ELECTION YEAR STRATEGY
INFORMATION CENTER (EYSIC)

Reference is made to your memorandum captioned
"John Lennon; Allamuchy Tribe (NL)," dated February 3, 1972,
your reference I-360. (2) U. Per CIA Ltr. dtd. 1/16/84 and
affidavit 574 dtd. 1-25-84

For your information, organization formerly known
as Allamuchy Tribe, led by Rennie Davis, convicted Chicago
Seven Conspiracy trial defendant, was recently renamed EYSIC.

A confidential source, who has furnished reliable
information in the past, has advised that John Lennon, former
member of The Beatles singing group, has contributed \$75,000
to assist in the formation of EYSIC, formed to direct movement
activities during the coming election year to culminate with
demonstrations at the Republican National Convention during
August, 1972. This source advised that other leaders of EYSIC
are in constant contact with Lennon. (S) (S) (u)

On February 2, 1972, a representative of Immigration
and Naturalization Service, New York, advised that Lennon,
born October 9, 1940, in England, arrived in New York City on
August 11, 1968, with B-2 visitor's visa. He left the
United States and subsequently reentered holding H-1 temporary
visa which expires at the end of February, 1972. Lennon has
applied for a B-2 visa indicating his intention to become a
United States citizen.

On February 2, 1972, a second confidential source,
who has furnished reliable information in the past, advised
that Lennon and his wife, Yoko Ono Lennon, are currently
vacationing in the Virgin Islands for health reasons and that
EYSIC planning meetings will be postponed until their return
to New York City, possibly during the second week in February,
1972. (S)

At this time, this Bureau has no additional pertinent
information concerning other foreign sources of funds for the
activities of EYSIC or Rennie Davis. (S) (u)

INFORMATIVE NOTE

Date 3/17/72

You were previously advised that John Winston Lennon, and his wife, Yoko Ono, are in the U.S. [and that Lennon is the major financial contributor to Election Year Strategy Information Center (EYSIC) which was organized to conduct disruptive demonstrations during the Republican National Convention. EYSIC has been "dying on the vine" recently due to Lennon's imminent deportation and recent dissatisfaction with Rennie Davis, militant revolutionary, who is the head of EYSIC.]

Attached states that Lennon and his wife appeared at the Immigration and Naturalization Service (INS) in New York City on 3/16/72 for deportation proceedings. Both Lennon and wife won delay until 4/18/72; Lennon because he stated he was attempting to fight a narcotics conviction in England, the basis for his deportation; and Ono on the basis of a child custody case in which she is involved.

We are closely following these proceedings and you will be kept advised.

ReNYtel 3/16/72.

Enclosed for information of New York are two copies of Alexandria airtel dated 3/31/72 captioned "White Panther Party, IS - WPP; CALREP; MIDEM," which contains information from Alexandria source relating to current activities of subject.

It appears from referenced New York teletype that subject and wife might be preparing for lengthy delaying tactics to avert their deportation in the near future. In the interim, very real possibility exists that subject, as indicated in enclosed airtel, might engage in activities in U.S. leading toward disruption of Republican National Convention (RNC), San Diego, 8/72. For this reason New York promptly initiate discreet efforts to locate subject and remain aware of his activities and movements. Handle inquiries only through established sources and discreet pretext inquiries. Careful attention should be given to reports that subject is heavy narcotics user and any information developed in this regard should be furnished to narcotics authorities and immediately furnished to Bureau in form suitable for dissemination.

In view of subject's avowed intention to engage in disruptive activities surrounding RNC, New York Office will be responsible for closely following his activities until time of actual deportation. Afford this matter close supervision and keep Bureau fully advised by most expeditious means warranted.

NOTE:

John Lennon, former member of Beatles singing group, is allegedly in U.S. to assist in organizing disruption of RNC. Due to narcotics conviction in England, he is being deported along with wife Yoko Ono. They appeared at Immigration and Naturalization Service, New York, 3/16/72, for deportation proceedings but won delay until 4/18/72 because subject fighting narcotics conviction and wife fighting custody child case in U.S. Strong possibility looms that subject will not be deported any time soon and will probably be in U.S. at least until RNC. Information developed by Alexandria source that subject continues to plan activities directed toward RNC and will soon initiate series of "rock concerts" to develop financial support with first concert to be held Ann Arbor, Michigan, in near future. New York Office covering subject's temporary residence and being instructed to intensify discreet investigation of subject to determine activities vis a vis RNC.

On 3/31/72, Alexandria source mentioned in referenced letter who has furnished reliable information in the past concerning the WPP and who has been characterized by the Detroit Office on the basis of information furnished as "a competent observer and an efficient interviewer who obtained very factual and significant information" advised as follows:

On 3/26/72, [REDACTED] told source that he had been recently contacted by one [REDACTED] who is allegedly [REDACTED] and who allegedly had some connection with the People's Coalition for Peace and Justice (PCPJ) in 1968, and who was said to have taken part in planning Youth International Party (YIP) demonstrations at the Democratic National Convention in Chicago.

b7c [REDACTED] told source that [REDACTED] related to him that he had been in contact in the recent past with individuals who were planning disruptive activities directed towards the Republican National Convention in San Diego, California, in August, 1972.

b7D [REDACTED] stated that there would be no organized effort to disrupt the Democratic National Convention scheduled for Miami, Florida, in July, 1972, by this group as the Democrats are currently destroying themselves and will need no assistance from anyone to disrupt their own convention. However, "there will be a lot of trouble at the Republic National Convention in San Diego" and plans are currently being discussed but not implemented as how to best achieve this disruption. One of the primary reasons according to [REDACTED] as to why no active efforts have been made to implement these plans is a lack of funds at the present time. This group consists, according to [REDACTED] of people who were formerly affiliated with the PCPJ and YIP, and who have some funds left over from prior campaigns of these organizations.

b7c
b7D [redacted] told [redacted] that many former leaders of the PCPJ and YIP have been discredited in the eyes of "rank and file" activists of these organizations as they feel that former leaders such as JERRY RUBIN have "become self-made superstars" and are only interested in obtaining fame and publicity for themselves rather than in the past stated goals of YIP and other related groups.

Leadership of PCPJ and YIP, according to [redacted] is currently fragmented and the task of "picking up the pieces" and putting together an effective organization has been assumed by WPP leader JOHN SINCLAIR and a former member of the Beatles singing group, JOHN LENNON. LENNON and SINCLAIR are said to be working together and devised the following plan to obtain funds to finance activities against the Republican Convention:

A series of "rock concerts" featuring big-name established stars in the musical field as headliners and backed up with lesser known individuals and groups will be put on throughout the country. LENNON is said to have the know-how and the connections to achieve the above. These performances will provide the main source of funds needed by LENNON and SINCLAIR to carry out the disruptive tactics in San Diego.

b7c
b7D The first such concert, according to source, is to be held in the Chrysler Arena, Ann Arbor, Michigan, in the near future. This will be, according to [redacted] "the opening gun of the campaign."

Alexandria source again advised that [redacted] remind him that he desired no direct contact with the Federal Bureau of Investigation but would furnish information only to him. Additionally, for the information of the Bureau, Alexandria source still desires an interview with [redacted] (Bureau refer to Alexandria airtel to Director, 3/10/72.)

AX 100-506

b7c
b7D Additionally, the above information if disseminated outside the Bureau could tend to compromise [REDACTED] as it is not known how many individuals have had access to it.

LEADS

3. Will through established sources ascertain if SINCLAIR and LENNON are involved in attempt to cause disruption of the Republican Convention at San Diego, California, in August, 1972.

4. Will advise Alexandria if any of the above information in the body of instant communication is verified in order to assist Alexandria in directing its source.

To advise of recent tactics of subject, New Left sympathizer already in U.S. illegally, to avoid deportation from the U.S.

BACKGROUND:

Lennon is former member of Beatles singing group in England who, despite clear ineligibility for U.S. visa due to conviction in London in 1968 for possession of dangerous drugs (marijuana), was allowed to re-enter U.S. during 1971 on visitors visa due to unexplained intervention by State Department with Immigration and Naturalization Service (INS). Visas of Lennon and wife Yoko Ono expired 2-29-72 and since that time INS has been attempting to deport the Lennons.

He has come to our attention specifically during 2-72 when information developed he had donated \$75,000 to organization named Election Year Strategy Information Center, organized to disrupt Republican National Convention.

On 3-1-72 INS notified Lennons to be out of U.S. by 3-15-72. On 3-16-72 Lennons appeared at INS, New York City, for deportation proceedings and, through their attorney, won delay of hearings based on subject's attempt to fight narcotics conviction in England and wife's attempt to regain custody of child who is now living in U.S. On 4-18-72 Lennons again appeared at INS, New York City, during which appearance attorney

commented that subject felt he was being deported due to his outspoken remarks regarding U.S. policy in Southeast Asia. Attorney requested delay so character witnesses could be introduced to testify on behalf of subject. Attorney also read into court record fact subject had been appointed to the President's Council for Drug Abuse, correct name National Commission on Marijuana and Drug Abuse (NCMDA), and to the faculty of New York University, New York City. As a result of these revelations, INS set new hearing date for 5-2-72, and Lennons left INS to be met by throng of supporters and news media reporters who listened to subject's press release implying he was being deported due to his political ideas and policy of the U.S. Government to deport aliens who speak out against the Administration.

OBSERVATIONS:

Irony of subject being appointed to President's Council for Drug Abuse, if true, is overwhelming since subject is currently reported heavy user of narcotics and frequently avoided by even Rennie Davis and Jerry Rubin, convicted Chicago Seven Conspiracy trial defendants, due to his excessive use of narcotics. New York City Police Department currently attempting to develop enough information to arrest both Lennons for narcotics use. WFO has contacted NCMDA under pretext and determined no information available indicating subject has been appointed to NCMDA. New York Office has confirmed that Lennon has been offered teaching position at New York University for Summer of 1972. In view of successful delaying tactics to date, there exists real possibility that subject will not be deported from U.S. in near future and possibly not prior to Republican National Convention. Subject's activities being closely followed and any information developed indicating violation of Federal laws will be immediately furnished to pertinent agencies in effort to neutralize any disruptive activities of subject. Information developed to date has been furnished as received to INS and State Department. Information has also been furnished Internal Security Division of the Department.

ACTION:

Attached for approval are letters to Honorable H. R. Haldeman at The White House and Acting Attorney General with copies to the Deputy Attorney General and Assistant Attorney General, Internal Security Division, containing information concerning Lennon.

You were previously advised that both John Lennon and his wife, Yoko Ono, are in the U.S. and that Lennon is the major financial contributor to the Election Year Strategy Information Center (EYSIC) which was organized to conduct disruptive demonstrations during the Republican National Convention. EYSIC has been "dying on the vine" due to Lennon's possible deportation which he is fighting in court. *SP4*

Attached states that Lennon and his wife appeared in New York City Court 5/3/72 to obtain an injunction against deportation proceedings. Immigration and Naturalization Service (INS) hearing has been delayed until 5-9-72 and the New York City Court granted a visa petition be given to subject and his wife.

INS has advised that British authorities stated that Lennon's narcotics conviction in England is not likely to be overturned. It stated a large volume of mail is being received from both supporters and non-supporters of deportation proceedings. Mayor Lindsay has publicly requested INS stop the deportation proceedings as Lennons are "distinguished artists in the music field and are an asset to U.S."

INFORMATIVE NOTE

Date 5/17/72

You were previously advised that both John Lennon and his wife, Yoko Ono, are in the U.S. and that Lennon is the major financial contributor to the Election Year Strategy Information Center (EYSIC) which was organized to conduct disruptive demonstrations during the Republican National Convention. ~~EYSIC~~ has been "dying on the vine" due to Lennon's possible deportation which he is fighting in court. *30u*

Lennon and his wife have been fighting deportation proceedings in New York City. Attached states Lennon and his wife are scheduled for deportation proceedings on 5/17/72 in New York City. INS planning to utilize two key points during the hearing as follows: (1) establish claims by the Lennons that child was abducted by natural father are false; (2) establish that Lennon's claim he earned no income while in U.S. involves fraud. INS plans to request mental examination of both Lennons.

For information.

sources that Lennon donated \$75,000 to organization formed to disrupt Republican National Convention. Lennons using delaying tactics to avoid deportation claiming that they must locate Ono's child by former marriage who was reported abducted by natural father Anthony Cox. New York developed information that Lennons actually have child hidden at certain residence in Houston Division for purpose of delaying deportation. INS considering filing perjury charges against Lennons if information can be established they furnished false information during hearing. New York has set urgent lead for Houston Division to attempt to locate Ono's child and attempt to establish if person keeping child is in contact with Lennons. Actual location of Ono's child and subsequent prosecution for perjury in this instance is responsibility of INS and Houston being instructed to disregard lead except for contact with established sources only. In view of possible court proceedings, active investigation by FBI in this area could result in FBI Agents testifying which would not be in Bureau's best interest and could result in considerable adverse publicity. *JS*

Miami should note that LENNON is reportedly a
 "heavy user of narcotics" known as "downers". This in-
 formation should be emphasized to local Law Enforcement
 Agencies covering MIREP, with regards to subject being
 arrested if at all possible on possession of narcotics
 charge.

Local INS has very loose case in NY for de-
 porting subject on narcotics charge involving 1968 arrest
 in England.

INS has stressed to Bureau that if LENNON were
 to be arrested in US for possession of narcotics he would
 become more likely to be immediately deportable.

John Winston Lennon

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese communist line. Its objective is the establishment of a militant working class movement based on Marxism-Leninism and MAO Tse-tung thought.

[On March 10, 1972, the first source advised that the Allamuchy Tribe which had changed its name to the Election Year Strategy Information Center had ceased functioning.

During February, 1972, [redacted] advised that Rennard Davis, Stewart Albert, and John Lennon are heavy users of narcotics. Source advised that Davis is apparently at odds with Lennon due to Lennon's excessive use of drugs.

On May 17, 1972, Mr. Vincent Schiano, Chief Trial Attorney, Immigration and Naturalization Service (INS), New York City advised that Lennon and his wife Yoko Ono appeared at INS Headquarters in New York City on that date for the purpose of deportation hearings. INS maintains that Lennon is deportable from the United States due to his failure to "timely renew his visitors visa", which expired during February, 1972, and in particular, his 1968 Narcotics conviction in England.

On July 27, 1972, Mr. Anthony DiVito, Attorney, INS, New York City advised that INS is still in the exchange of briefs stage with Lennon's Attorney and no definite decision has been reached as to when Lennon will be deported.

Attached is a memorandum, including descriptive data and photograph of Lennon.

Re NY airtel and LHM, 7/27/72.

Referenced communications set forth background information as requested by Miami in view of MIREP activities in that city, August 21-24, 1972.

Case Agent traveled to Miami as a member of the Weatherman Task Group (WTG). The subject was not observed by the case agent and based on informant coverage it is believed that the subject did not travel to Miami for the Republican National Convention as he had previously planned.

On August 28, 1972, Mr. VINCENT SCHIANO, Chief Trial Attorney, INS, NYC, advised that no information has come to his attention to indicate the subject traveled to Miami.

For the past several months there has been no information received to indicate that the subject is active in the New Left.

Sources; [REDACTED]

all advised during the month of July, 1972, that the subject has fallen out of the favor of activist JERRY RUBIN, STEWART ALBERT, and RENNIE DAVIS, due to subject's lack of interest in committing himself to involvement in anti-war and New Left activities. (S) (u)

In view of this information the New York Division is placing this case in a pending inactive status. When information concerning subject's tentative deportation is received such information will be sent to the Bureau.

NEW YORK (UPI) -- FORMER BEATLE JOHN LENNON, FIGHTING A 1972 DEPORTATION ORDER, HAS FILED SUIT AGAINST THE JUSTICE DEPARTMENT, FORMER ATTORNEY GENERAL JOHN N. MITCHELL AND OTHER OFFICIALS, CHARGING THEY SINGLED HIM OUT FOR "IMPROPER SELECTIVE PROSECUTION."

LEON WILDES, LENNON'S ATTORNEY, SAID MONDAY HE HAS DOCUMENTS SHOWING LENNON'S DEPORTATION WAS ORDERED FROM WASHINGTON BECAUSE OF SENATE INTERNAL SECURITY COMMITTEE REPORT WHICH SOUGHT TO LINK LENNON WITH PLANS TO DISRUPT THE 1972 REPUBLICAN NATIONAL CONVENTION.

IN 1973, NEW YORK IMMIGRATION DIRECTOR SOL MARKS SAID AT A NEWS CONFERENCE HE MADE THE DECISION TO PROCEED AGAINST LENNON HIMSELF. WILDES SAID MARKS SAID IN A DEPOSITION LAST WEEK HE ACTED AS A "CONDUIT" FOR INSTRUCTIONS FROM WASHINGTON, WHICH HE UNDERSTOOD TO MEAN THAT "WE WERE NOT TO GIVE THIS MAN A BREAK."

MARKS ALSO ADMITTED HE HAD MISINFORMED THE PRESS AT HIS 1973 NEWS CONFERENCE, WILDES SAID.

PROCEEDINGS AGAINST LENNON, BEGUN IN MARCH 1972 WHEN HE WAS CHARGED WITH OVERSTAYING HIS VISA, ARE STILL PENDING. PROSECUTORS CITED A 1968 BRITISH CONVICTION FOR MARIJUANA POSSESSION AS THE BASIS FOR DENYING HIM PERMANENT RESIDENCE.

WILDES SAID SEN. STROM THURMOND, R-S.C. SENT A LETTER TO MITCHELL IN FEBRUARY 1972, ENCLOSING THE COMMITTEE MEMORANDUM.

"THIS APPEARS TO ME TO BE AN IMPORTANT MATTER, AND I THINK IT WOULD BE WELL TO BE CONSIDERED AT THE HIGHEST LEVEL ... AS I CAN SEE MANY HEADACHES MIGHT BE AVOIDED IF AN APPROPRIATE ACTION BE TAKEN IN TIME," WILDES QUOTED THURMOND'S LETTER AS SAYING.

WILDES SAID OTHER DOCUMENTS SHOW KLEINDIENST SENT THE MEMO TO IMMIGRATION COMMISSIONER RAYMOND FARRELL AND THAT FARRELL'S DEPUTY INSTRUCTED SUBORDINATES IN NEW YORK TO SEEK DEPORTATION OF LENNON AND HIS WIFE, YOKO ONO.

WILDES SAID THE SUIT NAMES THE JUSTICE DEPARTMENT, MITCHELL, RICHARD KLEINDIENST, DEPUTY ATTORNEY GENERAL AT THE TIME AND MITCHELL'S SUCCESSOR, AND "VARIOUS IMMIGRATION OFFICERS."

