Scot, I suggest you vet with your counsel's office as well, as there may be legal restrictions on what you can/cannot say publicly concerning individual employees.

Scot,

Regarding your question below, the Washington Times piece led the DOJ clips today (as did a piece about F&F firearms being linked to 11 violent crimes in the U.S.). Here's the link: <http://www.bulletinnews.com/justice/>

Importance: High

Scot - just left you a message. The promotion inaccuracy has picked up more steam and is playing into a hearing in Mexico later today so we'll need a record statement from you guys based on what you've told me and other reporters that these were transfers -- not promotions. Can you send to this group as soon as you have it? It's a short fuse - so as soon as you can, pls circulate.

Thanks. -
Tracy

And apparently Cornyn is publicly criticizing the "promotion." Did Seper call you?
