On 2/8/62, [redacted] San Francisco Police Department (PD), made available a letter addressed to Mayor GEORGE CHRISTOPHER, City of San Francisco. The letter, dated and postmarked 2/6/62, at San Francisco, threatened to injure the reputation of Mayor CHRISTOPHER and was not within the Bureau's jurisdiction.

Enclosed herewith are two photostat copies of the threatening letter dated 2/6/62, and the original and one photostat copy of the column appearing in the "San Francisco Examiner" under the name of columnist DICK NOLAN.

The San Francisco PD has referred the matter to the Postal authorities.

The San Francisco PD has [redacted] (subject of Bureau file [redacted] as a suspect in writing the threatening letter. [redacted] is presently planning to publish a tabloid called the [redacted] the first issue to come out about February 16, 1962.

San Francisco PD investigation reflects that the first issue of the tabloid is supporting the "Sporting Crystals," a soccer team from Lima, Peru. This team will play in San Francisco February 25, 1962. It will be noted that the enclosed threatening letter, on page 2 and at the end of the first paragraph, refers to a "whitewashing attempt in the 'San Francisco Examiner.'" This refers to the enclosed article by columnist DICK NOLAN in the "San Francisco Examiner" of 2/4/62.

San Francisco

STRICTLY CONFIDENTIAL

February 6, 1962

Sir:

Your decision to seek the candidacy for the office of Lieutenant Governor of the State of California has prompted our well-known organization to take certain steps in the direction of thwarting your (and Mr. Nixon's) far-fetched ambitions. It is our firm conviction that in view of the vast extent of crime, corruption and social neglect apparent today and the continued investigation of dubious business practices and similar irregularities engaged in by the Federal Government and its agencies to combat these abuses of public confidence--doubly significant in the context of the United States role as leader of the Free World--, you would be well advised to review your position and preferably retire from political life. We are not only referring to your dismal record as Mayor of San Francisco (a casual look at some facts picked at random should prove this: S. F. employment since 1950 has risen from about 448,000 to only about 475,000 in 1961; one out of every eight dwellings lacks either a hot water tap, a toilet or bathing facilities; there are more than 67,000 mentally ill in S. F., only 17,500 getting needed treatment; there are about 500 severely disturbed children in need of in-patient treatment; juvenile vandalism costs the taxpayers almost \$200,000 a year; there is discrimination etc., etc.) but also and above all to your lack of personal integrity as manifested by shamelessly opportunistic maneuvering in your development from Progressive to Democrat to retrogressive Republican business hireling, from your Marin County Jail episode to the North-Sullivan affair (and many things in between). Since it is, of course, impossible for you to step down at this point, we have decided on setting up a large-scale campaign to make these and other relevant facts available to the people of California. Supplementary activities are in their planning stage, and their nature cannot be revealed now nor will the identity of our organization be known to you until later. To go into detail and disclose the caliber of our heavy guns certainly would defeat our own purposes. However, you may excuse us for predicting that the most likely result would be the disappearance of both of you "not so honorable" gentlemen from the California political scene, causing you a good deal of embarrassment (and more) besides.

Since we do not engage in cheap smear tactics, which could easily be answered with counter-smears thereby neutralizing their effect, you and your allies would be hard put to even defend yourselves from our devastating offensive. Yet we do not lack a certain degree of chivalry and know about the occasionally therapeutic value of the old adage: "Give him one more chance". We give you just one opportunity to show your goodwill and your underlying sense of humanitarianism by modestly donating from \$2500 to \$5000 to a non-political "branch" of ours which is concerned exclusively with providing food and clothing to Latin America's poor. This is not an extortion attempt nor is it a trap which we have maliciously devised. A token contribution of this type would not fail to tone down our justified wrath and make us refrain from attacks involving your personal integrity as well as the integrity of those around you while at the same time serving a good and useful cause. In other words: we would leave out any embarrassing character studies and concentrate instead on the physical side of events and issues. We have to shroud ourselves in mystery for the time being in order to retain the element of surprise, which you no doubt understand. Should you thus follow up on our hint, we would be more than willing to have a representative discuss further aspects with one of yours. We will contact you again later if you oblige by making above mentioned donation. Let it be emphasized, however, that you are under no obligation whatever to do so. Our sole interest is in preventing you from getting elected into a public office of such stature. We believe that a man must stand--or fall on his past record, and this includes his personal background. Responsibility can never grow from a shaky foundation. By the way, we acknowledge with smug satisfaction the first whitewashing attempt in the S. F. Examiner.

