☒ Document(s) were located which originated with, or contained information concerning, another Government Agency [OGA].

☒ This information has been referred to the OGA for review and direct response to you.

☐ We are consulting with another agency. The FBI will correspond with you regarding this information when the consultation is completed.

☐ In accordance with standard FBI practice and pursuant to FOIA exemption (b)(7)(E) and Privacy Act exemption (j)(2) [5 U.S.C. § 552/552a (b)(7)(E)/(j)(2)], this response neither confirms nor denies the existence of your subject's name on any watch lists.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist. Enclosed for your information is a copy of the Explanation of Exemptions.

For questions regarding our determinations, visit the www.fbi.gov/foia website under "Contact Us." The FOIPA Request Number listed above has been assigned to your request. Please use this number in all correspondence concerning your request. Your patience is appreciated.

You may file an appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, D.C. 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account on the following web site: <https://foiaonline.regulations.gov/foia/action/public/home>. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please cite the FOIPA Request Number assigned to your request so that it may be easily identified.

You may seek dispute resolution services by contacting the Office of Government Information Services (OGIS) at 877-684-6448, or by emailing ogis@nara.gov. Alternatively, you may contact the FBI's FOIA Public Liaison by emailing foipaquestions@ic.fbi.gov. If you submit your dispute resolution correspondence by email, the subject heading should clearly state "Dispute Resolution Services." Please also cite the FOIPA Request Number assigned to your request so that it may be easily identified.

☐ The enclosed material is from the main investigative file(s) in which the subject(s) of your request was the focus of the investigation. Our search located additional references, in files relating to other individuals, or matters, which may or may not be about your subject(s). Our experience has shown when ident, references usually contain information similar to the information processed in the main file(s). Because of our significant backlog, we have given priority to processing only the main investigative file(s). If you want the references, you must submit a separate request for them in writing, and they will be reviewed at a later date, as time and resources permit.

☑ See additional information which follows.

The enclosed documents contained in FBI Washington Field Office file 89B-WF-205925, Knoxville Field Office file 9A-KX-66415, and Headquarters file 161-HQ-15941 represent the final release of information responsive to your FOIA request.

Records 161-WF-15433 and 161-ME-711 which may be responsive to your FOIA request, were destroyed on December 12, 2009 and November 4, 2010. Since this material could not be reviewed, it is not known if it was responsive to your request. Record retention and disposal is carried out under the supervision of the National Archives and Records Administration (NARA), Title 44, United States Code, Section 3301 and Title 36, Code of Federal Regulations, Chapter 12, Sub-chapter B, Part 1228. The FBI Records Retention Plan and Disposition Schedules have been approved by the United States District Court for the District of Columbia and are monitored by NARA.

Additionally, for your information, a search of the indices to our Central Records System reflected there was an additional record potentially responsive to your FOIA request. We have attempted to obtain this material so it could be reviewed to determine whether it was responsive to your request. We were advised that the potentially responsive record was not in their expected location and could not be located after a reasonable search. Following a reasonable waiting period, another attempt was made to obtain this material. This search for the missing record also met with unsuccessful results.

This material is being provided to you at no charge.

Results of Examinations:

The hand printing on Q1 and Q2 appears to be slowly prepared or drawn, possibly with a mechanical device. It is doubtful if additional known writing obtained from any suspects would be of assistance in effecting an identification in this case.

No watermarks, indented writing, or other physical characteristics were observed during the examinations of Q1 and Q2 which might indicate their immediate source.

Q1 and Q2 were searched through the Anonymous Letter File with negative results. Copies are being added for future reference.

Specimens Q1 and Q2 have been photographed.