Enclosed item was xeroxed from a copy made available by [redacted] on [redacted] as having been received by [redacted]

Xeroxed copy of this and other items made available by [redacted] were furnished to the Bureau, WFO and St. Louis by SF Letter to Bureau dated 7/31/72, captioned: PEOPLE'S PARTY, IS - NEW LEFT (b2) (b7D)

Although enclosed item undoubtedly received wide distribution and needs no classification, any mention that it was received by [redacted] must be classified to protect the sensitive relationship between [redacted] and such mention should be avoided, since [redacted]

NO LOCALITY (b2) (b7D)

Enclosed item, on pages 10 through 13 sets forth an article by LOWELL YOUNG, captioned: "A TIME OF TRIAL FOR THE PEOPLE'S PARTY", in which he deplores the fact that some potential and actual supporters of the People's Party have decided to support McGovern's candidacy. LOWELL spends some time discussing the captioned organization and its having united with the Youth International Party and deplores the fact that "ABBIE HOFFMAN, JERRY RUBIN, JOHN SINCLAIR, GENIE PLAMONDON" and the entire Rainbow People's Party of Michigan have come out in support of George McGovern's candidacy. YOUNG's article appears to be of interest and is set out in xeroxed form as the following four pages of instant letter.

AN OPEN FORUM FOR THE PEOPLE'S PARTY

A TIME OF TRIAL FOR THE PEOPLE'S PARTY

By Lowell Young

"My candidacy is the only way to avoid a fourth party on the left in 1972." — George McGovern

The George McGovern candidacy for the Democratic nomination for President has been transformed from an invisible campaign supported by only a faithful few into a lavishly financed campaign of a front-runner. From the beginning, McGovern's campaign has been an attempt to co-opt a fourth party on the left by adopting the left's issues and rhetoric as his own. His initial strong stands in opposition to the war and in favor of amnesty for all draft evaders and exiles, legalization of marijuana, abortion on demand, and the shifting of the burden of taxation from the poor and the working class onto the shoulders of the super-rich and the corporations were all designed to rally all possible fourth party constituents to his cause. And, for the moment, he has partially succeeded.

Recently, Abbie Hoffman, Jerry Rubin, John Sinclair, Gene Plamondon, and the entire Rainbow People's Party of Michigan have come out in support of George McGovern's candidacy. Abbie Hoffman and Jerry Rubin founded the Youth International Party (YIP) in early 1967. Their perfection of the use of guerrilla theater was designed to gain media attention in order to try to educate the American people about the hypocrisy of the present system.

To strengthen their organization and broaden their base of support, they united YIP with the Michigan based White Panther Party. The White Panther Party was founded by John Sinclair and "Pun" Plamondon with the intention of it becoming

the white counterpart of the Black Panther Party. But, that never came to be due to the different forms of oppression the different constituencies of the Black and White Panther Parties are subjected to. Black people are oppressed racially and materially; so the ten-point program of the Black Panther Party related to those forms of political oppression by making political demands for "land, bread, housing, clothing, education, justice, and peace." The white people Sinclair and Plamondon were attempting to organize were primarily culture-oriented; so the ten-point program of the White Panther Party related primarily to their cultural oppression by demanding an open society where free dope, free sex, and free rock music abounded. (They did make political references as well, the principle ones being the right of armed self-defense and complete support for the ten-point program of the Black Panther Party.)

While their followers were primarily culturally oriented, Sinclair and Plamondon were themselves very political. They were thought to believe that the perverted system of values in this country was a direct outgrowth of the undemocratic political system and the competitive economic system. By primarily relating to their followers' cultural oppression now, they supposedly hoped to educate them to the system's role in that oppression later. They were therefore viewed as very dangerous by the power structure and were moved against. Plamondon was framed on a charge of attempting to blow-up a Federal Building in Ann Arbor and is still in jail today. Sinclair was given a ten year jail sentence for possessing two joints and wasn't released until early this Spring.

The Rainbow People's Party was founded by Sinclair as the successor to the White Panther Party. It concentrated its efforts on local community organizing in the Ann Arbor area and linked-up with the state-wide Human Rights Party. Five Rainbow candidates, including "Pun" Plamondon's wife Genie, ran for Ann Arbor city council seats in April under the Human Rights Party banner. Part of the agreement between the two parties was that neither would support any Democratic candidates. But, two weeks after two of their candidates got elected, Sinclair, Genie Plamondon, and the rest of the Rainbow Party broke the agreement and announced their support for George McGovern.

But they are not alone. Such "radical" entertainers as Joan Baez and John Lennon have also come out in support of McGovern. Also, Gore Vidal, Secretary of State in the People's Party Shadow Cabinet, and an individual with the means to provide the party with much needed economic assistance, never came across with a cent and at the May 4th Moratorium rally in New York City announced his support for George McGovern.

The defections by potential members and, worse yet, by people within the party itself, makes this a period of extreme darkness for the People's Party. But, that proverbial light at the end of the tunnel is coming into view; and the reason is George McGovern himself.

As his chances of getting the nomination have become better, McGovern has found it necessary to broaden his base of support by moving to the right. He is making an attempt to win over the reactionary labor leaders currently in the Humphrey camp. He is talking more about the economic issues relevant to George Wallace's alienated constituency than about the political or cultural issues relevant to his own alienated constituency.

George McGovern has a history of backing off on strong stands he might initially take. He initially agreed to introduce a bill on the floor of the Senate calling for Statehood for the Colony of Columbia, but at the last moment changed his mind, much to the embarrassment and anger of Julius Hobson and the D.C. Statehood Party. He initially agreed to run a slate of delegates in Chicago as a challenge to Mayor Daley in the Illinois Primary, but, after a twenty minute talk in the Mayor's office, agreed not to challenge Daley, much to the chagrin of his Chicago supporters. During the recent Nebraska primary, McGovern was accused of harboring "radical" views regarding the issues of marijuana, amnesty, and abortion. He immediately changed his previously stated positions. Now, he is opposed to the legalization of marijuana, says that abortion is a matter for the states to deal with, and that all draft evading cases should be dealt with on an individual basis.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

"Radicals" who support George McGovern do not have a clear understanding of the true nature of this society and the ruling system responsible for the current oppressive conditions. We in the People's Party have a general understanding of the problem, but by no means do we possess a specific or a clearly thought out understanding to the point that we can serve as that force which will educate and awaken the unconscious and mislead (by McGovern on down) masses of the American people.

In order to develop that specific and clearly thought out understanding, we must turn our energies inward - i. e., concentrate on educating those of us already committed to building the People's Party so that we can begin to make crystal clear the differences between what we must advocate and the "New Populism" of George McGovern and the left-wing of the Democratic Party. They advocate reforming the present capitalist system; we must advocate replacing the present capitalist system with Socialism. But, in order to talk about Socialism to others, we must first have a complete understanding of Socialism ourselves.

Our attempts at recruitment should center upon those groups and individuals politically educated enough to contribute to this period of internal development. This doesn't mean that we should be closed to those who through their own bitter experience decide that they should join the party. In the immediate future, as McGovern's move to the right - and thus his duplicity - becomes more blatant, the People's Party can expect an influx of McGovern's more radical supporters, including, hopefully, all those mentioned above. The doors should and will be open to them..

The further one looks into the future the brighter that light at the end of the darkness becomes. If McGovern gets the nomination, wins the election, and then proceeds to carry on Johnson's and Nixon's policies (since he can't do any different because of the nature of the system); then for many millions of the American people that will be it. They will be through with the Democratic Party and the capitalist system, and they will turn to the only mass-based, independent political party calling for Socialism: the People's Party!

Lennon Is Given 60 Days to Leave

The Justice Department announced yesterday that John Lennon, the former Beatle, had been given 60 days to leave the country or be forcibly deported. The order is based on a decision reached by the Board of Immigration Appeals on July 10, and Mr. Lennon's departure deadline is retroactive to that date.

Mr. Lennon, who has been living in New York and other American cities since 1971, has fought lengthy and costly legal battles through the Immigration and Naturalization Service and the Federal courts to have his visa extended.

Extensions have been denied because he pleaded guilty in Britain, in 1968, to a charge of possession of marijuana. In his appeals of earlier denials of extensions Mr. Lennon contended the marijuana had been planted in his home and he had pleaded guilty to the possession charge only to spare his former wife, then pregnant, the ordeal of a court appearance.

A spokesman for Mr. Lennon's lawyer said that "various avenues for appealing the order are being explored."

[REDACTED] University of Hartford, 200 Bloomfield Avenue, Hartford, Connecticut, advised on January 9, 1969, that a group of students were planning a march from the university campus center to the administration building on January 9, 1969.

The march was to demonstrate the protest of the students over the suspension of the campus newspaper, "The UH News, Liberated Press." The press was suspended by Dean of Student Relations, EUGENE T. SWEENEY, on Wednesday, January 8, 1969, after publication of nude photographs, front and back, of Beatle JOHN LENNON holding hands with his girlfriend YOKO ONO. (C) 100

b7C [REDACTED] advised no march took place but a standing room only rally concerning the issue was held in the campus center on January 9, 1969. Present at this rally were about 200 students and five faculty members. Both the students and faculty asked and answered questions concerning the suspension and other matters which they felt should be aired at this time.

The faculty felt that guidelines should be drawn for journalistic good taste, but the students refused to agree to this. When the authorities stated that no more money was to be allocated for the publication of the paper, the students stated they had been given \$2,000 previously from student government funds and additional papers would be printed.

A suggestion was made for a poll to be taken of students, faculty, and alumni concerning the paper, but the faculty did not agree with this.

JANUARY 31, 1969

CONGRESSMAN ANCHER NELSON

DEAR ANCHER:

YESTERDAY I RECEIVED AN ALBUM AT OUR [REDACTED] WHICH
CAME TO ME BECAUSE I AM IN CHARGE OF THE [REDACTED] b7C

IT IS THE LATEST ALBUM OF JOHN LENNON OF THE BEATLES AND
HIS LATEST FLAME YOKO ONE. THE COVER OF THE ALBUM WAS A
PHOTOGRAPH OF LENNON AND YOKO COMPLETELY NUDE; AND BELIEVE
ME THEY DIDN'T HIDE A THING. IT IS NOW BEING SOLD TO OUR
YOUNG PEOPLE ON THE RECORD STANDS. MR. NELSON, IT IS
THE MOST DISCOLORED AND VULGAR DISPLAY OF GARBAGE I HAVE
EVER SEEN IN MY LIFE.

ISN'T THERE SOME WAY WE CAN GET THIS ALBUM OFF THE MARKET??
IT HAS TO BE SENT IN THE MAIL TO THE STORES WHICH IN TURN
SELL IT TO THE KIDS. IT DOES HAVE AN ENVELOPE OVER THE
PICTURE WHEN BOUGHT IN THE STORES, SO IT IS ALSO FRAUDULENT
ADVERTISING. MOST OF THE STORE MANAGERS DO NOT KNOW THIS
PICTURE IS ON THE COVER BECAUSE OF THE ENVELOPE. I AM AT
THIS TIME TRYING TO GET AHEAD OF ALL OF THE LOCAL MERCHANTS
CARRYING THIS ALBUM AND FILLING THEM IN ON WHAT IS REALLY
ON THIS ALBUM.

YOU ASK WHY THE YOUTH OF TODAY ARE LIKE THEY ARE... THIS IS
ONE OF THE PRIME REASONS. ANCHER, I SAY TO YOU, THIS HAS
TO STOP... AND I MEAN NOW!! PLEASE WRITE ME AS SOON AS YOU
RECEIVE THIS LETTER AND TELL ME WHAT WE CAN DO TO GET THIS
TOXIN OFF OUR YOUTH MARKET.

RESPECTFULLY YOURS,

O I T. O. M.

By letter dated March 17th, Congressman Bennett sent a copy of H.R. 5171, which is legislation he has introduced to prohibit the dissemination of obscene material to minors. Congressman Bennett pointed out that his bill is patterned after a New York State statute which has been upheld by the Supreme Court. He also sent a copy of two other identical bills, H.R. 6186 and H.R. 7167. In his letter, Congressman Bennett requested "any information you can provide me to back up this bill." By letter of March 18th, Congressman Bennett followed up his previous letter with a request for "evidence." which would show that the rise in crime or the rise of sex crimes is attributable to pornography. He also asked if we can show that a substantial number of criminals have been exposed to pornography. He also asked if we know of any articles or research which would demonstrate a clear need for such a law as he proposes.

We have had cordial relations with Congressman Bennett over the past several years.

RECOMMENDATION:

That the Director restrict our assistance in this matter to provide Congressman Bennett with appropriate reprint material, and that attached letter to this effect be sent.

Mr. Moss Lee Innes,
c/o U.S. Embassy,
Ottawa, Ontario.

Dear Sir:

Attached is a copy of a letter dated March 18, 1970 which was received from Mr. Edward MARZOA of Radio Station WJWL in Georgetown, Delaware and a copy of our reply to Mr. MARZOA dated April 21, 1970.

2. According to the February 20, 1970 edition of the Telegram (Toronto daily newspaper), Mr. Ritchie YORKE of Toronto, Ontario was endeavouring to set up a "Peace Network", being a loose organization of radio stations aimed at promoting the July 3/5, 1970 Mosport Peace Festival at Mosport, Ontario.

3. The Mosport Peace Festival was initiated by John LENNON (of Beatle fame) and his wife, while visiting Canada during December 1969. To facilitate the "peace festival", which in fact would be a youth orientated rock festival, Ritchie YORKE and John BROWER both of Toronto, Ontario, were engaged as advertising and expediting co-ordinators for promotion of the "festival". The Mosport location for the "festival" was recently vetoed by the Ontario Municipal Board and at the present time it is not certain whether the "festival" will proceed at some other location.

4. Should Mr. MARZOA contact your Agency, you may verbally pass the information contained in paragraphs 2 and 3 to him.

Yours truly,

(J.E.M. Barrette),
Assistant Commissioner,
Director,
Security and Intelligence.

Dear Sir:

This will acknowledge receipt of your letter dated March 18, 1970 concerning the lobbying of a youth delegation under the auspices of "Peace Station Network" of 120 Avenue Road, Toronto 5, Ontario for the purpose of having WJWL broadcast 5-minute "peace" programs.

We regret that we are unable to supply you with the information which you requested, as government policy requires us to liase with the Federal Bureau of Investigation in matters related to enquiries of this nature. We therefore suggest you redirect your enquiry to the Federal Bureau of Investigation.

Gentlemen:

WJWL has been approached by the Peace Station Network of 120 Avenue Road, Toronto 5, Ontario, Canada, to participate in a network of stations broadcasting 5-minute "peace" programs.

On a telephone listener opinion program on WJWL, I read the proposal, then solicited listener response to the question of whether WJWL should or should not air the "peace" programs.

The response was overwhelmingly against such programming. I advised the Peace Station Network to remove WJWL and our FM affiliate, WSPA from their mailing lists. **NO RECORD**

I was subsequently approached by a youth delegation with petition in hand claiming the station was unfair in refusal of time. We were abrogating the constitutionally guaranteed freedom of expression. I tried to explain that this was a Canadian organization, with no claim to any U.S. rights. Not satisfied, they claimed it was "their right to hear" that I was infringing on. Well, to head off any prolonged debate, I agreed to listen to a tape from the Peace Station Network people if they would procure one. After so reviewing same, we would make a final judgement. **INDEX**

The purpose of this letter is not to solicit any program recommendation from your organization. It is rather, to ascertain if the Royal Canadian Mounted Police has any information which may shed some light on the Peace Station Network. I would like to know who the officers are; what their purposes are; how they are financed; and why the Canadian base. I have my suspicions.

The decision of course is mine. I would appreciate however, something more concrete than my intuition to support whatever that decision may be.

I would appreciate an early response.

Sincerely,
WJWL

ELECTION YEAR STRATEGY INFORMATION CENTER (EYSIC)

NEW "NEW LEFT" GROUP FORMED

Operating under the cumbersome title of Election Year Strategy Information Center is a new organization which has been formed to direct New Left protest activities during the 1972 election year, with these efforts geared to culminate in massive demonstrations at the Republican National Convention in San Diego in August. Before finally settling on this name, EYSIC was known both as the Allamuchy Tribe and the International News Service, names which some members of the group still occasionally use. Organizers of this band of activists are seasoned veterans of protest: Rennie Davis, Jerry Rubin, Stewart Albert, and Jay Craven. (CONFIDENTIAL)(U)

Finances do not seem to be an immediate problem for EYSIC since John Lennon, formerly with The Beatles musical group, has reportedly contributed \$75,000 to this embryonic organization. Lennon's money and name have placed him in a position of considerable influence in EYSIC--no key planning sessions are being held without Lennon (pictured at left). Lennon, a British subject, has also taken steps to acquire American citizenship. (CONFIDENTIAL)

EYSIC is headquartered in New York City in space rented in a warehouse on Hudson Street. Plans are being generated there to get EYSIC members to appear at major primary elections in 1972 to confront the candidates with the "New Left message" and to additionally encourage individuals to travel to

San Diego to demonstrate in August against the Republican Party.

On February 22, 1972, Jerry Rubin appeared on the Mike Douglas Television Show which was aired on Channel II, Columbia Broadcasting System, from 4:30 p.m. to 6:00 p.m. John Lennon, formerly with the Beatles musical group, and his wife were co-hosts on this show. This program was tape recorded and pertinent statements made by Rubin are included in this memorandum.

Mike Douglas introduced Jerry Rubin stating his feelings were quite negative concerning Rubin but that John Lennon wanted him on the show.

John Lennon stated that Rubin was not at all like his image as he and his wife were not like their image. He stated he found something in Rubin that was artistic.

Mike Douglas asked, "What is Jerry Rubin thinking about these days?"

Rubin stated, "Glad you asked that! We're going to support Nixon for President, because by going to China he is furthering communist revolution throughout the world, and also encouraging communism at home. Anything to get elected! Even though it's not appreciated by the right wing, it's appreciated by the left.-I'm just kidding! What he has really done is automate the war in Vietnam so that its machines killing people create a situation where 43 people can be murdered at Attica, create a situation where four kids can be killed at Kent State and people are afraid. The atmosphere of the country is one of his debts. I think the administration did this, and he is the symbol of it. And so I'm working very hard with people all over the country to defeat Nixon."

When questioned about the "Movement," Rubin stated that "the way the movement has changed is the pressure is so heavy that if anybody does anything, gets arrested, jailed, killed, that people are very pessimistic."