INSTRUCTIONS

Note: They are to be followed closely. Otherwise (if you prefer) they are to be ignored completely.

To maintain the confidential character, please use one or two ordinary AIR MAIL envelopes containing your contribution in cash (large denominations properly concealed between sheets of paper of normal weight. The envelope(s) are (is) to be addressed to:

Centroso, S. A.
Apartado 3229
Lima, Peru

They (it) must be postmarked no later than Sunday, February 11, 1962 and should bear the fictional return address: CALMAX, Inc., San Francisco, Calif., U. S. A. for identification. Absolutely no inquiries are to be made. We guarantee absolute secrecy now and always.

Confidentially yours,

PERSONAL

DICK NOLAN THE CITY

TODAY I want to tell you how the Mayor got arrested. When, why, and all about it, including some material never published before.

THE GAME of politics-watching is much like the day-to-day conduct of military intelligence. You gather a fragment of talk here, a document there, somewhere else a rumor; and you patiently fit the bits and pieces together until they make a pattern.

Lately I have been making a little file on the George Christopher campaign for Lt. Governor.

The pattern that has emerged leads me to believe it might head off some dirty politics if we all take a look, right now, at what has come to be known in local political legend as "The Milk Case."

ONE FRAGMENT is word that reached me a while back that a certain character with a long police record was about to start publishing a gossip sheet. Publishing costs money. It's a political year. It seemed likely that somebody's campaign funds might be behind such a venture.

Another hint was information I got about a quiet meeting in a certain law office in which the seamier side of political strategy was the topic: How best to clobber the Mayor, while at the same time appearing to remain aloof from the mayhem.

Still another bit of the puzzle was a certain fidgetiness among the Mayor's people. To a seasoned politics-watcher, the signs of restiveness can be sensed in casual conversation, in the way questions are answered, and even in a too carefully adjusted mask of composure.

THE MANEUVERING proved to be centered on The Milk Case. One side calculating how best to use it as a weapon against Christopher. The other side working on the problem of how best to counter it.

As a nosy neutral with a Katzenjammer complex, I would like to explode the firecracker right now in everybody's face. With the hope that we politics watchers, with this one out of the way, can then be entertained with other and better and more lively issues.

A DOCUMENT I have at hand, never before published or circulated, is a letter written by Lawyer A. E. Bagshaw. He happens to have been the Marin District Attorney who prosecuted The Milk Case. His recol-

GEORGE CHRISTOPHER, in 1938 and 1939, was getting his start in the dairy business. He and his associates entered into certain contracts with Marin dairy farmers to buy their product at "market milk" prices.

The farmers were delighted to sign these contracts, because "market milk" represented top dollar—the price paid for milk to be sold for table use as milk or cream. The Christopher enterprise sold milk only for such use.

Other dairies at the time, in their contracts with farmers, paid so much for "market milk," and a scale of lower prices for milk to be used in the manufacture of dairy products—ice cream, cottage cheese, and so on. This system has since been changed, for obvious regulatory reasons.

IN THEIR NEW enterprise, Christopher and his associates found themselves immediately in a legal tangle, because in 1939 the State enacted a law under which the Agriculture Department was authorized to control the prices at which milk could be bought and sold.

Christopher fought the price control law bitterly. I do not believe he did this out of altruism, but for the common sense reason that the law put him in a weaker position competitively, as compared with companies that could pay the "manufacturing purposes" price for much of the milk they bought.