Uh, that's a good answering machine you got there. Well you tell ol' Fred, I'm sure you will . . . I mean I'm sure my call has pri-priority . . . that, uh, he better fucking get in the band wagon and fucking send troops over there. Yeah. Hey, for real. I am serious about that. I mean, I know my call's going to be just kind of regulated [relegated] to some back seat thing. Comes into Knoxville I'm gonna take him out. I'm gonna take the mother fucker out! I am. I'm an old Democrat. I'm tired of it. He ain't gonna fucking do this shit. He ain't gonna run for fucking President. Forget that shit. I'm tired. I'm real fucking tired. I'm tired of this shit. I'm tired of his—

of this issue, if you don't stop this fucking deportation shit... I'm a Jew too...
I'm gonna, I'm gonna hunt you down like the bad dog you are. You freshman
mother fucking Senator. I am. I swear to God. You've got a problem. Turn
the FBI on me—'cause I was a student radical way back when and I can
make trouble for you. I mean I'll do it! I got nothing to lose. I'm [redacted] now.
Figure it out buddy. There's a whole lot of people around. You can't tell if
you're a Republican fucking senator. You dumb mother fucking lobbyist
asshole freshman Senator. I, I, I'd like to meet you, pickup truck driver. You
dumb mother fucker. You don't have... I mean, alright, a, a whole bunch of
my friends are Republican and sudden reactionary people. You know, I like
the hell out of them, but you are a useless and worthless piece of shit! I'd like
to meet you one-on-one and debate you in the University of, of, uh, Tennessee
... anywhere. I'd debate you in a heartbeat. I would debate you myself
about anything. Son-of-a-bitch. And, Fred Thompson, fuck you! You better
get on the right side of the issue. Fortunately you'd have to send... oh, hey,
I've, I've peaked some interest here. I noticed you haven't cut me off. Ooh
wow. (Unintelligible) right there. Ooh, this is wonderful. Well, by now you've
got my phone number and you know where I am and you haven't cut me off.
That's pretty interesting. Yeah well, whatever Freed. We can talk. You can
call me up. The answering machine is a little maxed out here with messages
and stuff. You know, if you, some people have to do some business. Some
people have to make some money. We're not tied into hospitals and
whoever's paying out bills, you know? Like you. So hey... we can talk. You
know, I'm not, I'm not associated with the Democratic party anymore at all,
zero, zero, zero, zero. If you try to make that, don't do it, don't got there, don't
go there. However... ooh wow, you're letting me talk a whole lot! You know,
this is wonderful. I can't believe, I mean... Aah, probably some police, you
know, kind of staying doing some monitoring for some sort of threat I might
deliver. Aah, you know, I'm drunk! How 'bout that? You know? Drunk
Democrat? Hey, is this gonna be in the *Sentinel*? Yeah. Okay, cool. It
doesn't really matter. It's alright, it's okay, you know, 'cause I was talking to
a UT law guy, uh... aah, it doesn't really matter, it doesn't really matter. Oh
well, I guess you're letting me spin down, eh? Well, and well you should.
Good, good therapy there. At least I get to rant and rave against a Senator

who is pretty much useless and worthless. But what the hell? You're in the Senate but I'm not. So you don't really need to, uh, really pretty much, uh . . . aah, what, what the hell. Well I guess I've, I've really shown that, uh, you know, I'm not posing a threat. Although you need to really kind of get (unintelligible) like totally like as soon as possible. And of course I would never consider hurting a hair on your head 'cause, you know, you don't really have that many. And you're kind of a real buffoon-type person there. So I think actually it's really kind of good you're in the Senate. In fact . . .

FEDERAL BUREAU OF INVESTIGATION
DISPOSITION OF CONSENSUAL MONITORING MEDIA
ELECTRONIC SURVEILLANCE (ELSUR) MEDIA
ACQUIRED IN CRIMINAL INVESTIGATION

Background

In accordance with authorities provided by the National Archives and Records Administration (NARA), the FBI has developed a Disposition Plan allowing for the destruction of original consensual monitoring media acquired in criminal investigations after 11 years has elapsed from the last date of interception and when certain other conditions have been satisfied.

The 11 year time frame is consistent with statutory requirements present in maintaining Title III ELSUR media, see (Title 18 USC § 2518 (8) (a)). The 11 year retention period will further permit the media to remain in existence for a period sufficiently long in time to satisfy the statute of limitations for actions against the government. As provided by Title 28 USC § 2401(a), an action must be brought within six years from the time the right of action first accrues.

This destruction plan applies to original electronic surveillance media obtained via Departmental/SAC/ASAC approval and court authorization(s) for consensual monitoring, and other Non-Title III, Non-FISA ELSUR media. This disposition plan does not apply to transcripts, logs, indices, and other reports drawn from ELSUR media which are incorporated in FBI case files.

