 every day. However, I am not a subscriber, but let me see if someone on the communications team is and I'll get them printed for you this morning. One of us has to be!

Hey Pat,
These were both from Tuesday July 26 online, but I assume they were printed in the WSJ on Weds July 27.
Hope this is what you were looking for.