AT ANY RATE, Prosecutor Bagshaw recalls in his letter the legal questions that were still be fought in 1940, when Christopher was arrested, charged with paying (on his contracts) lower prices for milk than the newly established prices fixed by law.

"In fact," writes Bagshaw, "the legislation with relation to dairy products had already been held unconstitutional by a Superior Court in Los Angeles at the time of Mr. Christopher's involvement. . . ."

In the Justice's Courts of Novato and San Rafael, nevertheless, motions to dismiss the misdemeanor charges against Christopher on constitutional grounds were refused. Pleas of guilty were then entered to some of the counts, and Christopher was fined.

"No jail sentences were in any way involved," says Bagshaw.

"NO JAIL SENTENCES" is an important phrase in the Bagshaw letter, because an invariable accompaniment in the political use of The Milk Case has been the use of an unflattering "jail photo" of Christopher.

Bagshaw explains: "It seems the practice then existed in the Sheriff's Office of Marin County of finger printing and photographing any person who was actually arrested for any offense, even for a misdemeanor traffic violation."

Later, after a long court fight, the milk price law was upheld as constitutional. That's the whole chapter in what should be a closed book.

Mayor of San Francisco

**MAYOR GEORGE CHRISTOPHER
OF SAN FRANCISCO, CALIFORNIA
VISIT TO U.S.S.R. AT PERSONAL
INVITATION OF PREMIER NIKITA KHRUSHCHEV
MISCELLANEOUS - INFORMATION CONCERNING**

On two recent occasions I have had the opportunity to meet and talk with in private Mayor GEORGE CHRISTOPHER of San Francisco. Mayor CHRISTOPHER has just been re-elected to a second four-year term by an overwhelming majority and is being inaugurated for a second term today.

The Mayor was born in Greece and brought to San Francisco as a baby. He started work as a boy and at the time of his election as Mayor for the first time, four years ago, he had developed into a wealthy and extremely influential businessman in the wholesale milk business, solely as a result of his own efforts and application. He served several terms on the Board of Supervisors of the City and County of San Francisco prior to becoming Mayor. He was an unsuccessful candidate for the Republican nomination for U. S. Senator in 1958 and was defeated because of a coalition between the GOODWIN KNIGHT, WILLIAM KNOWLAND and RICHARD NIXON forces. Mayor CHRISTOPHER is quite proud of his Greek background and it is the first time in the history of the City of San Francisco that a foreign-born Mayor has been elected.

Mayor CHRISTOPHER's first administration as Mayor has been characterized by his attempt to have a completely honorable, honest and above-board administration. He has selected the most capable men possible as his Commissioners, he has insisted on absolute honesty in the Police Department and reached down into the ranks to appoint a Chief who would carry out his policies. His weakness, perhaps, is that he is impulsive and outspoken and not readily inclined to forgive one who has done him wrong. His decisive re-election indicates that his policies are overwhelmingly supported by the citizens of San Francisco.

RE: Mayor GEORGE CHRISTOPHER

You will recall that during the visit of Soviet Premier NIKITA KHRUSHCHEV to the United States, KHRUSHCHEV became quite incensed at the treatment he allegedly received in Los Angeles, California. KHRUSHCHEV threatened publicly to call off his trip and to loose missiles against the United States, if necessary. Mayor CHRISTOPHER informed me that while the KHRUSHCHEV party was enroute from Los Angeles to San Francisco by train Ambassador LODGE, who was President EISENHOWER's representative, called him by radio telephone from the train and told him that it was the policy of the U. S. Government that there must be no more "needling" of KHRUSHCHEV and that it was the U. S. Government's wish that his reception in San Francisco be a warm one, without any attempts being made to embarrass the Soviet Premier.

