Subject: 10/9 letter to the AG from Chairman Issa re F+F / meeting at 11 tomorrow?--
Attachments: oversight@mail.house.gov_20111009_111957.pdf

FYI, this was emailed to Faith and Molly last night. I have shared it with the leadership offices, and with Amy Pope in CRM. As you'll see, it is a very aggressive rebuttal of the letter we sent Fri, but surprisingly does not directly seek the AG's testimony in the House Oversight Committee. We can discuss it at our standing meeting tomorrow, which I propose be moved from 10AM to 11AM since our OLA staff meeting will move from Mon to Tues due to the holiday.
