They should have talked to Billy Hoover and the Director. They have been aware for a while.

Subject: ATF was unaware of the Kingery briefing tomorrow

Mario Dispenza, who said he's their new leg POC, called to ask about whether we expect HSGAC to hold a hearing and he asked if they were going to look at [ATF]. I advised him that Ron had spoken to Lieberman's person about their possible inquiry and that ODAG was briefing HOCR & SJC staff tomorrow on [ATF] FYI.
