Subject: Three of Four Produce.3

Ann and Mike:
P 1 cases are not responsive and should be removed as Molly suggests.
P 2 is Wide receiver, is responsive as guns went to Mexico in Wide Receiver, and the indictment is public now.
P6 is Wide Receiver and is redacted; seems we should disclose to Congress Wide Receiver as it is responsive just as page 2 is reponsive, but you may want to read the box.
P 13-15 USA emails on Nov 2009 seizure in Naco.
P 21 is the Hernandez case which is the part of X Caliber we prosecuted in Tucson, the boxes on p 21 should be unredacted because we have already disclosed Hernandez and the case is closed.
P 26 Newell email to Cunningham on indictment schedule, which is fine.
P 31 Cunningham email to Newell on why Flores case should be announced with F and F
