Pat,

I'm sorry to bother you, but we would greatly appreciate your input on the attached letter. It's a draft response to Issa/Grassley Questions for the Record and a follow-up letter in which they've asked for details of firearms from F&F recovered in relation to crimes of violence.

Also, if I should be sending these things to someone else for review, please let me know—I know how busy all of you are there.

Many thanks,
