By

More Info Pinal County Sheriff Paul Babeu and nine other elected Sheriffs' will be holding a Press Conference at the Arizona Peace Officers Memorial, located at Wesley Bolin Memorial Plaza to discuss "Operation Fast and Furious." The Press Conference is open to the media and public.

Wall

Hey, have you heard about this press conference? Apparently Fox reported last night that the sheriffs will call for Holder's resignation, and will also call for "accessory to murder charges for any future victims of Fast and Furious guns."

Obviously, if you have any response at any point please send my way...
