like HEROES, INC., in Washington, D.C. In Flint, and presumably elsewhere, they allow no publicity regarding their efforts. Flint, Michigan, is world headquarters for the BUICK DIVISION of GENERAL MOTORS CORPORATION, and historically the president of the HUNDRED CLUB OF FLINT is the general manager of BUICK. EDWARD H. MERTZ is the newly appointed head of BUICK.

(S) Events leading up to the enclosed formal request are basically a call received by BUICK officials two weeks ago from [redacted] of CIA who was following up on a previous HUNDRED CLUB request for the appearance of a now retired CIA official, [redacted] (S) advised BUICK of the proper formalities and suggested the enclosed letter.

b1
b3

Per referenced call, the Bureau is requested, through liaison channels and if deemed appropriate, to make the contents of the HUNDRED CLUB's letter known to CIA officials from an FBI standpoint. This is not an FBI-sponsored organization, and the FBI has no more official interest or involvement than any other law enforcement agency. It is, however, an organization that deserves, and gets, the encouragement and appreciation of all of us in law enforcement and in Flint, Michigan, the FBI is closely involved with its principles.

Dear [Redacted] S

As you are aware, there are more than sixty Hundred Clubs throughout the United States dedicated to actively supporting the fire and police community. In Washington the club is known as Heroes, Inc.

The Flint club was founded in 1975 and has steadily grown to a strong, supportive group of 250 members who truly believe in a community taking care of its own. Two years ago Francis Mullen, Drug Enforcement Administrator, spoke to our group and his remarks reaffirmed our commitment.

The purpose of our letter is to invite you to be the guest speaker at the summer meeting tentatively scheduled for June 9 (or any date in June), at the Hyatt Regency hotel in Flint. A reception is planned for 6:00 p.m. and dinner at 7:00 p.m.

The club consists of many top General Motors executives, suppliers, local businessmen, college officials, Mott Foundation executives, and government employes. We anticipate an audience of at least 250 people.

We could coordinate security with the local office of the F.B.I. and the Flint Police Department and would arrange for your accommodations at the Hyatt Regency if you wish.

I hope your plans will permit your acceptance as we would be pleased to personally meet you and hear first hand the major issues facing your agency.

Sincerely,

Edward H. Mertz
President
Hundred Club of Flint