Douglas stated he had heard that Rubin was against drugs and this was the reason he was in favor of having him on the program. Rubin stated he was not against drugs but against heroin. Rubin stated, "the police are the protectors of the heroin trade, and heroin is used against Black people and against some white people right now, as a killer drug. Too many young kids are taking downers and heroin, because they see no future for themselves in this country, they see no hope in changing the country, they see no decent life in which they can be creative and express themselves, so they shoot into their veins and take a pill. And that's the society's fault, as it offers no alternative. As a revolutionary movement, we've got to give an alternative."

When questioned about voting, Rubin stated that all young people should vote as a block, just like women should vote as a block. "We've got to get Nixon out of the White House because we've got to stop the automated war in Vietnam. It's power if we vote together. We shouldn't vote for any candidate that doesn't automatically withdraw everything from Vietnam. And we ought to go to both Conventions in Miami and San Diego and non-violently make our presence felt and stand on the issues. If we do anything any other way, we'll be killed."

When questioned as to what he thinks is right in this country, Rubin stated that what's right is the fact that there are people in the country who want to change it. He stated that what he thought was beautiful about it, is that the children of America want to change the country and are going to.

YOUTH ELECTION STRATEGY, ALSO
KNOWN AS PROJECT "YES"

According to this source, the plans for San Diego include rock concerts featuring JOHN LENNON, formerly of the Beatles rock music group, and his wife, YOKO ONO, as the main crowd drawers backed up by lesser rock group talents.

It was further related by this source that dates have been reportedly been arranged in Florida and New Hampshire and the concerts will include speeches by JERRY RUBIN and RENNIE DAVIS, along with LENNON who will urge the audience to (a) register to vote; (b) work for the legalization of marijuana; and (c) get to San Diego for the GOP Convention.

This source further stated that conflicting reports make it difficult to analyze the proposed activities of JOHN LENNON at this time. While this source indicates LENNON may be coming to San Diego, other indications are that he will perform along the East Coast only and contribute a portion of his proceeds to the San Diego Convention Coalition.

JERRY RUBIN is a convicted defendant of the so-called Conspiracy 7 Trial, Chicago, Illinois, in the period of September, 1969 - February, 1970, involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

SDCC is a group comprised of representatives of various radical groups in San Diego, California, which was formed for active opposition to the United States Government through "serious, determined, and long term social upheaval."

On February 20, 1970, Davis received 23 individual and separate criminal contempt citations regarding the above trial, and was sentenced to serve two years, one month and nine days regarding these citations. Davis was incarcerated February 14, 1970, Cook County Jail, Chicago, and released on \$25,000 bond on February 28, 1970, pending trial. During January, 1971, Davis organized the MDC at Washington, D.C. to exert an influence on the PCPJ policies concerning the planning of a massive anti-war demonstration at Washington, D.C. during May, 1971.

Stewart Albert

On April 25, 1966, a second source, who has furnished reliable information in the past, advised that Stewart Albert was arrested on April 12, 1966 at Berkeley, California, along with other Progressive Labor Party (PLP) members while demonstrating in front of the Berkeley City Hall.

PLP

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese Communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and MAO Tse-tung thought.

MDC

The MDC in New York City (NYC) is publicly known as an organization that participated in demonstrations in Washington, D.C. during the first week in May, 1971, sponsored by the PCPJ.

Mary Boulton

Mary Boulton is the widow of the late Frank Bancroft. The now defunct "New York Journal American" in its November 28, 1952 issue, carried an article entitled, "Oust Teacher, Wife of UN Aide." This article related that the wife of Frank Bancroft, a United Nations Executive that was suspended for refusal to answer a question if he was a communist, had lost her substitute teacher's license in the State of New York. The article related that her husband had been subpoenaed by a Federal Grand Jury, later for appearance before a Senate Internal Security Subcommittee. The article further related that Mrs. Bancroft had failed to appear when she was summoned for questioning concerning a Board of Education Probe into Communism.

On January 27, 1972, a third source, who has furnished reliable information in the past, advised that during December, 1971, a group of individuals calling themselves the Allamuchy Tribe had met in Allamuchy, New Jersey to discuss plans for coordinating demonstrations at the Republican National Convention in San Diego, California in August, 1972. Irish

A meeting of the committee against internment in Northern Ireland took place at the Irish Institute at 326 West 48th St., at 4:05 PM.

An amendment to the purpose of the group was made, so that the body was now not just against internment, but also for the immediate withdrawal of British troops from Northern Ireland.

A speaker from the floor asked that the purpose of the body be amended to include support for the Irish Republican Army in money and even in guns. This motion wasn't even accepted by the chair, and the gentleman declared he would leave the meeting.

A steering committee was set up after much discussion and argumentation. The original committee contained two representatives from the following clubs: Irish Republican Clubs, Northern Aid Committee, National Association for Irish Freedom, and the American Committee for Ulster Justice.

Members of the Socialist Workers Party were present, and they came into the meeting as a unit and argued the following points: "with four organizations it's packed (the steering committee)...the steering committee must be broad, the four organizations have shown that they can't cooperate freely...it is important that the steering committee be representative of all tendencies and individuals...those people who want to take responsibility will be able to do so (in the broad steering committee). There are talented people who want to do work".

The broad steering committee motion was passed.

NY 105-115849

A March 1 or 4th action date was proposed. The SWP people called for a mass demonstration.

It was announced that JOHN LENNON had offered entertainment. One route proposed was a march from Columbus Circle to Bryant Park, or Central Park.

Someone suggested that all British people, and all British organizations be harrassed, as the Jewish Defense League does with the Soviets.

A boycott of British goods was proposed.

It was suggested that the Irish ask the Chinese in the Hotel Roosevelt (Red Chinese) to talk to NIXON when he is in Peking. This idea was strongly put down.

Three members of the SWP (if not more) were named to the steering committee: RAY "MARKY" (1930-local of the New York Public Library System), GENE "BERTINE" of Local 1199, and NAT LONDON, formerly of the Peace Action Coalition. In all 28 names were accepted for the committee.

The Irish Republican Clubs are aware of the presence of SWP people, and they are watching them. MARY COTTER was a spokesman for the Irish group, and she's a SWP person (this occurred at a BOAC demonstration previous to this meeting), and as such served the interests of the Irish group rather than the SWP.

One Michael LNU, acting as front man for Rennie Davis, John Lennon and Jerry Rubin, came to Washington Square Meth to the NY Office and had a long discussion with William Kittredge about what was going down. The office will be opened in 2 weeks - 1 month at Hanson and 10th Street and will occupy 2 floors there. The staff that was brought from Washington, DC appear to have some problems with the middle leadership (Stu Alpert and Jay Craven in particular). The staff salaries are said to be \$125 per week, and Rubins pressence in the top echelon in confirmed. The bulk of the is coming from Lennon-One. (X)(u)

Renner and Kittredge went to the NYLC loft to see William Smith about 8:00 p.m. and later went to Larry Levy's returning to the church at 1:30 a.m. (1/26/72) Joseph Pissarevsky was in touch with Revolutionary Union, Dia Cooper with LNS, and C. Donham with AIO. The purpose of all these meetings was to discuss a conference format that this group has cooked up and to feel out the various groups vis a vis the Red Balloon people. (X)(u)

Election Year Strategy Information Center
(Formerly known as the Allamuchy Tribe)

Reference is made to Federal Bureau of Investigation (FBI), memorandum dated February 28, 1972, and captioned as above.

670

[REDACTED] the Election Year Strategy Information Center (EYSIC) is no longer functioning. The organization ceased to exist approximately the first of March, 1972. Former members Jerry Rubin and Stewart Albert, upon dissolving EYSIC seem to have no definite plans regarding either the Miami Democratic National Convention or the Republican National Convention in San Diego. Rennard Cordon Davis who was also associated with EYSIC was last known to be in Florida.

Jerry Rubin and Rennard Cordon Davis, are both convicted defendants of the so called Conspiracy Seven Trial, Chicago, Illinois, in the period September, 1969 thru February, 1970; involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

[REDACTED] (S)(u)

that Albert was arrested on April 12, 1966, at Berkeley, California, along with other members of the Progressive Labor Party (PLP) while demonstrating in front of the Berkeley City Hall.

Progressive Labor Party

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese Communist line. Its objective is the establishment of a militant working class movement based on Marxism-Leninism and MAO Tse-tung thought. b7D

[REDACTED] EYSIC is no longer operational. Youth Election Strategy, which started out as a political education arm of EYSIC is presently engaged in the production of films depicting the Automated Military Machinery used in Southeast Asia by the United States Army. The films are designed so as to be shown to demonstrators at the sites of the Republican and Democratic National Conventions. The source advised that John Winston Lennon was formerly associated with EYSIC, however shortly before the organization was dissolved, Jerry Rubin and Rennard Davis were apparently at odds with Lennon due to his excessive use of drugs. (S)(u)

John Winston Lennon. On February 2, 1972, Mr. Raymond Connley, Immigration Officer, Immigration and Naturalization Service (INS) New York City, advised that Lennon, Alien Registration Number A-17597321, first arrived in New York City on August 11, 1968, under a B-2 visitors visa. He subsequently departed the United States, and during his 1971 re-entry was granted another B-2 visa. Lennon is married Yoko Ono, Alien Registration Number A-19489154. They both entered the United States on August 13, 1971 and their visas were due to expire on February 29, 1972.

After JOHN LENNON plugged it on the Dick Cavett Show, the benefit concert for the Attica Defense Committee turned a larger crowd than expected. Among the people who came were OTTO PREMINGER & a party of 5 people. Security was tight. The AIO core group included RONALD ROSEN, JOSEPHINE PIZZINO (both new members of AIO), JAMES DUFFY, MAURICE WADE, and was led by WALTER TEAGUE. Also on security were WALTER APONTI (recently purged from AIO) LAWRENCE REWER, DIANE DANHAN, and STEPHEN POMERANTE. The benefit was held at the Wash. Sq. Meth Ch, began at about 20:00, was ended about 1:30 Sunday morning by a bomb threat, and netted \$2,000 for the Defense Comm and \$200 for the WSM Ch. (X)(u)

At 15:00 the NYRC had a meeting on re-organization at its hq (93 B third Ave). The meeting was fruitless. The two factions are basically these: LAWRENCE LEVY and HENRY PLATSKY want to form a more, intellectually oriented group which functions as a study group, at least at the outset. ROBERT MENES, EUGENIE S. JOSEPH, SUSAN LNU, WILLIAM SMITH, LESTER BAUM, and some unidentified members of the Prison Collective (on arm of NYRC concerned 5 prisoner liason) wish the group to become more action oriented feeling that any form of movement toward the study group idea is a cowardly retreat. John & Yoko Wait & Wait

A decision in the deportation proceedings against former Beatle John Lennon and his Japanese-born wife, Yoko Ono may not be reached until September, the U.S. Immigration and Naturalization Service said yesterday.

The government and the defense were to have submitted briefs by July 1, but they are still waiting for a transcript of the May 17 hearing.

Special inquiry officer Ira Fieldsteel, who is hearing the case, will be away in August, and so a decision is not expected until September.

The government wants to deny Lennon permanent residence here

because of a 1968 marijuana conviction in England.

PacTel Appeals Refund

Pacific Telephone & Telegraph asked the U.S. Supreme Court yesterday to stop a \$145 million refund to its customers which was ordered by the California Supreme Court Tuesday. The California court denied Pacific Tel's \$143 million rate increase.

Letters to the editor

Contract. Zam. David Peel breaks into Apple Records.

Now David, as far back as we can remember, you and Weberman were a duet. Remember "A. J. A. J. Weberman?" No, I guess not. I mean, when it comes to choosing between being famous or having a real friend, being famous will always win out.

A. J. Come, A. J. Go

Dear Sir:

To John, Yoko, Jerry, and David—you come to America, check out of the St. Regis Hotel, and check into the Village, where you immediately strike up a friendship with Jerry Rubin, who is into everything you want to get into.

Jerry, after all being a Yippie with Yippie tendencies, introduces you to David Peel, the "park bench singer," who just happens to be without a recording

John Lennon, being "the" John Lennon, met Bob Dylan and naturally they began rapping. Between the rap, Dylan must have mentioned that a guy named Alan Julius Weberman had been bothering him for the longest time. Lennon later, upon seeing Rubin and Peel, mentioned that Dylan had told him Weberman was a pest and he (Dylan) didn't know how to get rid of him. Lennon, Rubin, and Peel immediately took it upon themselves to help Dylan get rid of Weberman. Rubin called A.J. up, and who knows what they said to him. Weberman immediately wrote an apology into The Voice (Voice, December 9) who promptly misquoted him on one word which changed the context of the whole letter.

The question here is, exactly what was used to convince A. J. to leave the way? Was it Lennon's money? Or was it Rubin's threat?

Dylan and Weberman: A Letter

WE ASK A. J. Weberman to publicly apologize to Bob Dylan for leading a public campaign of lies and malicious slander against Dylan in the past year. It is about time someone came to Dylan's defense when A. J. published articles and went on radio calling Dylan a junkie—which he never was—attacked Dylan for “deserting the movement”—when he was there before the movement and helped create it—and publicized Dylan's address and phone—exposing Bob and his wife and children to public embarrassment and abuse.

Dylan is more than a myth—he is a human being, like you and me. He has feelings and sensitivities like you and me. Who is there among us who has not had his consciousness shaped by the words and music of Bob Dylan? Yet who raised his or her voice or uttered a word to defend Dylan when A. J. Weberman began his personal campaign of slander against Dylan—in the true tradition of the sensationalistic press willing to print anything about someone famous—even organizing demonstrations at Dylan's home—for god's sake:—can't Dylan have some privacy? Can't he have some peace of mind in his own home to think and write and make music and be with his family?

Weberman took advantage of Dylan's fame. If Bob Dylan attacked A. J. Weberman, who would listen or publish it? If A. J. Weberman has some “inside gossip” or “the real truth” about Bob Dylan, everyone is all ears because everyone wants to talk about Bob Dylan. Stories spread from person to person in an ever-widening circle of exaggeration and bullshit. No one cares to

find out the truth about Bob Dylan, the person. They are too busy amusing themselves by telling outlandish stories about Bob Dylan—the myth—whom they have never met.

Weberman tried to make a name for himself by attacking Dylan and proclaiming himself a Dylanologist or something like that. No one else named Weberman an expert on Dylan. Weberman calls himself an expert, and all of a sudden the press is all over him trying to get information or gossip about Dylan. Now whenever someone writes about Bob Dylan, they also interview A. J. because he is a self-proclaimed authority on Dylan's music. A. J. claims everything Dylan writes is either about Weberman or about heroin. What bullshit!

Weberman is to Dylan as Manson is to the Beatles—and Weberman uses what he interprets from Dylan's music to try and kill Dylan and build his own fame. Now A. J. Weberman takes credit for Dylan's “George Jackson” song. More egocentric bullshit. Dylan wrote it in spite of Weberman and in spite of “the movement.” Dylan wrote it because he felt it.

A. J. Weberman's campaign—and the movement's complicity in it—is in the current fad of everyone in the revolution attacking each other and spreading false rumors about each other. It's time we defended and loved each other—and saved our anger for the true enemy, whose ignorance and greed destroys our planet.

John and Yoko Joining Vigil Here

By MILTON ADAMS

A weekend of massive demonstrations has been scheduled to take place here and across the country by several peace groups demanding complete withdrawal of U. S. forces from Indochina.

A candlelight vigil and "procession for peace" tomorrow night in Duffy Square, at Broadway between 46th and 47th Sts., from 8 to 11 p.m., will highlight local activities.

Sponsored by the National Peace Action Coalition, the vigil is expected to attract a number of prominent members of the city's art community, and rally support for

a massive demonstration scheduled for Washington on Sunday.

The two demonstrations were announced by NPAC National Coordinator Katherine Sojourner yesterday.

Supporters of the Sunday march in Washington include about 25 members of Congress, a number of local politicians, and trade union leaders from across the country.

John and Yoko

Members of the art community endorsing the Washington march and expected to attend tomorrow's vigil include John Lennon and Yoko Ono; satirist Jules Feif-

fer; producer Joseph Papp; writers Arthur Miller and William Styron and others.

"This Sunday in Washington, thousands of Americans will express their opposition to Nixon's latest and most dangerous escalations," said novelist Kurt Vonnegut, Jr., reading a statement signed by about 50 prominent artists.

"At this critical time, we believe it important to share some time and feeling for peace," the statement said.

On Monday, Washington demonstrators plan what they call a "blockade" of the Pentagon by blocking entrances to the building.

Plans were also announced today by the U. S. Servicemen's Fund, for a series of antiwar demonstrations at Fort Dix and more than 30 other military bases and installations across the country tomorrow.

Similar Armed Forces Day demonstrations organized by active-duty military personnel last year have forced the Pentagon to cancel official parades and ceremonies at these bases.

Such fears by officials of the Military Order of the World Wars resulted in the cancellation of New York's 23rd annual Armed Forces Day parade this week.

DEMONSTRATIONS DURING THE DEMOCRATIC
NATIONAL CONVENTION, JULY, 1972 -
MIAMI, FLORIDA

Source, who has furnished reliable information in the past, advised on April 17, 1972, that Shirley Jane Hopper traveled to New York City, from Madison, Wisconsin, on March 2, 1972, until March 6, 1972, to meet with Yippie and Zippie representatives.

The following is an account of that trip furnished by source:

Thursday - March 2, 1972

Jane Hopper took a bus to Chicago and stayed with the Malated people. She got up early and went down to Continental Driveaway Company and made arrangements for cars to New York and back. She went to the bus station and picked up John Mattes who came down on the bus that morning.

O/S Friday - March 3, 1972

After picking John up she went and picked up the car which turned out to be a used squad car that was being sent to Brooklyn for resale.

Saturday - March 4, 1972

They arrived in New York at 3:00 AM and went to A. J. Heberman's house at 6 Bleeker Street. After getting some sleep, A. J. went over to Tox Forcade's house to get him up. He came back with Frank Rose, who lives with Tox. They decided to make a Zippie presence at the Stonybrook Conference. Jane drove out there with John, Pat Small, and Kathy Morales, (who are living with A. J.) and Frank Rose. Pat Small made a plea for the people there to join Zippie and announced that there would be a separate caucus for Zip in another room. The Zips drew off maybe a third of the people there. Most people were stopped by the campus police either coming or going. Hopper was stopped and I.D.'d while waiting to pick her friends up after the thing broke up.

