Agree ... Though entirely possible it's not legit ... They've had a parade of witnesses say it never got to DOJ but they continue to ignore those facts and still make claims about higher ups. Media are finally calling them out on it. Good line in NYT story on that.

I'll let you know -- will try again tomw.

Coverage has been overall good. Also heard from Todd he had positive feedback from ATF.

Yea - **DP**
DP
DP

At this point, the reporters won't share so I'm a bit skeptical ... but trying to pry loose. Something to file away. I'll keep you posted.
