We are aware of both and I just got off the phone with Matt about them. All OK. Thanks.

Matt Axelrod mentioned this am that there's a new Grassley/Issa letter, re IG turning over a transcript to prosecutors. I didn't catch whether it's a letter to the Dept or to the AG, but wanted to make sure you're aware. He also said something about a 12-page Newell document that went to the Hill, which he hadn't seen yet. Sorry to give such a fuzzy report, but I don't know more and wasn't in a position to ask in the setting in which Matt was reporting this to the DAG.