O/S
Hopper went over to the New York Switchboard and made arrangements for Zip announcements to appear in a newsletter they are planning to set up for all the underground switchboards in the next month. She went over to Rex Weiner's house. He is the editor of the 'New York Age' which is an up and coming underground paper. He seems to be an old political hand. He was very glad to see us and proposed a party that night to welcome us to New York, at his newspaper office. The party started at about 9:00 PM so Hopper had time to go eat at Tom Forcade's house. He lives in a real dump at 209 East 5th Street. His office is at 204 West 10th Street (basement). He has no legitimate phone. To call out he taps into a Hungarian person's phone. There is a girl there name Linda who acts as a servant for Tom and Frank. Linda's parrot interjects "Right On" whenever the conversation gets rousing. Tom is trying to train it to say "eat shit" whenever he argues with anyone but the bird now says it to him whenever he sees him. The cage is surrounded by small objects that Tom has thrown in response. From there Hopper went to the party. She was introduced to the elite of the radical left. Jerry Rubin rushed up to Jane and begged her to let him be a Zippie. She said we would have to iron out a few differences first and she agreed to meet with him the next day. Jane left with Forcade for a while so John, A. J., and his girl Ann mingled for a while. Frank was acting as a chauffeur dressed up in a fancy uniform. Jane got quite drunk and Jerry began to give her trouble about it.

Monday - March 6, 1972

This was Hopper's and John's last day in New York so it was packed with business meetings. Hopper had to take care of delivering the car to Brooklyn. When Hopper got back to A. J.'s, Tom was there and they were finalizing plans for the smoke-ins. They are apparently going to take place in twenty states and five foreign countries including England, Netherlands, France, Germany, and New Zealand. Debi from the Toronto Guerilla arrived to get a ride back with us as far as Erie, Pennsylvania. They left A. J.'s and went over to Jerry Rubin's house at 156 Prince Street. Steve Albert was there. Jerry told us that the bad press we were giving him had hurt him badly politically. He said he would be finished in politics unless we patched things up. They replied that they thought he was an asshole. He said that Abby was coming back next

month and that he wouldn't let us kick him around. They told him that they would meet Abby at the airport and throw him out of the party also. He layed down on the floor close to tears. Stew said they were being too rough on him so they chewed him up in like fashion. Jerry asked us to negotiate with him and we agreed to it. We listed our bitches with him, 1. His superstar ego which enables him to appear to lead us while he does none of the work yet gets the credit; 2. Financial deals that have netted him money in the past that he made in the name of Yippie but then used for himself; 3. His b.o. and other bad habits; 4. His feud with Tom and other Zip people. He said that he would do anything and we should just tell him what we wanted. They told him they wanted money and they told him that they wanted him to get signatures for the Armstrong petition. They also told him that we would stop bad-rapping him in accordance with how well he performs his assignments. We will make no interferences in his affairs political or otherwise as long as he didn't claim leadership in Zip or Yip. He will have no decision making powers. If he or Abby want responsibilities in the new party they will have to earn them like everyone else. The fact that they are superstars and can get coverage of events does not impress us at all. They are a liability within the movement. They have turned too many people off. John and Hopper left for Madison. The only trouble they had on the way home was an incident in Pennsylvania. Their car was identified as having been involved in a burglary. They were stopped for about an hour and then released. They were somewhere around Sharon and Mercer, Pennsylvania.

Jane and John seemed to think that Jerry was losing the friendship of John Lennon. John had thought that he was the cent of radical politics and by throwing him out we let the thought enter Lennon's head that perhaps Jerry was washed up. Lennon had a message delivered to us at Stonybrook that he would do an Armstrong benefit if we didn't let it out that he was coming. In other words, it had to be happening on its own steam before he would come. He will also come to the conventions if they are peaceful, under the same terms.

IT WAS IN TORONTO last week to do an interview for WABC-FM with John and Yoko Ono Lennon; one of the reasons the Lennons were there, as you probably already know, was to announce their "peace festival."

It seems everyone and his ready brother is snapping together a rock festival, but this one sounds like it might headline the summer's fare, and include one unique and cozy feature. The entire stage will be in the form of a massive bed, and so this July 3, 4, and 5 the joyful noise of "rock, peace poetry, and whatever" will be coming from between the sheets. Then the Lennons would like to tuck the whole package in and take it on a world tour, especially to Russia and Czechoslovakia.

When I asked him about the Beatles as an entity, John said casually that they might never play again, then added that they feel that way every time they finish an album. On the other hand, he mentioned that it is getting increasingly hard to fit all their songs on one lp, notably since George has begun to write so prolifically. He did seem sure they would never tour again as a group. As for music, John felt they hadn't made any dynamic changes since "Sergeant Pepper," and their music should go further out again. He also denied that the Beatles are leaving the Allan Klein management, and in fact said he liked Klein, not only as a businessman but also as a person.

When asked why he comes to Canada so often, other than problems with his U. S. visa, John answered, "Because it talks to China." Another reason why he was there this time was to sign the 5000 copies of his erotic lithographs. In between writer's cramp and macrobiotic meals (served by two chefs flown in from the Caldron on the Lower East Side), the Lennons planned the next phases of their peace campaign. They just completed their billboard event in Times Square and 10 other major cities, and will present another surprise

Both John and Yoko seem unaffected that war is even more powerful a piggy news, despite all their dove flutter and commotion. "We believe in selling peace... nobody says to give up Christianity because Christ died."

Their latest angle will be a "peace poll." Letters, postcards, or any other voucher from the peace-bent will be sent to a prescribed—as yet to be announced—address. They think that maybe a mountain of this mail can be delivered to one of those masters of war who is impressed by statistics.

Lennon let his followers down

By BILL GRAY

Amusement Writer

If anyone went to the John Sinclair rally Friday night in Ann Arbor for the sole purpose of seeing a rare John Lennon performance, he had to go away disappointed.

Lennon was the drawing card that brought many if not most of the 15,000 young people to Crisler Arena.

But almost eight hours of speeches by radical leaders, poetry by Allen Ginsberg, country rock by Commander Cody and rhythm and blues by Stevie Wonder preceded the former Beatle's appearance.

WHEN HE DID, it was brief and one major factor nearly spoiled the whole thing.

He brought Yoko.

Mrs. Lennon may be the genius that John keeps insisting she is. Possibly, if he keeps heavily hyping her, someone might believe it.

But before a singer can be judged, she must first be able to carry a tune. Yoko can't even remain on key.

This was evidenced clearly when she sang "O Sisters, O Sisters." A Women's Lib tune she claimed she wrote for the "Sisters of Ann Arbor" the day before the rally.

STANDING beside her, Lennon managed not to wince. He even kissed her when it was over.

Lennon's portion of the show was hardly worth the wait — three songs, all of which were unfamiliar to the crowd.

They were so new that Lennon had to read the lyrics from a music stand as he sang.

His tribute to Sinclair, which began, "John Sinclair, in the stir for breathing air," was played on steel guitar.

BECAUSE of the name attached to it, the song probably will become a million seller and should make Detroit Recorder's Court Judge Robert J. Colombo an anti-hero in the subculture. "He gave him (Sinclair) 10 (years) for two (marijuana

cigarettes) what else can Judge Colombo do?"

It was an interesting piece, but lacking Lennon's usual standards.

Lennon and Yoko were dressed in matching black leather jackets, unzipped to reveal "Free John Now" T-shirts. Lennon wore small circular sunglasses. He was flip-pant and tried to give the crowd the impression that they weren't watching a superstar, but simply the working-class hero.

PRECEDING the Lennons were David Peel and the Lower East Side, positively the worst act I've ever seen. The greasy-looking Peel sang like a deranged gorilla. The lyrics of one song consisted solely of repeating "marawanna" about 50 times.

The best rock 'n' roll of the evening was provided by some local artists. Bob Seger (formerly with the System) and Teegarden and VanWinkle combined for the evening's musical highlight.

Seger's "Looking Back" may be only a four-chord progression piece, but it's well-performed, and the lyrics should go down as the subculture's national anthem.

It ain't fair, John Sinclair
In the stir for breathing air
Won't you care, for John Sinclair
In the stir for breathing air.
Let him be, let him free
Let him be like you and me

They gave him 10 for 2
What more can the judges do
Gotta, gotta, gotta, gotta, gotta
Gotta, gotta, set him free.

If he'd been a soldier man
Shooting gooks in Vietnam
If he was a flying man
Dropping dope in old Siam
He'd be free, they'd let him be,
Breathing air, like you and me.

They gave him 10 for 2
What more can Judge Colombo do
Gotta, gotta, gotta, gotta, gotta
Gotta, gotta, set him free.

Was he jailed for what he done
Representing everyone
Free John Now if we can
From the clutches of the man
Let him free, lift the lid
Bring him to his wife and kids

They gave him 10 for 2
What more can Colombo, Nixon, Rockefeller, Agnew do
Gotta, gotta, gotta, gotta, gotta
Gotta, gotta, set him free.

On December 13, 1971, source six advised he learned from Lennie Sinclair, Officer WPP, that the Detroit Committee to Free John Sinclair netted a total of \$26,000.00 from the rally. (C)

BOB RUDNICK - MC

People have come from various parts of the planet to help get JOHN out. All right, BOBBY SEALE will be here, PHIL OAKS, JERRY RUBIN, SHEILA MURPHY, the UP, ED SANDERS, Commander CODY, RENNIE DAVIS, LENI SINCLAIR, ARCHIE SHEPP (phonetic), Father GROPPY, a special guest and then DAVID PEALE with JOHN LENNON and YOKO ONO.

The lost and found and drug help is in the north west, I think that's over there if you need it. Right now we're gonna have a tape. Ok, this is gonna be an all night long hassle, we gotta keep the aisles clear, the firemen are running around so if possible we're gonna have to keep announcing, just keep the lanes as clear as you can.

WILLIAM KUNSTLER is a little busy with a new case. He's trying to get someone else out of jail and couldn't be here, so to send a message he put it on tape and we're gonna have that in about ten seconds.

WILLIAM KUNSTLER (taped message)

I have tried everything I could to be in Ann Arbor tonight but it is impossible. But I know that so many of JOHN SINCLAIR's friends will be with you that my absence will be more keenly felt by me than by anyone else. Yet I could not let the night go by without at least making this tape, unsatisfactory as it is, to give some concrete form to my devotion to JOHN and the cause which he symbolizes and represents.

JOHN is in jail for two essential reasons; first of all he is a political person who calls into question the validity of the super state which seeks to control all of us and destroys those it cannot readily dominate. Secondly, his harsh sentence dramatizes the absurdity of our marijuana laws which are irrational, unjust and indefensible. Recently, the National Institute of Mental Health submitted to the Congress its hundred and seventy six page report "Marijuana and Health" which comes to the conclusion that quote For the bulk of smokers, marijuana does not seem to be harmful, end quote. Yet it is made a crime in every state with penalties ranging in severity from life to six months in jail. On the other hand, conventional cigarettes can be legally sold as long as they bear a legend on the package that they can cause serious illness or death.

To exappropriate from that capitalistic system the goods, the technology, etc. put it down in the poor oppressed communities all of us the people that are oppressed and us too and everybody processing it and giving it away free. The psychology chains and the chains of oppression. Let's get it off now. That's have the chains off of us now, cause if we don't have the chains off of us they are going to annihilate us. (first part not recorded)

.... also, PUN PLAMONDON is in jail, he is also with the Rainbow Peoples Party, he was the first person to become a fugitive and go underground in this country, and then he was caught and now's he's in jail and we ought to have this rally to free PUN PLAMONDON and to free the 2000 people who are now in jail for smoking dope, most of whom are black, and you see what people are going to feel most across the country, when they hear about this rally. Think of all the prisoners behind bars, how they are going to feel, fed shit food, isolated, treated like animals and if they do anything coungeous they lose their good time, and they have to stay in jail longer and longer this rally is going to be the first prison rally all across the country demanding that they lay down the bars and let all the prisoners out. And while letting all the prisoners out, they ought to jail the judges, cause every judge, every judge should spend six months in a jail to see what its like. To see what the feeling is of being locked up, and see whather that makes you feel any more human. This is the first event of the Rock liberation front and its really incredible that JOHN LENNON and YOKO ONO are going to be here, here tonight, and should really think of what the meaning of that is. Cause its really a committed act by people who are

~~CONFIDENTIAL~~

very involved in music, who are identifying to the culture you and I are part of. The family that you and I are part of and for them to come on this stage, and for JOHN to sing his song it ain't fair JOHN SINCLAIR and for JOHN and YOKO to sing a song about the IRA and Attica state. Its really incredible. It shows that right now we can really unite music and revolutionary politics and really build the movement all across the country. (applause). It's like a whole, it's like a whole cultural renaissance, is about to begin and if JOHN and YOKO can come here we really have to go back to high school and colleges and communities and rebuild the movement to rebuild the revolution because all the people who say the movement and the revolution is over should see what's going on right here, because it doesn't look over to me. But there are, there are a lot of problems, for example the amount of heroin and dope that is smoked in the black and white youth communities is really serious so many young, 15, 16, 17 year old kids who are totally wiped out on downers, cause they have to find some way to get through the prison of high school and college and someway out of the prison of America, instead of building a revolutionary movement the amount of heroin that is floating around our communities, we have to drive the heroin pushers out of our communities and build (pplause). So heroin is poison and you know it gets its source from Southeast Asia, Laos, and then, it's shipped by the CIA back to the U.S. as a poison to poison us so we don't make a revolution, that's why they are pushing all this heroin into us. (applause). Also, there is like a very strange spirit among young people today, a spirit of tremendous mistrust, a spirit of which anybody who takes an action, calls a demonstration, comes forward with something is attacked by someone else, in the movement for being an ego-tripper or media freak or doing something wrong, its a total anti-leadership spirit, so the people are afraid take the initiative or afraid to take actions, not because of what the pig might do, but afraid to take, take action because of what their own brothers and sisters might say about them. Its a very strange thing that people are afraid to speak out and that's why there's such a quiet across the country, cause the moment somebody does something someone else right next to him says, I didn't like what you did. We have to give each other a chance to make mistakes, we have to give each other a chance (inaudible) because if we are our own worst critics, no one is going to do anything, we are going to be paralyzed in fear, and all the violence and hostilities that we felt against

18

7 ~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

And JOHN SINCLAIR is a key person in the liberation struggle, the struggle to liberate all the people from the overt and the covert prisons, from the prisons behind bars and outside bars, and we need JOHN SINCLAIR out of prison not only for his own sake but to help in that struggle. JOHN SINCLAIR has united rock and revolution. He has united a position to political repression and to economic exploitation. His united opposition from domestic oppression and foreign aggression and we want JOHN SINCLAIR out of prison, we want him out of prison to help us organize the music at San Diego. (applause) And we want him out of prison to organize the music in a lot of events like this one that will take place up and down the country between now and San Diego to get those other prisoners out of jail, out of the jail of the factories that they are in, out of the jail of the money system, out of the jail of the foreign policy. Now I'm just going to say one sentence about the war and I think ~~PLINIE~~ indicated already that NIXON's program is not for winding down the war but for winding down the anti-war movement, its the most cynical appeal to us, to say it doesn't matter that more people are being killed today than there were last month, it doesn't matter that there were more people killed last month than there were under JOHNSON, as long as they are Asians, as long as they are not Americans, but you want a real clue to that kind of syncism, I'll quote one of my political advisers, GEORGE WALLACE; GEORGE WALLACE came up with a shadow cabinet yesterday and who do you suppose was his secretary of state was, Ambassador WILLIAM PORTER who is NIXON's Ambassador to the Vietnamese peace talks. That tells you what's happening to the Vietnamese peace talks. That tells you what's happening to the war under the Nixon program. Now one last point, I also came here tonight to hear JOHN and YOKO, and so did a lot of other people, but I came here to hear JOHN and YOKO sing a song to the Liberation of JOHN SINCLAIR and the other prisoners. We have the power; we have the strength if like the Vietnamese and the Cambodian and the Laotians, we do not allow the government, visible or invisible, to pacify us, if we do not allow them to convince them that we are weak and impotent and that nothing we do will matter. Ever since 1964, the press, the dove press, mind you, and the government has been saying that the war is ending and the anti-war movement is dead, but it has never been through, and it is not through today, the war will not go away by itself, and JOHN SINCLAIR will not get free by

INFORMATION CONCERNING

On 4/22/70 a representative of the Department of State advised that the American Embassy in London had submitted information showing the captioned individuals planned to depart from London, England, on 4/23/70 via TWA Flight 761 which will arrive in Los Angeles at 7:15 local time. These individuals are affiliated with the Beatles musical group and Lennon will be traveling under the name Chambers while the Harrisons are using the name Masters.

Lennon and the Harrisons will remain in Los Angeles until 5/6/70 for business discussions with Capital Records and other enterprises. They will travel to New York City on 5/7/70 for further business discussions and will return to London on or about 5/16/70.

Waivers were granted by the Immigration and Naturalization Service and the Embassy was to issue visas on 4/22/70. In this case waivers were necessary in view of the ineligibility of these three individuals to enter the U.S. due to their reputations in England as narcotic users.

Lennon Decision Delayed

NEW YORK (AP)—A decision in the deportation proceedings against former Beatle John Lennon and his wife, Yoko Ono, may not be reached until September, the United States Immigration and Naturalization Service reported today.

The government was

awaiting a transcript of a May 17 hearing in the case before submitting its brief. Special Inquiry Officer Ira Fieldsteel, in charge of the case, had set July 1 as the final date for both sides to submit briefs supporting their cases.

Fieldsteel will be away for the month of August, immi-

gration officials reported, saying they do not expect a decision until September.

The Lennons are seeking permanent residence in the U.S., but the government has balked over granting residence to Lennon, on grounds of a 1968 narcotics conviction in England.

ASKING PRISONER'S RELEASE — Ex Beatle John Lennon and his wife Yoko were among 20 people at the South Vietnamese embassy yesterday asking freedom for a Vietnamese "political" prisoner.

The woman, Mrs. Ngo Ba Thanh, a Buddhist neutralist who opposed the war, has been held almost two years. According to Mrs. Lennon, the group was told that the woman's fate was a matter for the courts.

ELECTION YEAR STRATEGY INFORMATION CENTER

On March 1, 1972, a confidential source of the Federal Bureau of Investigation who has provided reliable information in the past, advised that Thomas Hayden, a convicted Chicago Seven conspiracy trial defendant, flew to the Washington, D.C. area on February 26, 1972, and met with Rennard Gordon Davis, another convicted Chicago Seven conspiracy trial defendant. These two individuals discussed the possibility of forming a group calling itself the "anti-war union". This was described as a coalition of individuals who, in the past, had shown leadership in various new left oriented organizations. The projected purpose of the anti-war union would be to formulate tactics in regard to movement actions during the 1972 election year primary elections, including confrontations with candidates during their speaking tours, and as a support base for the "arena stage" a recently coined description of the new left oriented "entertainment group" that would include John Winston Lennon former "beatles" rock singer, and his wife, Yoko Ono, and function as a stimulus to encourage youths to be in the vicinity of election candidates when they are on tour.

