ATF may have been unaware but surely Billy and ATF have been aware? Steve, I assume I didn't spill any beans when I mentioned the briefing in the meeting with Todd this afternoon?

ATF who said he's their new leg POC, called to ask about whether we expect HSGAC to hold a hearing and he asked if they were going to look at ATF. I advised him that Ron had spoken to Lieberman's person about their possible inquiry and that ODAG was briefing HOGR & SJC staff tomorrow on ATF FYI.