Mayor CHRISTOPHER stated that as Mayor of San Francisco, which is a warm-hearted city, and being quite open and friendly himself, he resolved to carry out these suggestions to the best of his ability, but at the same time to make it plain that he and the citizens of San Francisco stood for democracy, Christian ideals, and certainly would not compromise with Communism. As a result, KHRUSHCHEV virtually "bubbled over" during his visit to San Francisco. A State banquet was given for him at the Sheraton-Palace Hotel and practically all of the speakers fell all over themselves to be nice to KHRUSHCHEV, in spite of his attacks on democracy. Those who were there and those who viewed the speeches on television have remarked that the only decent speeches which were firm, but polite, intelligent and hospitable were those by Mayor CHRISTOPHER himself. In his speech of welcome, he extended the hospitality of the City to the Premier, but at the same time traced the history of San Francisco and California and their Christian and democratic traditions.

At the finale of the evening, Mayor CHRISTOPHER presented the Premier with a gavel made from California redwood, and in explaining what the gavel stood for and how it was used he very plainly, but very firmly, pointed out that the use of the gavel stood for democracy and that the people in the United States decided their form of Government. I have heard many comments concerning the excellent manner in which CHRISTOPHER was friendly and polite, but was the only one to stand up for democratic principles in his speeches while KHRUSHCHEV was in San Francisco.

RE: Mayor GEORGE CHRISTOPHER

As a result of the hospitality afforded, Premier KHRUSHCHEV has personally invited Mayor CHRISTOPHER and his wife to visit the Soviet Union. The only other person, to the Mayor's knowledge, who has been personally invited by the Premier to make such a visit is President EISENHOWER himself. The Mayor has accepted the invitation and the attached letters from him to the Soviet Embassy and to the Chairman of the State Committee for Cultural Relations in Moscow set forth his plans and his itinerary.

In private conversations with me the Mayor - who has impressed me with his good common sense and practical reasoning - has stated that he knows that the invitation is not without some definite Soviet purpose. He has stated that he realizes that his visit to the Soviet Union obviously is planned by the Soviets for some present or future benefit of their own. He is fully aware that, with his Greek background, he represents a minority group in the United States and, furthermore, having been born in Greece, his natal country is one in a very touchy part of the world.

The Mayor talked to me on a man-to-man basis as the Director's representative and the representative of the FBI in his city. It was quite obvious to me that Mayor CHRISTOPHER has a profound respect for the FBI and mentioned these matters to me because of that great respect.

He stated that he has given this matter considerable thought, that he has made up his mind he is going to the U.S.S.R. as a true guest, but also as a true representative of American democracy. He stated that he will at all times be polite, but that at no time will he let himself be used for anything which appears to him might be propaganda purposes. The Mayor rather jocularly indicated that he will have to curb his impulsive nature and has stated that he plans whenever possible not to be caught in a situation where he will have to answer "When did you stop beating your wife?" type questions. He says that he plans to make brief, positive statements upholding the U. S. and American democracy and at the same time be an extremely polite guest.

I have also met and talked with Mayor CHRISTOPHER's secretary, JOHN JOSEPH ALLEN, more familiarly known throughout San Francisco as "JOE" ALLEN, who is a career civil servant. It is my impression that ALLEN is greatly devoted to the Mayor and that this devotion is reciprocated by the Mayor. ALLEN says very little, but I have noticed that the Mayor obviously relies on ALLEN and his intelligence to guide him in his conversation and in his public utterances.

RE: Mayor GEORGE CHRISTOPHER

It should be noted that the Mayor, on his own volition, stated emphatically that under no circumstances will he make any attempt to gather intelligence information or to appear to be doing so while in the Soviet Union. He wants to appear as an example of what an immigrant poor boy can achieve in a democracy like the United States, and no more.

I will undoubtedly have the occasion to see Mayor CHRISTOPHER after his return from the U.S.S.R. and the Bureau will be advised of any information of interest which he volunteers at that time.

The above is being forwarded to the Bureau and WFO for their information.