The source indicated that currently the following organizational titles coined by Rennard Davis and his followers appear to be synonymous, and will be functioning toward the general goal of candidate harrassment and general disruption during the 1972 election year: arena stage, International News Service, Election Year Strategy Information Center (Office), the youth contingent of the People's Coalition for Peace and Justice.

On January 21, 1972, a confidential source advised that a group called the "Allamuchy Tribe" was planning to open an office in New York City, New York, during the following two weeks. The source stated that this group was formed from meetings held at the Peter Stuyvesant Farm, Allamuchy, New Jersey, during the Month of December, 1971.

Members of this group, headed by Rennard Cordon Davis, also known as Rennie Davis, include Stu Alpert and Jay Craven. The source noted that all of these individuals have been, or are currently affiliated with the People's Coalition for Peace and Justice (PCPJ).

The PCPJ in a press release dated March 1, 1971, described itself as being headquartered in Washington, D. C., and consisting of over one hundred organizations which are using massive civil disobedience to combat racism, poverty, repression, and war.

The source further advised that the purpose of this group was to direct New Left movement activities during the 1972 National Election Year, with plans to culminate with demonstrations at the Republican National Convention scheduled to be held at San Diego, California, during August, 1972. The source concluded by noting that a large sum of money has been given to this group by John Lennon, a former member of the Beatles rock group, and who is currently residing in New York City, New York.

On January 24, 1972, the same source advised that the Allamuchy Tribe has rented two stories of warehouse space on Hudson Street, New York City, and anticipates utilizing this space for offices. This space is presently being equipped with furnishings and office equipment, and will be operational in the near future. Allegedly, John Lennon has contributed \$75,000.00 to aid in the formation of the Allamuchy Tribe. *FAU*

On January 28, 1972, a second source advised that the Allamuchy Tribe is a name coined by individuals that attended the Allamuchy, New Jersey, meetings, previously described. This second source advised that any meetings called by New Left Activists associated with Rennie Davis in the future, that deal with the topic of demonstrations surrounding the Republican National Convention, 1972, would call the participants, members of "The Allamuchy Tribe." *O/S*

This second source further advised that while individual meetings concerning the Republican National Convention would be known as Allamuchy Tribe meetings, previously mentioned Rennie Davis, Stu Alpert, Jay Craven, with the additions of John Lennon, his wife, Yoko Ono Lennon, and Jerry Rubin, convicted Chicago Seven Conspiracy Trial Defendant, were getting up office space in New York City, under the name "International News Service." The alleged purpose of the group would be to spear-head tours throughout the major states holding primary elections during 1972, presenting New Left movement messages, and attempting to encourage large numbers of individuals to demonstrate at the Republican National Convention at San Diego. This second source indicated that the office space being rented in New York City has been negotiated by the previously mentioned individuals, and that while, depending upon the situation, they call themselves "The Allamuchy Tribe" or "International News Service," these two terms are often used interchangeably by individuals closely involved with Rennie Davis and his current plans.

The second source indicated that Davis continues, at present, to reside at 1736 Lanier Place, N.W., Apartment 3, Washington, D. C., but plans to spend a great deal of time in New York City coordinating the plans of "The Allamuchy Tribe - International News Service."

NEW "NEW LEFT" GROUP FORMED

Operating under the cumbersome title of Election Year Strategy Information Center is a new organization which has been formed to direct New Left protest activities during the 1972 election year, with these efforts geared to culminate in massive demonstrations at the Republican National Convention in San Diego in August. Before finally settling on this name, EYSIC was known both as the Allamuchy Tribe and the International News Service, names which some members of the group still occasionally use. Organizers of this band of activists are seasoned veterans of protest: Rennie Davis, Jerry Rubin, Stewart Albert, and Jay Craven.

Finances do not seem to be an immediate problem for EYSIC since John Lennon, formerly with The Beatles musical group, has reportedly contributed \$75,000 to this embryonic organization. Lennon's money and name have placed him in a position of considerable influence in EYSIC--no key planning sessions are being held without Lennon (pictured at left). Lennon, a British subject, has also taken steps to acquire American citizenship.

EYSIC is headquartered in New York City in space rented in a warehouse on Hudson Street. Plans are being generated there to get EYSIC members to appear at major primary elections in 1972 to confront the candidates with the "New Left message" and to additionally encourage individuals to travel to

San Diego to demonstrate in August against the Republican Party

CONVENTION HIGHLIGHTS

The Twentieth National Convention of the CPUSA was held February 18-21 at The Towers Hotel in Brooklyn, New York, with 254 delegates and alternates in attendance (Volume II, Numbers 2 and 3). Observers from Canada, Cuba, Chile, and Puerto Rico were also present. As in the past, there was much pre-convention publicity on the importance of this meeting for the establishment of new policies for the CPUSA and on the vital roles to be played by those attending. However, the delegates' primary function was to serve again as a rubber stamp for the party hierarchy, headed by Gus Hall, General Secretary. Hall, in a three-hour speech opening the convention, reported on party accomplishments and outlined organization plans, placing stress on a new restructuring of the party. Without actually spelling it out for those at the convention, Hall's proposals were designed to appeal to the youthful element in the party while down-playing the roles of the older members. (CONFIDENTIAL) u

The major development to come from the four-day convention was the establishment of a new organizational structure for the CPUSA. The Central Committee, comprised of approximately 50 members, will replace the National Committee and will be the party's most authoritative body. To run the day-to-day affairs of the CPUSA, the Central Committee will elect the Political Committee, to be made up of 7 to 9 members. Older and more experienced members will be relegated to positions on the National Council, which will have 100 members and meet semiannually to discuss party policies and operations. Four or five Regional Councils are to be established by the Central Committee to provide for local discussions of party matters; however, the resolutions of these councils will be advisory in nature and not binding on the Central Committee. Party policy has traveled full circle concerning membership credentials. In 1948, as a security measure, party membership cards were discontinued. Twenty-four years later, a new generation of the party has demanded their use be reinstituted. Prior to the convention, this matter had produced heated debate in the party, indicating a convention battle would center on this issue. Convention delegates were not given an opportunity to discuss this issue, because National Organizational Secretary Daniel Rubin flatly announced to the assembly that a decision had been made to begin issuing membership books and dues stamps. (CONFIDENTIAL) u

Reports presented at the convention boasted of the CPUSA's support of party member Angela Davis, now awaiting trial in California on murder and kidnaping charges, and the party faithful were urged to continue their protest efforts in behalf of Miss Davis. Party members were also praised for their continued work in the "peace movement" and were instructed to increase their involvement. (CONFIDENTIAL) u

The high point of the convention for Gus Hall was his re-election as General Secretary, by a unanimous vote. As with his idols in the Soviet Union, Hall ran unopposed. (UNCLASSIFIED)

PARTY DISCIPLINARY ACTION

Paul Novick, 80-year-old editor of the *Morning Freiheit*, a Yiddish language communist newspaper published in New York City, was not expelled from the CPUSA--as had been proposed--for failing to follow the party line concerning the Mideast situation and anti-Semitism in the Soviet Union (Volume I, Number 37). Instead, the CPUSA decided to avoid a possibly devastating internal fight over this issue and delayed acting on the ouster of the long-time communist. (CONFIDENTIAL) u

ADDITIONAL DEVELOPMENTS

During a convention press conference, Gus Hall strongly criticized President Nixon's trip to the People's Republic of China as an attempt to divide the socialist countries of the world. Related to this was National Chairman Henry Winston's statement relating to the President's trip: *Peace has to be found in the United States, not in China.* Not to be outdone on this general topic was James Jackson, Secretary of the International Affairs Commission, who, in a strange semantical twist, labeled Chinese Communist Party Chairman Mao Tse-tung as *anticommunist*. NEW LEFT DEVELOPMENTS

YOUTH ELECTION STRATEGY (YES)

British musician John Lennon, New Left activist Rennie Davis, and former Yippie leader Jerry Rubin are behind the recent formation of Youth Election Strategy (YES), which is to be the audio-visual arm of the Election Year Strategy Information Center (EYSIC) (Volume II, Number 3). YES plans to make arrangements for videotapes, films, and other forms of entertainment to raise funds for financing EYSIC's upcoming demonstration activities at the Republican National Convention in August. (CONFIDENTIAL) U
 NY airtel 2/17/72 re. "Youth Election Strategy."

NEW YORK NEW LEFT CONFERENCE PLANNED

A new bid is being made to bring elements of the shattered New Left under strong centralized leadership in order to revive the radical youth movement. Literature is now being distributed by a group known as the Red Balloon Collective announcing a conference will be held March 3-5 at the State University of New York in Stony Brook, New York, to form a *mass-based radical left organization which must be open to all levels and strategies to the left of electoral politics*. Appeals are being directed to various segments of the youthful subculture--communes, collectives, coffee houses, community switchboards--to gain a large and varied representation at the meetings. (UNCLASSIFIED) U

In its preliminary statements, the Red Balloon Collective has been strongly critical of the New American Movement (NAM), which is attempting to form a similar group (Volume II, Number 2). NAM is condemned for having *its roots in the revolutionary American Constitution rather than Marxism* and for offering *no program of action*. The type of action the collective has in mind can be inferred from the types of persons expressing interest in the proposed new group. For example, Stewart Albert, Jay Craven, Paul Pinsky, and Rennie Davis (all formerly associated with the violence-prone May Day Collective) have been in the forefront of those indicating a desire to affiliate with the organization. JOHN WINSTON LENNON

A section 212(d)(3)(A) waiver of section 212(a)(23) was authorized for John Lennon by the Central Office on August 1, 1971. This order was based on State's recommendation that Lennon be permitted to enter for six weeks in August 1971 to edit film and consult with business associates at ABKCO Industries, 17 Broadway, New York City and Capital Records in New York City in connection with record release in September 1971, and to attend custody hearing on wife's child by former marriage in St. Thomas, Virgin Islands on September 16, 1971.

Mr. Lennon was admitted as a temporary visitor (B-2) for this purpose at New York City on August 13, 1971 with stay authorized to September 24, 1971. His stay was subsequently extended to February 29, 1972.

On March 1, 1972 the District Director in New York City notified Lennon in writing that his stay had expired on February 29, 1972 and gave him until March 15, 1972 within which to depart voluntarily without the institution of deportation proceedings. Upon learning that he did not plan to depart, the District Director notified Lennon on March 6, 1972 that this privilege of voluntary departure was revoked. Thereafter an order to show cause was issued on March 7, 1972 with hearing scheduled for March 16, 1972.

During Lennon's stay the following H-1 petitions were approved on his behalf for the purposes indicated:

1. To appear on the Dick Cavett Show on September 8, 1971.
2. To appear on the David Frost Show during the period December 16 through 21, 1971.
3. To appear on the Mike Douglas Show during period January 14 through 31, 1972.

Attached is FBI Current Intelligence Analysis dated 2/25/72.

This issue highlights the Twentieth National Convention of the Communist Party, USA, which was held in Brooklyn, New York, 2/18-21/72. Two major party decisions came from the convention: the restructuring of the organization and the reinstitution of the use of party membership credentials. Party members were urged to continue supporting black militant [redacted] and were instructed to increase their participation in "peace" activities in the Nation. Criticism of President Nixon's trip to the People's Republic of China was voiced by party leaders. Reelected to head the party was Gus Hall, General Secretary. *9*

The recent formation of Youth Election Strategy (YES) is reported. This New Left-oriented group is being formed by British musician John Lennon, New Left activist [redacted] and former Yippie leader Jerry Rubin to raise funds for proposed demonstration activities at the Republican National Convention in San Diego during August. *9*

A planned New Left conference 3/3-5/72 is also set out. A group known as the Red Balloon Collective is attempting to form a strong national organization to bring together the fragmented elements of the New Left.

CONVENTION HIGHLIGHTS

The Twentieth National Convention of the CPUSA was held February 18-21 at The Towers Hotel in Brooklyn, New York, with 254 delegates and alternates in attendance (Volume II, Numbers 2 and 3). Observers from Canada, Cuba, Chile, and Puerto Rico were also present. As in the past, there was much preconvention publicity on the importance of this meeting for the establishment of new policies for the CPUSA and on the vital roles to be played by those attending. However, the delegates' primary function was to serve again as a rubber stamp for the party hierarchy, headed by Gus Hall, General Secretary. Hall, in a three-hour speech opening the convention, reported on party accomplishments and outlined organization plans, placing stress on a new restructuring of the party. Without actually spelling it out for those at the convention, Hall's proposals were designed to appeal to the youthful element in the party while down-playing the roles of the older members. (CONFIDENTIAL) ✓

The major development to come from the four-day convention was the establishment of a new organizational structure for the CPUSA. The Central Committee, comprised of approximately 50 members, will replace the National Committee and will be the party's most authoritative body. To run the day-to-day affairs of the CPUSA, the Central Committee will elect the Political Committee, to be made up of 7 to 9 members. Older and more experienced members will be relegated to positions on the National Council, which will have 100 members and meet semiannually to discuss party policies and operations. Four or five Regional Councils are to be established by the Central Committee to provide for local discussions of party matters; however, the resolutions of these councils will be advisory in nature and not binding on the Central Committee. ~~7~~ FBI Current Intelligence Analysis

Party policy has traveled full circle concerning membership credentials. In 1948, as a security measure, party membership cards were discontinued. Twenty-four years later, a new generation of the party has demanded their use be reinstituted. Prior to the convention, this matter had produced heated debate in the party, indicating a convention battle would center on this issue. Convention delegates were not given an opportunity to discuss this issue, because National Organizational Secretary Daniel Rubin flatly announced to the assembly that a decision had been made to begin issuing membership books and dues stamps. (CONFIDENTIAL) U

Reports presented at the convention boasted of the CPUSA's support of party member Angela Davis, now awaiting trial in California on murder and kidnaping charges, and the party faithful were urged to continue their protest efforts in behalf of Miss Davis. Party members were also praised for their continued work in the "peace movement" and were instructed to increase their involvement. (CONFIDENTIAL) U

The high point of the convention for Gus Hall was his re-election as General Secretary, by a unanimous vote. As with his idols in the Soviet Union, Hall ran unopposed. (UNCLASSIFIED)

PARTY DISCIPLINARY ACTION

Paul Novick, 80-year-old editor of the *Morning Freiheit*, a Yiddish language communist newspaper published in New York City, was *not* expelled from the CPUSA--as had been proposed--for failing to follow the party line concerning the Mideast situation and anti-Semitism in the Soviet Union (Volume I, Number 37). Instead, the CPUSA decided to avoid a possibly devastating internal fight over this issue and delayed acting on the ouster of the long-time communist. (CONFIDENTIAL) U

ADDITIONAL DEVELOPMENTS

During a convention press conference, Gus Hall strongly criticized President Nixon's trip to the People's Republic of China as an attempt to divide the socialist countries of the world. Related to this was National Chairman Henry Winston's statement relating to the President's trip: *Peace has to be found in the United States, not in China.* Not to be outdone on this general topic was James Jackson, Secretary of the International Affairs Commission, who, in a strange semantical twist, labeled Chinese Communist Party Chairman Mao Tse-tung as *anticommunist*. NEW LEFT DEVELOPMENTS

YOUTH ELECTION STRATEGY (YES)

British musician John Lennon, New Left activist Rennie Davis, and former Yippie leader Jerry Rubin are behind the recent formation of Youth Election Strategy (YES), which is to be the audio-visual arm of the Election Year Strategy Information Center (EYSIC) (Volume II, Number 3). YES plans to make arrangements for videotapes, films, and other forms of entertainment to raise funds for financing EYSIC's upcoming demonstration activities at the Republican National Convention in August. (CONFIDENTIAL) U

NEW YORK NEW LEFT CONFERENCE PLANNED

A new bid is being made to bring elements of the shattered New Left under strong centralized leadership in order to revive the radical youth movement. Literature is now being distributed by a group known as the Red Balloon Collective announcing a conference will be held March 3-5 at the State University of New York in Stony Brook, New York, to form a *mass-based radical left organization which must be open to all levels and strategies to the left of electoral politics*. Appeals are being directed to various segments of the youthful subculture--communes, collectives, coffee houses, community switchboards--to gain a large and varied representation at the meetings. (UNCLASSIFIED) U

In its preliminary statements, the Red Balloon Collective has been strongly critical of the New American Movement (NAM), which is attempting to form a similar group (Volume II, Number 2). NAM is condemned for having *its roots in the revolutionary American Constitution rather than Marxism* and for offering *no program of action*. The type of action the collective has in mind can be inferred from the types of persons expressing interest in the proposed new group. For example, Stewart Albert, Jay Craven, Paul Pinsky, and Rennie Davis (all formerly associated with the violence-prone May Day Collective) have been in the forefront of those indicating a desire to affiliate with the organization. IT IS THE LATEST ALBUM OF JOHN LENNON OF THE BEATLES AND
HIS LATEST FLAME YOKO ONE. THE COVER OF THE ALBUM WAS A
PHOTOGRAPH OF LENNON AND ONO COMPLETELY NUDE; AND BELIEVE
ME THEY DIDN'T HIDE A THING. IT IS NOW BEING SOLD TO OUR
YOUNG PEOPLE ON THE RECORD STANDS. MR. NELSON, IT IS
THE MOST DISCOLORED AND VULGAR DISPLAY OF GARBAGE I HAVE
EVER SEEN IN MY LIFE.

ISN'T THERE SOME WAY WE CAN GET THIS ALBUM OFF THE MARKET??
IT HAS TO BE SENT IN THE MAIL TO THE STORES WHICH IN TURN
SELL IT TO THE KIDS. IT DOES HAVE AN ENVELOPE OVER THE
PICTURE WHEN BOUGHT IN THE STORES, SO IT IS ALSO FRAUGULENT
ADVERTISING. MOST OF THE STORE MANAGERS DO NOT KNOW THIS
PICTURE IS ON THE COVER BECAUSE OF THE ENVELOPE. I AM AT
THIS TIME TRYING TO GET AHOLD OF ALL OF THE LOCAL MERCHANTS
CARRYING THIS ALBUM AND FILLING THEM IN ON WHAT IS REALLY
ON THIS ALBUM.

YOU ASK WHY THE YOUTH OF TODAY ARE LIKE THEY ARE....THIS IS
ONE OF THE PRIME REASONS. ANCHER, I SAY TO YOU, THIS HAS
TO STOP....AND I MEAN NOW!! PLEASE WRITE ME AS SOON AS YOU
RECEIVE THIS LETTER AND TELL ME WHAT WE CAN DO TO GET THIS
TRASH OFF OUR YOUTH MARKET.