Destruction Guidelines

The following statutory/regulatory requirements must be met in determining destruction eligibility for consensual monitoring ELSUR media:

- A minimum period of 11 years must have elapsed from the last date of intercept.
- The media must not have known historical value (i.e., well-known national public figure(s) or event(s), etc.).
- Media containing evidence of a criminal offense will be retained until a decision is rendered by prosecutory authorities. If a decision to prosecute is made, media will be retained until the end of the prosecution process and any appeals.
- Media required to be retained by applicable rule of law or judicial order.

Furthermore, FBI policy requires that the following conditions be satisfied in determining destruction eligibility for consensual monitoring media:

- The case must be in a closed status.
- There are no pending fugitive issues.
- There are no pending or anticipated litigation/prosecutory issues.
- The media must no longer have investigative value.

To assist FBI field offices in significantly reducing the space required for media storage without continuing value, the Operational Technology Division (OTD), has created this checklist to readily identify original ELSUR consensual monitoring media eligible for destruction.

Note: Physical destruction of eligible ELSUR media is to be handled in accordance with provisions of the FBI security policy manual, entitled "Destruction of Classified and Sensitive Material." This information may be obtained by accessing the Security Division's intranet website under "Communications," "Security Policy."

Dear Applicant:

In connection with your application for employment with the Select Committee on Intelligence (SCI), the Committee must make a determination as to your suitability for employment and your trustworthiness for clearance for access to classified information. The SCI obviously needs information to make such determinations and has therefore asked the Federal Bureau of Investigation (FBI), and the FBI has agreed, with the approval of the Attorney General, to conduct appropriate background investigations of prospective applicants and contractors.

The information required by the enclosed forms will assist the FBI in conducting these investigations. Provision of this information is voluntary; however, if you decline to provide all or part of the information required the SCI may be unable to consider you for employment. Wilfully making a false statement or concealing a material fact may constitute a violation of Section 1001, Title 18 of the United States Code. In addition, if you provide any information which indicates a violation of the law, criminal, civil, or regulatory in nature, or if such information is developed in the course of the background investigation, it will be referred to the appropriate agencies.

Information gathered during the course of the investigation will be retained by the FBI in accord with the provisions of the FBI Records Retention Plan. This information will not be disseminated outside the FBI, except to the SCI and, when necessary, to fulfill obligations imposed on the FBI by law, FBI regulations, presidential directive or executive order. In the event that another agency requests background information about you from the FBI for any reason other than in response to your application for employment to the requesting agency, the FBI will notify the SCI, if you sign line B at the end of this letter.

Upon completion of the background investigation, the FBI will furnish a summary memorandum and supporting material to the Chairman and Vice Chairman of the SCI or their designated representative. The Committee Chairman and Vice Chairman will insure that access to the memorandum and supporting materials is restricted to persons directly involved in making a determination as to your suitability for employment and trustworthiness for clearance for access to classified information. The summary memorandum and supporting materials will be destroyed by the SCI within ninety days of their receipt unless written notice has been given to the Director of the FBI that an additional period of time is needed to make a decision.

As the subject of the background investigation you will not be allowed direct access by the SCI to the summary memorandum or supporting materials. Requests for access to these may be made to the FBI in accordance with the Privacy Act of 1974.

If a tentative decision is made to employ you, the Chairman and Vice Chairman of the SCI will furnish a copy of the summary memorandum and supporting materials to the Director of Central Intelligence who will ensure that they are returned to the SCI within 90 days.

The FBI background investigation will include the collection and use of relevant information in the files of other federal agencies. If you consent to such an FBI investigation and the disclosure of relevant information by federal agencies to the FBI, and if you understand and accept the terms of this letter, including the fact that the information gathered will be retained by the FBI in accordance with the provisions of the FBI Records Retention Plan, please sign your name below at line A. If you consent to the FBI's notifying the SCI of requests from other federal agencies for background information about you which does not concern your application for employment to the requesting agency, please sign your name below on line B.

A copy of this letter is enclosed for your files. Please return the original of this letter to