My dear Mr. Zhukov:

Thank you again for your kind letter of December 15, 1959, in which you extend to me and Mrs. Christopher the hospitality of your government to visit your country for about three weeks.

Since receipt of your invitation, I have been arranging my schedule so that I could leave San Francisco, and I have finally completed these plans which I am happy to transmit to you.

I had planned to visit the Soviet Union sometime in the Spring, but unfortunately budget matters and other fiscal problems preclude my absence from the City at that time. Therefore, the only time available to me will be in the month of February, and I look forward with great anticipation to this visit. Our itinerary has just been completed, and is as follows:

Leave San Francisco	- Friday, February 5, 9:45 a.m., PAA Flight 120 (Jet)
Arrive London	- Saturday, February 6, 7:05 a.m.
Leave London	- Sunday, February 7, 9:00 a.m., BE Flight 422
Arrive Amsterdam	- Sunday, February 7, 11:10 a.m.
Leave Amsterdam	- Sunday, February 7, 1:30 p.m., SU Flight 42
Arrive Moscow	- Sunday, February 7, 7:40 p.m.
Leave Moscow	- Sunday, February 21, 11:00 a.m., SU Flight 031

Upon leaving the Soviet Union, we will take a plane from Copenhagen on Monday, February 22, 8:15 a.m., for New York. The foregoing is now firmly scheduled as our itinerary.

You inquire as to the places we might wish to visit. I should very much like to see some of the cities outside of Moscow, such as Leningrad and Kiev, and any other cities you might recommend. In addition, I should like to visit some of your institutions, such as a major newspaper, a jail or penitentiary, a civic hospital, housing project, youth center, cooperative farm, etc. I should like, also, to visit a typical dairy farm, as I have been personally engaged in that business for many years. I should like to include a visit to the All-Union Institute of Scientific and Technical Information, administered by Mr. A. I. Mikhailov.

Of primary importance to me is a visit with Chairman Premier Nikita Khrushchev, whom I had the privilege of meeting while he was in San Francisco. I would consider this meeting of paramount importance. In addition, if Mr. Mikoyan and Mr. Kozlov are available, I should also like to spend a brief time with them in order to renew acquaintances.

I appreciate very much receiving your kind invitation, and look forward not only to meeting the high personages who have visited our country, but also to acquiring a better insight and understanding of the vast Soviet Union. Be assured that Mrs. Christopher joins me in expressing our thanks for this opportunity.

For your further information, I will be accompanied on this trip by several people in addition to Mrs. Christopher. I understand, of course, that only Mrs. Christopher and I will be guests of the Soviet Union. The City and County of San Francisco will send, at the City's expense, my Administrative Assistant, Mr. John Joseph Allen and Mrs. Allen. The local newspapers have manifested great interest in this trip, and have decided to send their City Hall correspondents to cover my activities. For your information, their names and addresses are listed below. I might add that they represent all three of the daily newspapers in San Francisco.

It would be appreciated if all the gentlemen accompanying me on this trip could be lodged in the same hotel, and extended official courtesies in the dispatch of their responsibilities while traveling with me to other cities in the Soviet Union. This, of course, is at their own expense.

The foregoing is for your information. If you find that we should amend our plans in any way, I am sure you will notify us at the earliest possible moment.

Remylet 1/8/60.

On 1/28/60, HAROLD SEE, General Manager, KRON-TV, San Francisco, California, contacted this Office to advise that his Station was sending a reporter and a cameraman, GEORGE MARTIN and CHARLES STANYAN with the Mayor CHRISTOPHER party on their forthcoming trip to the U.S.S.R. SEE said that the Station had requested, and obtained, permission to photograph gas stations, household plumbing and various other items of public interest while in the Soviet Union. It is his opinion that the Station will be able to send out undeveloped film from the Soviet Union and he wanted to know if this Office was interested in talking to MARTIN and STANYAN prior to their leaving from an intelligence angle.

SEE was informed that this Office did not desire to talk to MARTIN or STANYAN.