[redacted]. [redacted] identified himself in his
letter as an employee of radio station KLOH which has
studios in Pipestone and Luverne, Minnesota. [redacted],
because of his employment, has observed the cover of a
phonographic album by John Lennon. This album, according
to [redacted], contains a nude photograph of Lennon and
Yoka One. [redacted] is concerned with the effect such
a photograph may have on the youth in this country and
requested to know what can be done to keep this photograph
out of the hands of the American public.

Mr. Mahony advised he is familiar with the
phonographic album by John Lennon, which cover contains
the nude photograph of Lennon and Yoka One. He advised
that the photograph does not meet the existing criteria
of obscenity from a legal standpoint and is not a viola-
tion of the Interstate Transportation of Obscene Matter

has included many bizarre events including the mail distribution of marijuana joints to all state legislators in Michigan along with State Administration Officers, including the Governor of Michigan, State Police Officers, etc.

[redacted], [redacted]
of the WPP, in personal papers claimed that prior to several years ago he had gotten several Michigan State Legislators on "pot" and other drugs. This claim to some extent has been corroborated by Detroit through a live informant.

b6
b7C

The above referred to "Free JOHN SINCLAIR" rallies which have been the principal activities of the WPP during the past year culminated in a large rally held at the University of Michigan field house, Ann Arbor, Michigan, 12/10/71 with speakers including a wide range of national and area New Left leaders such as RENNIE DAVIS, JERRY RUBIN, DAVE DELLINGER, WILLIAM KUNTZLER, BOBBY SEALE and Father JAMES GROPP, representatives of the National Student Association, the National Welfare Rights Organization and a variety of other groups. Various "rock" music groups and performers including former Beatle JOHN LENNON and his wife YOKO ONO appeared.

The substance of this rally with known costs of \$4,700 and an audience of 15,000 was the need to free JOHN SINCLAIR, to liberalize marijuana laws and to defeat President RICHARD NIXON in 1972.

Reference was made by one of the "Chicago Conspiracy" subjects above to the need to have JOHN SINCLAIR released so that he could arrange the rock groups for anti-administration demonstrations in 1972.

Another "Chicago Conspiracy" subject said to the effect "We will do to the GOP convention at San Diego what we did to the Democrats in 1968".

Specific rally results are being separately reported under the caption "FREEDOM RALLY, UNIVERSITY OF MICHIGAN, ANN ARBOR, MICHIGAN, 12/10/71, SPONSORED BY THE COMMITTEE TO FREE JOHN SINCLAIR, IS - NEW LEFT, WPP".

The committee sponsoring this rally was made up of several national figures such as DAVE DELLINGER, JANE FONDA and included a present and former Michigan State legislator.

JOHN SINCLAIR was released from prison on an appeal bond on order of the Michigan Supreme Court, 12/13/71. The Michigan Supreme Court announced that date they were acting in view of the passage of new Michigan State legislation regarding marijuana which liberalize the penalties for same.

In this connection the Michigan legislation passed legislation reducing marijuana possession penalty from 10 years to a misdemeanor with possible sentence ranging from 90 days to one year depending on circumstances.

As the Bureau is aware [redacted]

[redacted] a white revolutionary organization which has advocated violence to achieve revolutionary ends.

Information copies are furnished Indianapolis in view of the present incarceration of subject [redacted] in that division. Predictably with the [redacted] WPP, emphasis will commence regarding defense interests for [redacted] who is [redacted] still incarcerated.

On 3/31/72, Alexandria source mentioned in referenced letter who has furnished reliable information in the past concerning the WPP and who has been characterized by the Detroit Office on the basis of information furnished as "a competent observer and an efficient interviewer who obtained very factual and significant information" advised as follows:

b6
b7C
b7D

On []/72, [] told [] that he had been recently contacted by one [] who is allegedly a [] and who allegedly had some connection with the People's Coalition for Peace and Justice (PCPJ) in 1968, and who was said to have taken part in planning Youth International Party (YIP) demonstrations at the Democratic National Convention in Chicago.

b6
b7C
b7D

[] told [] that [] related to him that he had been in contact in the recent past with individuals who were planning disruptive activities directed towards the Republican National Convention in San Diego, California, in August, 1972.

[] stated that there would be no organized effort to disrupt the Democratic National Convention scheduled for Miami, Florida, in July, 1972, by this group as the Democrats are currently destroying themselves and will need no assistance from anyone to disrupt their own convention. However, "there will be a lot of trouble at the Republic National Convention in San Diego" and plans are currently being discussed but not implemented as how to best achieve this disruption. One of the primary reasons according to [] as to why no active efforts have been made to implement these plans is a lack of funds at the present time. This group consists, according to [], of people who were formerly affiliated with the PCPJ and YIP, and who have some funds left over from prior campaigns of these organizations.

b6
b7C

AX 100-506

[] told [] that many former leaders of the PCPJ and YIP have been discredited in the eyes of "rank and file" activists of these organizations as they feel that former leaders such as JERRY RUBIN have "become self-made superstars" and are only interested in obtaining fame and publicity for themselves rather than in the past stated goals of YIP and other related groups. b6 b7C

Leadership of PCPJ and YIP, according to [], is currently fragmented and the task of "picking up the pieces" and putting together an effective organization has been assumed by [] and a former member of the Beatles singing group, JOHN LENNON. LENNON and [] are said to be working together and devised the following plan to obtain funds to finance activities against the Republican Convention: b6 b7C

A series of "rock concerts" featuring big-name established stars in the musical field as headliners and backed up with lesser known individuals and groups will be put on throughout the country. LENNON is said to have the know-how and the connections to achieve the above. These performances will provide the main source of funds needed by LENNON and [] to carry out the disruptive tactics in San Diego. b6 b7C

The first such concert, according to [], is to be held in the Chrysler Arena, Ann Arbor, Michigan, in the near future. This will be, according to [], "the opening gun of the campaign." b6 b7C b7D

[] again advised that [] remind him that he desired no direct contact with the Federal Bureau of Investigation but would furnish information only to him. Additionally, for the information of the Bureau, [] still desires [] (Bureau refer to Alexandria airtel to Director, 3/10/72.) b6 b7C b7D

Re: White Panther Party, also known as
Rainbow Peoples Party

Sources referred to herein have furnished reliable
information in the past.

Set forth below is miscellaneous information
developed regarding the White Panther Party (WPP), also
known as the Rainbow Peoples Party (RPP) concerning miscellaneous
activities and personnel of this organization during the
period 1971 - 1972.

The WPP is a national white, hippie-oriented
revolutionary organization which was founded
essentially to afford support to the Black
Panther Party (BPP). It has advocated the
published ten-point program of its own, all
of which call for the unbridled personal freedom
of the individual.

The BPP is a black extremist organization
started in Oakland, California, in December,
1966. It advocates the use of guns and
guerrilla tactics to bring about the over-
throw of the United States Government.

Summary Statement

The WPP which now publicly refers to itself as
the RPP, however, whose leadership among themselves continue
to refer to themselves as "White Panthers", during 1971,
started the end of a history of advocacy of violent action,
reckless alliances with revolutionary groups and individuals
throughout the country, and concerted effort to formalize
a national organization under the banner of the WPP.

Re: White Panther Party, also known as
Rainbow Peoples Party

During 1971 it successfully transformed itself to the RPP as a local, unaffiliated organization, dedicated to "community organizations", retrenchment and retrospective activity with limited, calculated activity, principally dedicated to its own welfare.

It claimed success in achieving notable support in the community on a wide variety of fronts, including local political action in the change of State Laws on marijuana and related matters, and most significant on achieving the release from prison of its Chairman, John Sinclair.

The guiding reference in its activity was furnished by [redacted] early in 1971, [redacted] [redacted] ran to the effect that revolution today in the United States is impossible and that committed revolutionaries must emulate Chairman [redacted] "Long March" to recognize that much effort and time is required to achieve success.

B. Location

The headquarters location for the WPP continues to be maintained at 1520 Hill Street, Ann Arbor. WPP formerly operated from this base from two adjacent mansions and a carriage house. Their base was retrenched to one of the residences when John Sinclair was in prison several years ago. Currently the WPP is negotiating for the purchase of all three of the properties mentioned and presently has some of its personnel located in the carriage house adjacent to 1520 Hill Street, and some personnel in the residence at 1510 Hill Street.

C. Publication

The current publication of the WPP is known as the Ann Arbor Sun which is presently disseminated at Ann Arbor as the Community News Service of the RPP. It reports to be a local publication only and its content is principally local in nature, serving somewhat as a "house organ" for the WPP. Its printing run is on the order of 4,000 copies. It aims at a twice a month publication schedule, which is generally met.

The former national publication of the WPP, "The Sun/Dance" was abandoned by the WPP during early 1971. The source stated that "The Sun/Dance" has reappeared recently and is being published currently by several former members of the WPP, Ann Arbor, including [redacted] [redacted], and [redacted]. The source advised this publication is currently published on the West Coast and is run off by an organization known as the "Running Dog Type Setters" located somewhere in the Bay Area of San Francisco. Source advised that the new "Sun/Dance" has no relationship with the WPP in Ann Arbor and is independently produced by personnel formerly associated with WPP leadership. *WICH.*

D. Finances

The financial fortunes of the WPP which have been tight within the past several years became dramatically improved December, 1971, with the release of John Sinclair from prison. A large and very successful "John Sinclair Benefit" held in the field house on the campus of the University of Michigan (UM), Ann Arbor, December, 1971, grossed something on the order of \$45,000.00. With John Sinclair's release from prison, shortly thereafter, he has received a constant high volume of speaking engagement requests throughout the country, many of which he has accepted, and most of which include a healthy stepeid.

As a consequence of the approved financial standing of the party through benefits, speaking engagements, and concerts, WPP Chairman has offered \$130,000.00 in an attempt to purchase the property presently leased by the WPP as its headquarters.

E. Aims and Purposes

A source advised that the WPP in its initiation and in the first two years of its existence, currently and

and openly advocated revolutionaries in the United States, completely supported efforts of the BPP and its leadership in their endeavors and consistently advocated the efforts of "Third World" forces. Its leadership in their writings and speeches openly advocated finances to achieve revolutionary ends.

This organization with its renaming into the RPP and after a year's effort to change its image, has engaged in a significant retrenchment. It exists presently only as a local organization concerned with "Community Organization" and with attempting an impact on the so-called "Youth Culture".

It is presently deeply engaged in local political activities, with some degree of success and with the release of its chairman late in 1971, it has worked in a concerted fashion on two programs: Prison Refore, and Legalization of Marijuana.

Whereas this organization philosophically was earlier oriented by Fidel Castro and BPP leadership and as its "heroes", its principle hero today is "Chairman ☐".

II. WPP Claimed Accomplishments

The WPP, Ann Arbor, continues to refer to itself as the RPP publicly, and have gained much broader public acceptance and effectiveness as a result of the name and "image" change. While maintaining the "Rainbow Peoples" stance publicly, they continue among themselves to refer to themselves as "White Panthers".

John Sinclair, Chairman, WPP, was the one responsible for the name and "Image" change. While still in prison he demanded the name RPP and the change in public stature.

~~CONFIDENTIAL~~

Re: White Panther Party, also known as

His directions to "soften" the image and the rhetoric lost the WPP some of it's more militant personnel and supporters. Similarly, his demand that the WPP drop the weight of carrying or attempting to carry a national organization, lost the WPP many area supporters in other established chapters and with related groups throughout the country.

With John Sinclair's release from prison, December, 1971, he and his associates are reviewing the effectiveness of these moves, and are complimenting themselves on an excellent and effective strategy. Items for which this change is given credit, include the following:

1. Concerted Effort: The disengagement permitted most of the energies of WPP to be focused for almost a full years period of time on the imprisonment of John Sinclair, and the alleged injustice of his confinement for "two joints of Marijuana".

This concentrated focus resulted in:

- a. Wide support through propaganda for liberalization of Marijuana laws in Michigan.
- b. Gathered supporters to the WPP cause from among ranks of news media personnel, as well as from several State legislators.
- c. Resulted in a dramatic change in Michigan narcotics legislation during 1971, for which WPP claims credit.
- d. Demonstrated the pressure effectiveness of the WPP program.
- e. Through the Marijuana issue, gave the WPP wide ranging and free public exposure.
- f. Impacted the "youth culture" with a demonstration of the "rightness" of WPP advocacy of frontal legal assault to achieve their ends.

~~CONFIDENTIAL~~
~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Re: White Panther Party, also known as
Rainbow Peoples Party ~~CONFIDENTIAL~~

- g. Achieved the release of John Sinclair from Prison.
- h. Called attention to the need for reform in prison and corrections affairs.
- i. Made John Sinclair into an area "folk hero" to the "youth culture".
- j. Brought in an unprecedented volume of requests for Sinclair and WPP personnel to appear at "youth culture" events, concerts, etc.
- k. Brought financial support from throughout the country to the Sinclair defense funds, and more recently through speaking engagements, etc.
- l. Brought support of national "Revolutionary" leaders to John Sinclair's cause, and, indirectly, to that of the WPP.

2. Community Action: The WPP disengagement from national affairs, permitted the concentration of local and area concerns, all of which have "blossomed" into viable, effective action programs:

a. The Ozone House: The increasing number of "run-aways" who sought refuge at WPP commune, Ann Arbor, and the number of traveling "crashers" needing lodging there, something over a year ago, dictated the establishment of a stable, visible "crash-pad". [redacted], assisted by Ann Arbor, Mich. [redacted] and WPP supporter [redacted], set up the Ozone House in downtown Ann Arbor. They established it as a living experiment of the "Ann Arbor Tribal Council" (AATC).

b6
b7C

They acquired a large, old, home for lease, and obtained contributions from city service clubs, and ultimately obtained a \$7,000.00 annual commitment from the City of Ann Arbor to subsidize the operation.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Re: White Panther Party, also known as

~~CONFIDENTIAL~~

The term AATC is used by the WPP whenever it wishes broad community support for an undertaking in which they either wish to avoid responsibility, or in which they feel the WPP will repel supporters.

The Ozone House operation was during 1971 a tremendous success, and after half of the year, it was apparent that the space would have to be doubled. Its existence aided the WPP Headquarters inasmuch as it cleared much of the transient traffic from that location. It enabled that commune to exert much better internal security.

b. The Drug-Help Program: [redacted]

[redacted], and others of the WPP leadership helped launch this program, again under the nominal auspices of the AATC. It vigorously and publicly opposed hard drugs, specifically heroin, while demanding and obtaining wide community support, financially and otherwise, for this Drug-Help program. Many organizations, including completely legitimate groups joined the AATC in this effort, which at the close of 1971 was an acknowledged success.

b6
b7C

c. The Free People's Health Clinic: [redacted]

[redacted], and others of the WPP leadership assisted the success of this venture, which was started by an Ann Arbor Physician, known as the "Street People's Doctor". He is regarded as a radical by such persons, and previously, when engaged in private practice, he gave free treatment to WPP and "Street People" types.

b6
b7C

He disbanded his practice and set up a Free Clinic. Numerous medical and quasi-medical personnel donated time and services to assist him in a thriving and free medical practice. Medical Students and some doctors from the UM faculty joined with their services on a part-time basis.

d. The Food Coop: This operation, started by [redacted] of the WPP leadership, and carried originally solely by the WPP to service itself and area related communes, has mushroomed into a community wide food cooperative. It is presently promoted as a "Tribal Council" program. Participants take trucks into Detroit to the wholesale food and produce markets, where they buy wholesale in large lots. They deliver and sell at cost to participating Ann Arbor communes and groups.

b6
b7C

e. "The Ann Arbor Sun": This publication has developed as the "Street Peoples" community news service from Ann Arbor. It was initiated by the WPP as the RPP, and is handled by [redacted] and [redacted], of the WPP leadership. They are assisted by a variety of WPP personnel, and "Street People" assistance. It confines its interest to area affairs and does not purport to compete with regular area or nationally circulated underground publications.

b6
b7C

f. The Rock Concert Program: WPP originated and sold the city of Ann Arbor on a summer program of Rock Concerts in city parks, as part of a "cool summer" project. They have obtained city and UM support in use of city and UM campus areas to stage weekly concerts throughout the summer months. These have been tremendous successes for the past several summers. Noteworthy during summer, 1971, was the fact that the concerts were light on "revolutionary rhetoric" and were promoted under a broad base support, rather than solely WPP or RPP support, ie, "Tribal Council", and Community groups. This project is principally handled by [redacted] of WPP leadership and his "UP" Band.

b6
b7C

g. The Community School: This is the newest of the community projects, and has not been in existence for sufficient time to evaluate its effectiveness. [redacted], and others at WPP Commune envisioned it originally as a "Baby sitting" service, to free families with small children for employment, or other interests. It was conceived as a "Pre-School" type of Kindergarten, with hopes of obtaining accreditation for Kindergarten, and primary grades. It was fashioned after an earlier "Ann Arbor Community School", operated at Ann Arbor in years past by Students For a Democratic Society (SDS) at the UM. Children of radical

b6

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

professors and professional personnel at Ann Arbor supported that venture, and it was hoped to capture that same constituency.

The Community School has obtained space at the Unitarian Church, Ann Arbor, and is now little more than a pilot program. (Characterization of SDS attached hereto).

h. Community Center: The success of all of these separate ventures, almost all operated as so called "community services" for the "Tribal Council", have drawn widening community support from area civic and church groups and from the City of Ann Arbor. This support in November enabled the AATC to secure a former large two story Automobile Agency building, which is being developed into the Community Center.

All of the above services or programs, previously operated under separate group names, are now in the process of being moved into this one new location, the Fisher Cadillac Building, located near the campus of the UM. The only exception is the Community School.

Community collection drives and financial contributions from sources noted above permitted acquisition and furnishing of this building. The building is owned by the City of Ann Arbor, purchased as a prospective spot for a future city parking structure. Until it is required for construction, the AATC will operate same on a rental basis from the City of Ann Arbor. *MCH*

ORGANIZATION
Another development in community organizing, not an action project as such, but a highly successful activity in which the WPP assisted in formation, is the ~~Radical Independent Party~~ (RIP).

RIP was initiated several years ago by [] of the WPP, and others from the AATC and area radicals, as an attempt to develop an alternative political vehicle.

b6
b7C

~~CONFIDENTIAL~~
~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Re: White Panther Party, also known as

~~CONFIDENTIAL~~

RIP and the WPP strongly supported candidates for local office in past several years, with the WPP claiming credit for assisting in the election of the present Mayor of Ann Arbor, as well as for the election of at least one member of the Ann Arbor City Council in the past.

RIP, now a completely independent political organization exists as a coalition of WPP, AATC, and UM campus radicals. It proposes to run candidates for most local offices at Ann Arbor, and recently obtained support of the city in its attempt at legitimizing itself for early 1972 elections. It similarly recently formed a coalition with area groups elsewhere in Michigan to form a state-wide party known as the Human Rights/Radical Independent Party".

