Hi Paul,

9 am will work very well – I'm adding Louis Pappas to the chain, as he will help to coordinate tomorrow's review. Please send me WAVES information for you and Ms. Gaston in the attached form this afternoon, and we will clear you into the EEOB for 9 am. Thanks very much. Katie

Kim, would it convenience if Molly Gaston from OLA and I came over at 9 tomorrow morning?

Paul,

As we discussed, Kim Harris will be our main point of contact on the Fast and Furious document review for the remainder of the week. I have copied Kim as well as our colleague, Katie Sheehy, who can address scheduling, logistics, and access to the WH complex. We should be in a position to schedule DOJ's review shortly this afternoon for either later this afternoon/evening or tomorrow morning.

Many thanks.

Best,  
Andy
