Hi Dave --

Saw that we're going to schedule a briefing for Ambassador S. Wanted to see if there was any more of a read-out from the phone call.

Thanks,
Amy

The DAG spoke to the Mexican Ambassador this afternoon and offered him a briefing on Monday. They are working to schedule it now.

The MX Ambassador has reached out to the DAG on this same issue. I'm copying Debbie Johnston and Dave O'Neil so that they are on the same page.

Folks: AMB just spoke with a senior SRE official who informed him that FS Espinosa has been called to testify before the Senate here next Tuesday regarding bilat cooperation on LE. Said they expect lots of

questions on Fast and Furious “for which they have no good answer.” Further reported that the President’s escalation of rhetoric at the Council of the Americas, the UNGA and yesterday in Los Angeles responds to the GoM’s (and the President’s) increasing frustration that we have been unable to give any response beyond what the AG said regarding an OIG investigation in progress. The official suggested that this was what FS Espinosa was attempting to signal when she met with D Burns.

The specific ask was for USG to give SRE something beyond the AG’s and other USG officials’ previous statements to wit : “If it happened it’s intolerable, investigation in progress, can’t say anything further.”