Through this wide variety of community projects, all effective, and well supported, the WPP, mainly through the AATC has been able to maintain steady and effective pressure on city authorities for the necessary city authorizations and support for their projects. The AATC has developed into a group with considerable political "clout", and is consulted with by city officials on a wide variety of matters.

For reasons cited above, John Sinclair and members of the Central Committee of WPP are at this time expressing satisfaction with the results of their change in strategy, and with their "Tribal Council" approach.

This period since release of Sinclair from prison is a time for celebration and self-satisfaction. No new programs are planned for launching. The leadership is most pleased with 1971 accomplishments and show no inclination to resume their previously more militant and aggressive stance.

benefit for John Sinclair then incarcerated in the Michigan Prison at Jackson, Michigan, on a State Narcotic Charge. Complete action of the WPP leadership was directed toward arranging this rally during November and December, 1971. The rally's purpose was to promote the release of the WPP Chairman, John Sinclair, from prison and to promote a pending state charge in legislation regarding narcotics.

Jerry Rubin was of a great assistance in promoting cooperation from national movement figures in this rally and was instrumental in getting a commitment from John Lennon formerly of the "Beetles", and his wife, Yoko Ono to attend and participate. *11/16/11*

Additionally, all members of the "Chicago Conspiracy", except the two minor subjects and [redacted], were committed to participate. [redacted], [redacted], and Bobbie Seale were early commitments. William Kuntsler was [redacted] but taped a speech which was played at the rally.

b6
b7c

With the commitment of John Lennon, many groups of performers who volunteered to participate, had to be turned away.

The rally developed as undoubtedly one of the national organizations successes of business affairs for the movement in recent years. It was unquestionably the most successful business event of the WPP's history. Attendance was capacity at some 16,000 persons. Gate receipts totaled in excess of \$45,000.00. All participants donated their talent and time, and only some were paid for travel expenses.

In December, 1971, the Michigan State Legislature modified State Law on narcotics which action resulted in the release of John Sinclair from Michigan Prison at that time.

coalition of radicals including the WPP who worked at political effort to secure election to local offices at Ann Arbor. b6

The RIP organization, late in 1971, in preparation for 1972 elections merged with a newly formed state-wide organization known as the Human Rights Party of Michigan which in late 1971 was granted legal status as a state-wide political party in Michigan.

On April 3, 1972, local city elections were held at Ann Arbor and two RIP or HRP candidates won election to two of the five available City Council positions. [] of the WPP who was a candidate for that position was unsuccessful, however, she obtained some 1,500 votes in a contest whose victor gained 3,000 votes.

b6
b7c

The WPP expended considerable effort in the RIP or HRP held at Ann Arbor for this election with personnel participation by most WPP leadership including its chairman in business election hearing events.

Immediately following the election of the two successful candidates the RIP at Ann Arbor announced its prime objectives to include:

Dismissal of the Ann Arbor Police Chief, change in involvement of local narcotic violations, and establishment of control of the police department.

AN OPEN FORUM FOR THE PEOPLE'S PARTY

A TIME OF TRIAL FOR THE PEOPLE'S PARTY

By Lowell Young

"My candidacy is the only way to avoid a fourth party on the left in 1972." — George McGovern

The George McGovern candidacy for the Democratic nomination for President has been transformed from an invisible campaign supported by only a faithful few into a lavishly financed campaign of a front-runner. From the beginning, McGovern's campaign has been an attempt to co-opt a fourth party on the left by adopting the left's issues and rhetoric as his own. His initial strong stands in opposition to the war and in favor of amnesty for all draft evaders and exiles, legalization of marijuana, abortion on demand, and the shifting of the burden of taxation from the poor and the working class onto the shoulders of the super-rich and the corporations were all designed to rally all possible fourth party constituents to his cause. And, for the moment, he has partially succeeded.

Recently, ~~Abbie Hoffman~~, ~~Jerry Rubin~~, ~~John Sinclair~~, ~~Genie Plamondon~~, and the entire Rainbow People's Party of Michigan have come out in support of George McGovern's candidacy. Abbie Hoffman and Jerry Rubin founded the Youth International Party (YIP) in early 1967. Their perfection of the use of guerrilla theater was designed to gain media attention in order to try to educate the American people about the hypocrisy of the present system.

To strengthen their organization and broaden their base of support, they united YIP with the Michigan based White Panther Party. The White Panther Party was founded by John Sinclair and "Pun" Plamondon with the intention of it becoming

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

the white counterpart of the Black Panther Party. But, that never came to be due to the different forms of oppression the different constituencies of the Black and White Panther Parties are subjected to. Black people are oppressed racially and materially; so the ten-point program of the Black Panther Party related to those forms of political oppression by making political demands for "land, bread, housing, clothing, education, justice, and peace." The white people Sinclair and Plamondon were attempting to organize were primarily culture-oriented; so the ten-point program of the White Panther Party related primarily to their cultural oppression by demanding an open society where free dope, free sex, and free rock music abounded. (They did make political references as well, the principle ones being the right of armed self-defense and complete support for the ten-point program of the Black Panther Party.)

While their followers were primarily culturally oriented, Sinclair and Plamondon were themselves very political. They were thought to believe that the perverted system of values in this country was a direct outgrowth of the undemocratic political system and the competitive economic system. By primarily relating to their followers' cultural oppression now, they supposedly hoped to educate them to the system's role in that oppression later. They were therefore viewed as very dangerous by the power structure and were moved against. Plamondon was framed on a charge of attempting to blow-up a Federal Building in Ann Arbor and is still in jail today. Sinclair was given a ten year jail sentence for possessing two joints and wasn't released until early this Spring.

The Rainbow People's Party was founded by Sinclair as the successor to the White Panther Party. It concentrated its efforts on local community organizing in the Ann Arbor area and linked-up with the state-wide Human Rights Party. Five Rainbow candidates, including "Pun" Plamondon's wife Genie, ran for Ann Arbor city council seats in April under the Human Rights Party banner. Part of the agreement between the two parties was that neither would support any Democratic candidates. But, two weeks after two of their candidates got elected, Sinclair, Genie Plamondon, and the rest of the Rainbow Party broke the agreement and announced their support for George McGovern.

~~CONFIDENTIAL~~

12

~~CONFIDENTIAL~~

But they are not alone. Such "radical" entertainers as Joan Baez and John Lennon have also come out in support of McGovern. Also, Gore Vidal, Secretary of State in the People's Party Shadow Cabinet, and an individual with the means to provide the party with much needed economic assistance, never came across with a cent and at the May 4th Moratorium rally in New York City announced his support for George McGovern.

The defections by potential members and, worse yet, by people within the party itself, makes this a period of extreme darkness for the People's Party. But, that proverbial light at the end of the tunnel is coming into view; and the reason is George McGovern himself.

As his chances of getting the nomination have become better, McGovern has found it necessary to broaden his base of support by moving to the right. He is making an attempt to win over the reactionary labor leaders currently in the Humphrey camp. He is talking more about the economic issues relevant to George Wallace's alienated constituency than about the political or cultural issues relevant to his own alienated constituency.

George McGovern has a history of backing off on strong stands he might initially take. He initially agreed to introduce a bill on the floor of the Senate calling for Statehood for the Colony of Columbia, but at the last moment changed his mind, much to the embarrassment and anger of Julius Hobson and the D.C. Statehood Party. He initially agreed to run a slate of delegates in Chicago as a challenge to Mayor Daley in the Illinois Primary, but, after a twenty minute talk in the Mayor's office, agreed not to challenge Daley, much to the chagrin of his Chicago supporters. During the recent Nebraska primary, McGovern was accused of harboring "radical" views regarding the issues of marijuana, amnesty, and abortion. He immediately changed his previously stated positions. Now, he is opposed to the legalization of marijuana, says that abortion is a matter for the states to deal with, and that all draft evading cases should be dealt with on an individual basis.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

"Radicals" who support George McGovern do not have a clear understanding of the true nature of this society and the ruling system responsible for the current oppressive conditions. We in the People's Party have a general understanding of the problem, but by no means do we possess a specific or a clearly thought out understanding to the point that we can serve as that force which will educate and awaken the unconscious and mislead (by McGovern on down) masses of the American people.

In order to develop that specific and clearly thought out understanding, we must turn our energies inward - i.e., concentrate on educating those of us already committed to building the People's Party so that we can begin to make crystal clear the differences between what we must advocate and the "New Populism" of George McGovern and the left-wing of the Democratic Party. They advocate reforming the present capitalist system; we must advocate replacing the present capitalist system with Socialism. But, in order to talk about Socialism to others, we must first have a complete understanding of Socialism ourselves.

Our attempts at recruitment should center upon those groups and individuals politically educated enough to contribute to this period of internal development. This doesn't mean that we should be closed to those who through their own bitter experience decide that they should join the party. In the immediate future, as McGovern's move to the right - and thus his duplicity - becomes more blatant, the People's Party can expect an influx of McGovern's more radical supporters, including; hopefully, all those mentioned above. The doors should and will be open to them.

The further one looks into the future the brighter that light at the end of the darkness becomes. If McGovern gets the nomination, wins the election, and then proceeds to carry on Johnson's and Nixon's policies (since he can't do any different because of the nature of the system); then for many millions of the American people that will be it. They will be through with the Democratic Party and the capitalist system, and they will turn to the only mass-based, independent political party calling for Socialism: the People's Party!

On page 2 of 5/26 - 6/9/72 issue of the "Ann Arbor Sun," published by the Rainbow People's Party (RPP), 1520 Hill Street, Ann Arbor, there is set forth the identities of the editorial committee and staff of this publication. Although White Panther Party (WPP) adopted the name RPP in 1971, to reportedly soften the previous revolutionary image of the organization, nevertheless, with the recent release from prison of the two top leaders in WPP, John Sinclair and Lawrence Diamondson, the potential for return to revolutionary tactics on the part of WPP membership remains strong.

The "Sun" editorial committee consists of Mike Brady, John Collins, Ann Hoover, Kathy Kelley, Mike Minnich, Linda Ross and Walden Simper.

DECEMBER, 19-1977

MR. & MRS. JOHN LENNON

You didn't pay any attention to our threat, you didn't follow any word of our letter. In this case our promise, was we step out and break up our deal until some day.

But before we do, we have to clear up a few things that we have in suspicious or confuse.

On the date of december, 8 one day before the package was suppose to be let with the clerk, your building was under our supervision with seven training man's specialize in recognize police agents.

On Dec. 9 our man's call our headquarters, and they said we are 90 per one hundred sure that at least two police agents went inside of the building, and so very late on that day they come out.

In our figure, as the package was suppose be let there at 2 P.M. probably there was an ambush waiting for us. We are all in confuse about it, we don't believe that you will be that stupid, but in your situation, we dont believe nor even our mother's.

Our troop is number of two hundred and fifty seven man's. Suppose because of you, we loss two or three man's in a shoot out with police, figure for you self how many is left be looking for you and then after how many policemen will remain with you (none)

Right Know we are going to put an strit investigation on, to find out if there was an ambush, or if you are dealing with police or if any body know about our threat. We know how to find out we have the plan made up that we will make some body talk, and let us know whatever they know.

On Dec. 9 it was the day that we plan to pickup the package. At 11 P.M. your building was surround by 23 armed man's of our troop, it just for in case of any ambush. At 12,15 A.M. we call Dakota Office, and we ask if there was a package for Mr. Reviera, from Mr. Lennon. The clerk said no, we have no package, but we have a letter for you. We order him to return the letter back to Mr. Lenn. At 12,30 A. M. we call your Apt. and we spoke to [redacted] for about two minutes, she try to sell us a story, but we are grownup people and we didn't buy it. Is you know and we know, every building like yours, all clerks they hold lots of packages to be delivery to tenants or to be pickup by people, the clerks they never Know what is inside of the package, unless you tell them. One thing we are sure, you and [redacted] are coverup something, but we will find out the true.

Our negotiation are close until Jan. 15 * 1978. We will have a meeting on Jan. 16 at 6 P.M. in reference to your case, we will let you Know the results of this meeting. In the meantime we like to remind you, if you are dealing with police, you better think twice because you may turn us very madly.

This is Christmas time, do your normal life, dont be afraid is no body outside looking for you, on this you can have our trust.

THANK YOU

Specimens received December 5, 1977, under cover of communication dated December 2, 1977 (71206187 D MS):

- Q1 Envelope postmarked "JAMAICA, NY 114 NOV 29 PM 1977," bearing the typewritten address "MR. JOHN LENNON I WEST 72nd STREET NEW YORK, N.Y. 10023"
- Q2 First page of accompanying three-page typewritten letter dated 11/29/77, beginning "MR & MRS. JOHN LENNON This letter is not a joking..."
- Q3 Second page of three-page typewritten letter beginning "Remember the people who is..."
- Q4 Third page of three-page typewritten letter beginning "Here is some meaning reference's..."

ALSO SUBMITTED:

Blank sheet of paper

Specimens received December 22, 1977, under cover of communication dated December 20, 1977 (71227019 D MS):

- Q5 Envelope postmarked "New York-----G.P.O. (i.m.) 1977 Dec 18 PM" bearing typewritten address "Mr. & Mrs. John Lennon 1 West 72nd Street, New York, N.Y. 10023"
- Q6 Accompanying one-page typewritten letter dated 12/19/77, beginning "Mr. & Mrs. John Lennon You didn't pay attention..."

ALSO SUBMITTED:

Blank sheet of paper

Result of examination:

Q1 through Q6 were compared with specimens in the Anonymous Letter File, but no identification was effected. Representative photographs will be added to the file for future reference.

The typewriting on Q1 through Q6 is a style of type used on Olympia typewriters which are manufactured in West Germany. Although the typewriting on Q1 through Q6 lacks sufficient identifiable characteristics to permit a definite determination whether the same typewriter was used to prepare all those specimens, a limited number of characteristics in common were noted.

It was determined that the typewriting on Q1 through Q6 was not prepared by the use of any of the typewriters used to prepare typewritten communiques previously submitted to the Laboratory in the various FALN bombing matters.

The examinations of the submitted envelopes and sheets of paper failed to reveal any watermarks, indented writings of significance, or other significant features which might be of assistance in determining the immediate source of those items.

Q1 through Q6 were photographed. The submitted specimens will be returned to New York with the results of the requested latent fingerprint examinations.

A black and white photograph of a white envelope, oriented vertically but tilted slightly to the right. The envelope is plain white with a visible seam along the top edge where it is folded. In the upper right quadrant of the envelope, there is a circular postmark. The postmark contains the text "NEW YORK, NY" around the top inner edge, "JAN 1971" in the center, and "9 PM" around the bottom inner edge. The envelope is placed on a dark, textured surface, possibly a table or desk, which is visible around the edges of the envelope.

Mr. Lennon, we don't care more or less to know the completely story of what happen on that day. We only like to know is this; there was or wasn't an ambush for us. So Mr. Jhon, this is unbelievable you a young and rich man with a great future ahead, and for IOOG that it not make you much rich or poor, you jeopardize your family and you self. Mr. Lennon we know you are all confused, we know your answer; your answer is this, why I have to give IOOG to this sonofabitch, when I ever don't know who they are, why me etc etc. Our answer is this, we know all about of what is fair and what is unfair, we know that you are not a bad. But we are in underworld operation, we are out of law and we select you know more than never for the big deal, if you do not agree with our reasonable demand. We like to tell you, that we had in mind two more people for ransom in the same building of the Dakota, but because of you we call it off... So far you are the first one who try a trap for us. Mr. Jhon, what happen to you if we wasn't in good operation, and one or two of our man fall into police ambush, how you get out of it. You dont know yet how far a man can go, and how fast a man can die. Mr. Jhon, any one of our man in duty, they are arm with machine gun's, grenad's etc etc. But we dont struggle with police because it don't bring profit to us, we are very very careful to stay away when police is on. We only use our arm in case we be into an ambush, So far we are holding. nothing from you. but second our plan, some day you will wish no police involve because you will know what happen. In the first letter we send to you, we mention very clear that we try it slowly, without kidnap, no big ransom, without blood or distress. our english written is poor, but we think is good enough for you understand. Know lets talk about of our meting. We was suppose to breakup our deal, and put it in silence until someday our revenge be sound exactly we promised. But some objection's of pity from some of our member's, they bring up some of your life story, that you one time you was poor. And honest you become famous and very rich from it. We all agree try to deal for second time, also reduce the ransom from IOOG to 60G. If you agree with our new demand we like to have it in follow way... 30G in bill's of one hundred's and 30G in fift's. Put it in a strong package, and then replace the package inside of an shoppingbag, and write on - To be pickup by Bloomingdale's store, send it down to the Dakota basement - to be put in the package room. We find out the Dakota have the package room down in the basement. It most be there on wednesday, January 25, and it most remain there in the period of seven day's and 24 hour's a day. On Feb. 2 if it remain there, it can be return to you and we let you know why. No indemnification or signature should not be ask for the pickup, and don't worry about the package it will come to us, after that we will let you know when we have it, and then you and your family can go free we will not disturb you again. But if you do not agree with our reasonable demand, it is so simply is this; Don't send nothing down, and again do what ever you have in mind. If you have any doubt about us, you will meet us some day in ski mask, and it probably will cost you one to 1 1/2 million dollars cash or the lost of you or some one you love. We believe you know how to drive a car, but if [redacted] don't know we advice her to start taking her license because she maybe need to drive 200 mills, and at this time we don't want to see any police movement, if we see it you or [redacted] will never meet the end of the road, after that we do what we have to do and then we go back home. We hop you understand us at this time.

THANK YOU

T. F. P. R. I. M.

MR. JOHN LENNON

Here is the result of our meting and the termination of your case. Also the result of our investigation in police ambush waiting for us.

But before that, we like to explain something more about us. We are a troop with 257 mans, and 97 per cent oh our mans they are worker's for many diferent trade. The five million that we need, is for to be invest for our security and the interest from it, is for to be use in pay off, to get informations and to be use in any expense that we always have in our movement. Per example, our operation on you, it cost almost nine thousand dollar's, we can't explain how because it is part of our security. If you think we are play it stupid, you are wrong. We know we are sonofvabish, or anything the worst you like to say. But we are Terrorist's fighting for what we believe to be better tomorrow. But to fight it, we need money and to get money, we most steal it, and to steal it, it may bring a conflict blood & death. But we try the most carefully to prevent it, and we try to do it in the better way. One week before Christmas, we collect IIO thousand, from a man across the street where you live Majestic building, we ask him for IOOG ransom but he send a package with IIOG, and one simple letter with this word's? (We are sad of this demand, money is not important to mim I only have one life to live, my family is the most important thing I have, but in the same hand we are glad that you mention it before you do it. I'm send up IOG more for please stay away from my family. The money I'm sending, is not exactly in order is you demand but you can use it without fear, you can have my trust worthy nor even my wife knows about this threat. atc. atc.)