SEE volunteered that upon the return of the group to the United States he would talk to them and if there was any information that was not available to the public regarding their trip that he felt the Bureau would have an interest in he would contact this Office.

Bottle Tossed Through Window

(Photos on Page 33)

A large-size pop bottle containing a written bomb threat was hurled through a picture window into the living room of Mayor Christopher's home at 155 Stonecrest dr. during the night.

The mayor discovered the hole in the window this morning. There were shattered fragments of the bottle on a living room table, and a note saying a time bomb had been planted under the house.

POLICE CHIEF Tom Callahan, a squad of inspectors headed by Lieut. Don Scott, and the mobile crime laboratory went to the scene immediately.

The note, signed "The Mafia" and hand-written in ink on a piece of white paper, read:

"Tomorrow your house may not be standing on its foundation due to the fact that there is a plated (sic) time bomb there. Just think it over. It could be anybody — the milkman, the garbage man, or the gardener. If you don't believe us, stay at home tomorrow."

Under the signature was written: "Be there—believe or not."

CHRISTOPHER said he and his wife Tula arrived home about 11 p. m. last night and retired immediately.

Christopher said neither he nor his wife examined the

room when they got home, and that the bottle could have have been thrown either while they were away or while they were asleep.

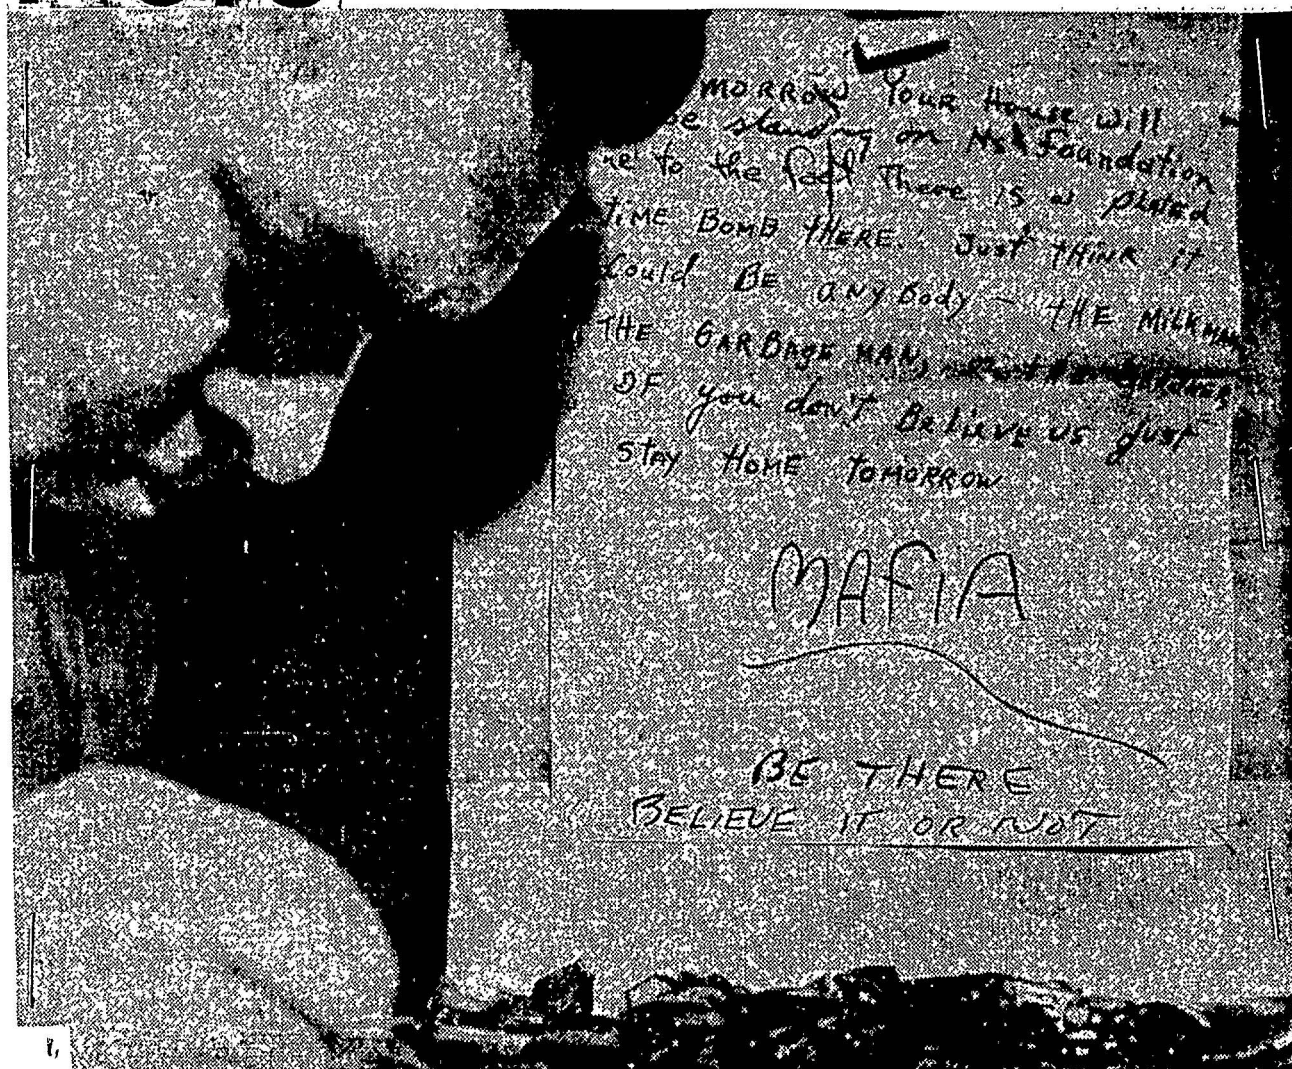

He heard nothing during the night, the mayor said.

"It's impossible right now to read anything into this," Scott said.