Not long ago, we threat one very rich man for IOOG. He send to us the package and when we open it, it was fill with pieces of news paper's and one letter with this word's. (Don't make me laugh because I dont like comical, if you need money you better find a job and work for it. seven day's late we call him up after we send second letter. he's wife a nswer the call and she said? I know all about and I'm very glad you call, I'm sorry what happen but my husband is taking it is a joke, plus he is a very sick man he suffer from heart condition. I don't want nothing happen to my grand child or to my family, I will give you the money but please give me time to prepare it, please call me up again in one month or so.) We have other man ransom for the same amount, and when we recive the package there was only 30G and a letter with this words. (This is all cash I have, I have about 500G more but it is in stocks, and my family they are living with the interest of it. New York City is fill up with so many millionnaires and why me etc etc.) We put an investigation on it, and we find out that man tell us the true. we send back the 30G to him, with our apology because we misstook him as rich man. we dont want money from the poor or middle class people.

Know let's get the point of our investigation.

All we get was this; On that time, was some police action on the Dakota Office, it was something in connection with John Lennon, something about a threat and kidnap. There was a police woman on the front, and on the next room was more police agents, waiting for a person that was supposed to come pickup a package with money, and thats all I know said the man.

For your investigative assistance only, literal translations into English of Spanish idioms and phonic spellings of words such as "most" for "must" and "this" for "these" are consistent with Spanish pronunciations and would indicate that the writer (or writers) is Spanish-speaking. In the absence of a Spanish language sample by that writer, it would be difficult to determine the country of origin or educational level of the writer. However, countries to be considered would include Puerto Rico, Cuba, Mexico and perhaps others.

Result of examination:

The submitted envelopes and sheets of paper are similar in observable physical characteristics to those previously submitted in this matter. No significant features were noted which would assist in determining the immediate source of those items.

It was determined that the typewriting on Q7 through Q13 is the same size and style of type as the typewriting on specimens previously submitted and contains limited characteristics in common. However, there are an insufficient amount of identifiable characteristics to permit any definite determination whether the same typewriter was used.

The submitted specimens were photographed and will be returned separately.

- For your interest, acc't, literal translations into Eng. of
Spanish idiom and phonic spelling of words such as
"most" for "most" & "this" for "these" are consistent with
Spanish pronunciation and would indicate that the writer (or
writers) is Spanish-speaking. In the absence of a Spanish
language sample by that writer, it would be difficult to determine
the country of origin or educational level of the
writer. However, countries to be considered would
include Puerto Rico, Cuba, Mexico, and possibly others.

I does appear that the person who wrote these letters is Spanish-speaking. There are literal translations into English of Spanish idioms and there are phonic spellings of words such as "Most" for "Must" and "This" for "These" which would be consistent with a Spanish pronunciation imposed on these words.

The country of origin of this person is difficult to determine without a Spanish sample. The countries to be considered could include Puerto Rico, Cuba, Mexico, among others.

The level of education is also difficult to determine without a Spanish sample.

One of the latent fingerprints is not identical with the fingerprints of Lennon. Fully recorded inked impressions of the extreme tip areas of the fingers are necessary for a conclusive comparison.

The specimens are enclosed.

MR. JOHN LENNON

On a very slow motion evrything looks like nice and cool, like nothing never happen. But this is the away we do things, and on many case's we end things in the same way.

On Feb. 3 we call our people to stand off and clear up the area. On feb. 4 we had just one very quick meting that so far it result that you lost for completely the ground and the opportunity to deal with us again.....It mean that we don't need your money any more. We don't need money and having the F.B.I. looking for it. But let us tell you this; it never happen yet to us receive money marked bill's, but if it happen we will know it before we start use it, and if it is marked bill's it only will be good to us, to throw fire on every bill and burn to dead who ever give it to us, this is our plan for who ever try do it to us. Also we like to inform you that is completely off of our plan any attempt of kidnap for a smal or big ransom on you or on your family, you are worth not one penny to us, revenge is all our plan same day in coming future. This is all so far what we get from our quick meting, we will have soon a final meting for revenge, it will be made up with a vote against you and in favor of you. You only will hear from us if anything come up in your favor, but if the vote number against you be greater you will not hear from us any more, we will turn you over to 12 man's that they name them selfs in a deathblow, and then you will be part of our war. We did advice you from the first to the last letter, what you should do and what you shouldn't do, but all we get in trust of it is you did try to fish us twice supported by the F.B.I. We Know plenty about your deep involvement with the F.B.I. included we have two recorded conversation's of your wife and the F.B.I. We think that we give you more than time enough to satisfy your self with your revenge against us. Know the time is up, the F.B.I. give up and you are left with all your money. What you need know is the time to enjoy all of it. Also you are left by the F.B.I. with a nice promise; for any time you need them, they will be right of way for search, and in the mean time they will call you up some times just to see how is evrything, they are very nice of them. But your problem is we are not behind bars, and the time needed for you call them you may haven't. We have lots of many plan's to be presented on our final meting. But nothing can be done

So far, we have four persons that they refuse to give our demand. But we stil negotiate with them, but so far no one did try call the police because they know all threat's come with a warning, but is no warning for revenge. You pushover evrything real deep in a badly situation. But in the mean time, you have some chance to step out free from it because you still have sympathy from some of our man's included [redacted], the fifth chief of our organization.

El caso que más fácilmente demuestra la posición francesa, es el del terrorista palestino Uchmed Daoud Mechemed Auda, cuyo nombre de guerra es "Abu Daoud".

Daoud es un miembro -a nivel intermedio- de la Organización de Liberación Palestina (PLO) y hace algún tiempo fue una de las figuras claves de la temible organización terrorista conocida como "Septiembre Negro". Sin embargo, Daoud no fue el "cerebro" de la masacre de los atletas israelitas en la Villa Olímpica de Munich, en 1972, como inicialmente se creyó. Este desgraciado galardón le corresponde a Ali-Hassan Salameh, jefe de planificación de "Septiembre Negro" y el hombre que encabezaba la lista de los asesinatos ordenados por la agencia de contrainteligencia israelí, Mossad.

El papel de Daoud en la "masacre de Munich" fue el de coordinador de logística. El se encargó de hacer llegar las armas al comando árabe y los proveyó con pasaportes falsos, con los que algunos de los ocho hombres que integraron el comando burlaron a las autoridades alemanas. Días antes de que se efectuara la operación abandono Munich, pero meses más tarde era arrestado por la Policía Secreta Jordana, mientras se encontraba en una misión de espionaje para el PLO. Allí, las autoridades lo "convencieron" de que se presentara ante las cámaras de televisión y narrara todo lo sucedido en la Villa Olímpica de Munich y denunciara a los que habían planificado la lamentable acción comando.

Pocos días después de la comparecencia de Daoud ante las cámaras de televisión, un comando de "Septiembre Negro" atacaba la embajada de Arabia Saudita en Khartoum, asesinando a dos diplomáticos norteamericanos que se encontraban de ella de visita, en un intento por

At approximately 9:00 PM, on November 29, 1977,
[redacted] received a phone call from an unknown
male. The man speaking with, what sounded like a Hispanic
accent, stated "Is JOHN LENNON there?". [redacted] asked who the
caller was and he answered "Never mind who I am", then added
"Tell him he is going to receive the most important letter
in his life tomorrow". Again, [redacted] attempted to learn the
identity of the caller, and he repeated "Never mind who
I am", and hung up.

b6
b7C

[redacted] advised [redacted] of the incident.
The Next morning, they searched the mail and found a letter
addressed to JOHN LENNON, postmarked November 29, 1977,
at Jamaica, New York, with a return address of:

b6

[redacted] furnished the letter, which consisted
of three typewritten pages and one blank page. In essence,
the letter threatened JOHN LENNON and his family if \$100,000.00
was not prepared for payment on December 9, 1977.

b6
b7C

[redacted] and [redacted] discussed the matter,
and since they had in the past received many crank letters,
they hesitated turning it over to the authorities. However,

alarmed enough to contact the Federal Bureau of Investigation
(FBI).

b6
b7C

[redacted] stated that they have never received
a similar type letter and have no idea who might have authored
it.

[redacted] This letter, is in reference to our talk on telephone March, 14.

b6
b7C

I am [redacted], the fifth chief of T.F.P.R.I.M. TERRORIST ORGANIZATION.

I, and one third of our members we are much sympathizers to your family, and because of my sympathy for all of you, I'm been put over everything in a difficult conclusion, and thats why we go ahead for a final meting with votes against, and in favor. Now I am in charged to carry some good reson from you, to speak in your behalf in our final meting. I don't have any. Everything you said by the telephone, is comprehensive by me but it don't accomplish much to them. What ever you said it was recorded to be listen by all of us in our final meting.

[redacted], you are in a very serious situation because they are very angry they want revenge because we lost over 23 thousands dollars on this operation with you, and hundæds of hours lost for nothing. The problem now, is they don't want any part of your money anymore, they only want is all of you be part of our war. Part of our war it mean, that all of you will blowup in somewhere, and then they will send a letter to the F.B.I. claiming responsibility for the act.

b6
b7C

[redacted], this letter is only between you and me, I will never jeopardize any one of our man's, but I will try to help all of you, but you must follow my instructions exatly in what I say. FIRST. I'm going to call you up again soon, what ever you say it will be recorded. SECOND. I only say by the telephone, I'M [redacted] and then you say? YES [redacted], I REAL DON'T KNOW WHAT TO SAY, BUT WE ARE VERY SORRY FOR WHAT WE DID, BUT WHEN WE RECIEVE YOUR FIRST LETTER, IT TURN US IN PANIC AND WITHOUT THINKING GOOD, WE DECIDE CALL THE F.B.I. BUT LATER WE REALIZE IT WAS A MISTAKE CALL THE F.B.I. BUT IN OTHER HAND WE ARE RICH BUT WE DONT HAVE THAT MUCH CASH, WE HAVE EVERYTHING INVESTED BUT WE MAY CAN HELP YOU WITH 24 THOUSENDS, I PROMISE THIS TIME I WILL NOT CONTACT THE F.B.I., AND THE MONLY WILL BE CLEAN, NO MARKED BILL'S. PLEASE LET ME KNOW IF YOU AGREE WITH OUR REQUEST, WE DON'T LIKE VIOLENT WE LOVE PEACE.

THANK YOU.

[redacted], This is my best idea to try put you off of revenge, I do believe with this my idea, they will calm down and they will accept the request, but if they don't accept the request, at least I have more card's and good reson to try make them to forget everything. One thing that I like to clear up is this, I'm not demand of what you have to do, I'm just giving you my best idea. But if you have better idea made up of your own better than mine, please give it to me and what ever you give to me I'll have to put it on the table.

b6
b7C

In anyway I'll give my vote in favor of you, I'll speak in favor of you and I do what I can do for all of you.

Result of examination:

The Q14 through Q17 envelopes and sheets of paper and the ALSO SUBMITTED sheet of paper accompanying Q14 through Q16 are similar in observable physical characteristics to the envelopes and sheets of paper previously submitted in this matter. The Q18 sheet of paper and the ALSO SUBMITTED sheet of paper accompanying Q17 and Q18 bear the watermark "EATON'S CORRASABLE BOND USA BERKSHIRE 25% COTTON FIBRE." Paper bearing that watermark is manufactured by the Eaton Paper Company, a division of Textron, Inc., Pittsfield, Massachusetts.

The examinations of Q14 through Q18 and the ALSO SUBMITTED items failed to reveal any additional watermarks, indented writings of significance, or other significant features which might be of assistance in determining the immediate source of those specimens.

It was determined that the typewriting on Q14 through Q16 is the same size and style as typewriting on specimens previously submitted in this matter and contain limited characteristics in common and no significant differences with that previous typewriting. However, there are an insufficient amount of identifiable characteristics in that typewriting to permit a definite determination whether the same typewriter was or was not used.

The typewriting on Q17 and Q18 is a style of pica type, spaced ten characters to the horizontal inch, used on Royal typewriters. That typewriting is different from the typewriting on the remainder of the specimens submitted in this matter.

The typewriting on Q17 and Q18 was compared with specimens in the Anonymous Letter File, but no identification was effected. Representative photographs will be added to the file for future reference.

Q14 through Q18 were photographed. You are being advised separately of the results of the requested latent fingerprint examination and the disposition of the submitted specimens.

Result of examination:

The submitted envelopes and sheets of paper are similar in observable physical characteristics to those previously submitted in this matter. No significant features were noted which would assist in determining the immediate source of those items.

It was determined that the typewriting on Q7 through Q13 is the same size and style of type as the typewriting on specimens previously submitted and contains limited characteristics in common. However, there are an insufficient amount of identifiable characteristics to permit any definite determination whether the same typewriter was used.

The submitted specimens were photographed and will be returned separately.

Now I am in charged to carry some good reson from you, to speak in your behalf in our final meting. I don't have any. Everything you said by the telephone, is comprehensive by me but it don't accomplish much to them. What ever you said it was recorded to be listen by all of us in our final meting.

[redacted] you are in a very serious situation because they are very angry they want revenge because we lost over 23 thousands dollars on this operation with you, and hundreds of hours lost for nothing. The prob'em now, is they don't want any part of your money anymore, they only want is all of you be part of our war. Part of our war it mean, that all of you will blowup in somewhere, and then they will send a letter to the F.B.I. claiming responsibility for the act.

b6
b7C

[redacted] this letter is only between you and me, I will never jeopardize any one of our man's, but I will try to help all of you, but you must follow my instructions exatly in what I say. FIRST. I'm going to call you up again soon, what ever you say it will be recorded. SECOND. I only say by the telephone, I'M [redacted] and then you say? YES [redacted] I REAL DON'T KNOW WHAT TO SAY, BUT WE ARE VERY SORRY FOR WHAT WE DID, BUT WHEN WE RECIEVE YOUR FIRST LETTER, IT TURN US IN PANIC AND WITHOUT THINKING GOOD, WE DECIDE CALL THE F.B.I. BUT LATER WE REALIZE IT WAS A MISTAKE CALL THE F.B.I. BUT IN OTHER HAND WE ARE RICH BUT WE DONT HAVE THAT MUCH CASH, WE HAVE EVERYTHING INVESTED BUT WE MAY CAN HELP YOU WITH 24 THOUSENDS, I PROMISE THIS TIME I WILL NOT CONTACT THE F.B.I., AND THE MONEY WILL BE CLEAN, NO MARKED BILL'S. PLEASE LET ME KNOW IF YOU AGREE WITH CUR REQUEST, WE DON'T LIKE VIOLENT WE LOVE PEACE.

THANK YOU.

[redacted], This is my best idea to try put you off of revenge, I do believe with this my idea, they will calm down and they will accept the request, but if they don't accept the request, at least I have more card's and good reson to try make them to forget everything. One thing that I like to clear up is this, I'm not demand of what you have to do, I'm just giving you my best idea. But if you have better idea made up of your own better than mine, please give it to me and what ever you give to me I'll have to put it on the table.

Lennon Is Given 60 Days to Leave

The Justice Department announced yesterday that John Lennon, the former Beatle, had been given 60 days to leave the country or be forcibly deported. The order is based on a decision reached by the Board of Immigration Appeals on July 10, and Mr. Lennon's departure deadline is retroactive to that date.

Mr. Lennon, who has been living in New York and other American cities since 1971, has fought lengthy and costly legal battles through the Immigration and Naturalization Service and the Federal courts, to have his visa extended.

Extensions have been denied because he pleaded guilty in Britain, in 1968, to a charge of possession of marijuana. In his appeals of earlier denials of extensions Mr. Lennon contended the marijuana had been planted in his home and he had pleaded guilty to the possession charge only to spare his former wife, then pregnant, the ordeal of a court appearance.

A spokesman for Mr. Lennon's lawyer said that "various avenues for appealing the order are being explored."

INFORMATION CONCERNING

On 4/22/70 a representative of the Department of State advised that the American Embassy in London had submitted information showing the captioned individuals planned to depart from London, England, on 4/23/70 via TWA Flight 761 which will arrive in Los Angeles at 7:15 local time. These individuals are affiliated with the Beatles musical group and Lennon will be traveling under the name Chambers while [redacted] are using the name [redacted]

b6
b7C

Lennon and [redacted] will remain in Los Angeles until 5/6/70 for business discussions with Capital Records and other enterprises. They will travel to New York City on 5/7/70 for further business discussions and will return to London on or about 5/16/70.

Waivers were granted by the Immigration and Naturalization Service and the Embassy was to issue visas on 4/22/70. In this case waivers were necessary in view of the ineligibility of these three individuals to enter the U.S. due to their reputations in England as narcotic users.

Dear Mr. Webster:

On December 15, 1980, an exclusive photo appeared in the New York Post showing [redacted] singer John Lennon, [redacted]

Preliminary investigation indicates that the copy depicted in the news photo was copied from one of the photos attached to official New York City Department of Correction documents. Since the enclosed photos can be identified with specific documents, a positive identification as to the photo copied would help to narrow the scope of our investigation as to the individuals having access to said documents.

I am sending you, by registered mail, a package containing the following evidence:

1. News photograph of [redacted]
2. Six (6) New York City Department of Correction photographs from official documents.

b6
b7C

It would be appreciated if you would examine the photographs to determine which one was used to obtain the copy shown in the New York Post.

This evidence, which we would like to have returned to us, has not been examined by any other expert.

Sincerely,

Robert Goldman
ROBERT GOLDMAN

THE ABBIE HOFFMAN Isaac Haber "Steal This Book" controversy has died down somewhat with Abbie's quiet departure from the scene, but nothing really has been resolved. So interest will probably be high and bidding hot when the original manuscript plus all correspondences (in Abbie's handwriting) are auctioned off this Saturday, December 18, at 4.30 in St. Peter's Church at 484 Broome Street. The book and notes are being sold with the stipulation that they must be temporarily returned when needed in any future court dispute. Will Abbie and Isaac's lawyers show up to bid against each other?

The auction is a benefit for Sun/Dance, a news magazine scheduled to debut around the first of the year. Along with the original manuscripts from books, songs, and poems, paintings, photographs, prints, and sculptures are being donated. Guest auctioneers are Jerry Rubin, Patty Oldenburg and Rip Torn, and the familiar coterie of SoHo superstars make up the list of artist-auctioneers: Carl Andre, Gregory Corso, Charles Henri Ford, Allen Ginsberg, Jasper Johns, John Lennon, Gordon Matta, Robert Rauschenberg, Larry Rivers, Anne Waldman, and Andy Warhol.