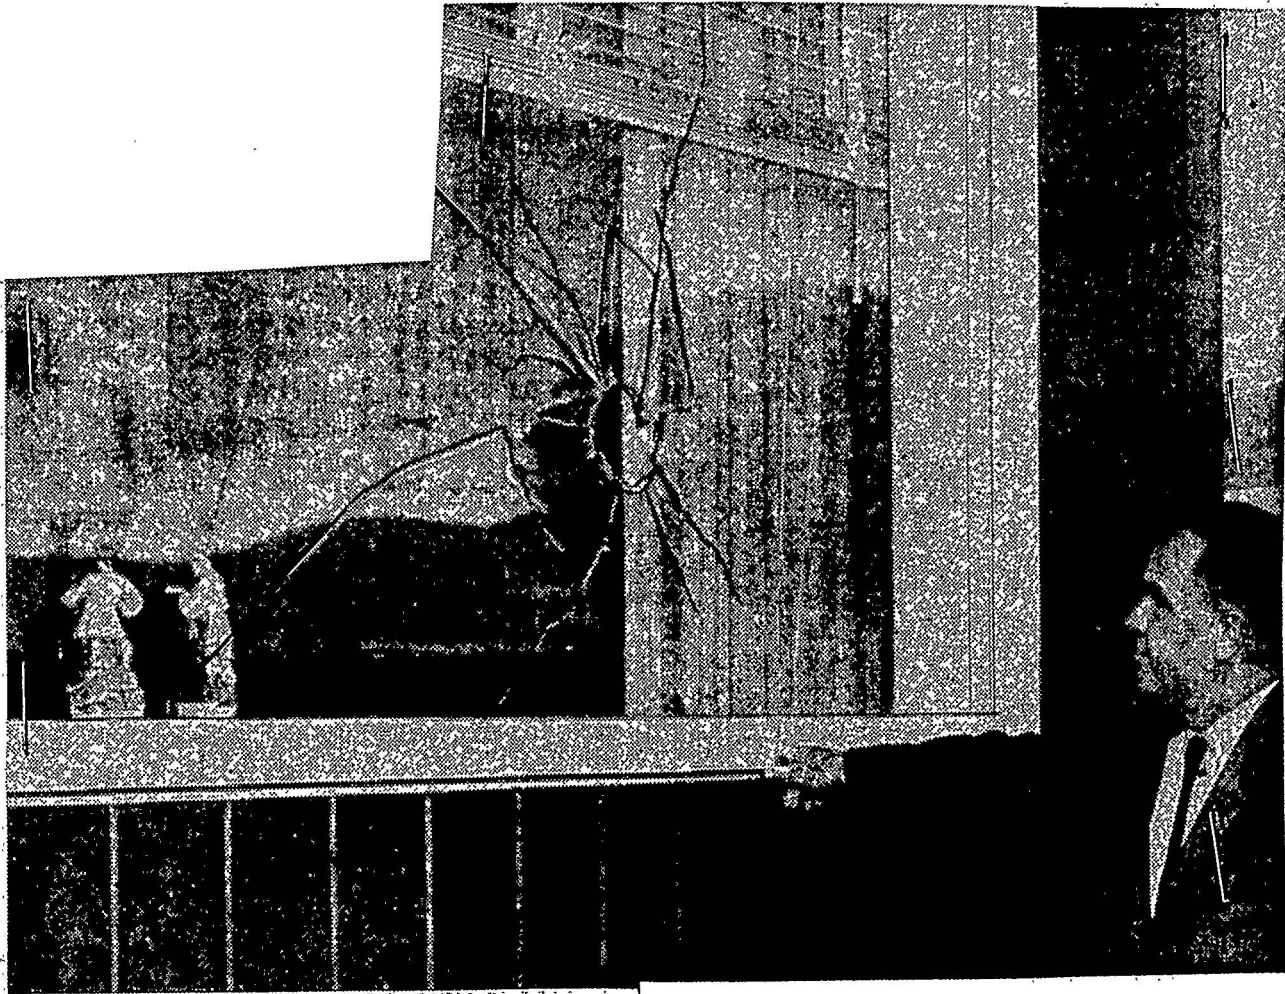

"THIS IS the first time this has ever happened to me," Christopher said. "I'm not upset, but Tula is. Anyhow, it's not very pleasing."

The note is being examined by laboratory experts.

Bottled Poison Pen Note

The note signed "Mafia" can be read in photo at left. It is being examined for fingerprints by Don Stottlemeyer, crime lab technician. Parts of broken bottle are also under his examination. —News-Call Bulletin Photos

THIS IS the hole (in photo above) in the window of Mayor Christopher's home at 155 Stonecrest dr. being examined by Police Lieut. Don Scott. The hole was made by a bottle containing a threat hurled, it is presumed, some time within the past 24 hours.

'Probably a Prank'

'Bomb' Note Hurled Into Mayor's Home

A pop bottle containing a threat to blow up his house was thrown through the front window of Mayor George Christopher's residence at 55 Stonecrest drive yesterday.

The bottle smashed a hole in a plate-glass picture window and narrowly missed two China figurines before shattering on the floor of a sitting room.

The scrawled note, with two misspellings, warned the Mayor there was a time bomb in his house and was signed MAFIA in big capitals.

"I don't like it, but I don't take it seriously," said the Mayor as he looked out at the quiet residential district where he lives.

"I think it must have been kids, or a prank."

Just when the bottle was thrown was hard for police to determine.

The Mayor said he and his wife, Tula, returned home about 11 p. m. Thursday evening and he stayed up until midnight reading.

They did not check the sitting room when they came in, however, and heard nothing during the night.

Neighbors in houses adjoining the Christophers told officers they had heard running footsteps in a nearby service alley at 2 a. m.

The note, which was alternately printed and in script, read as follows:

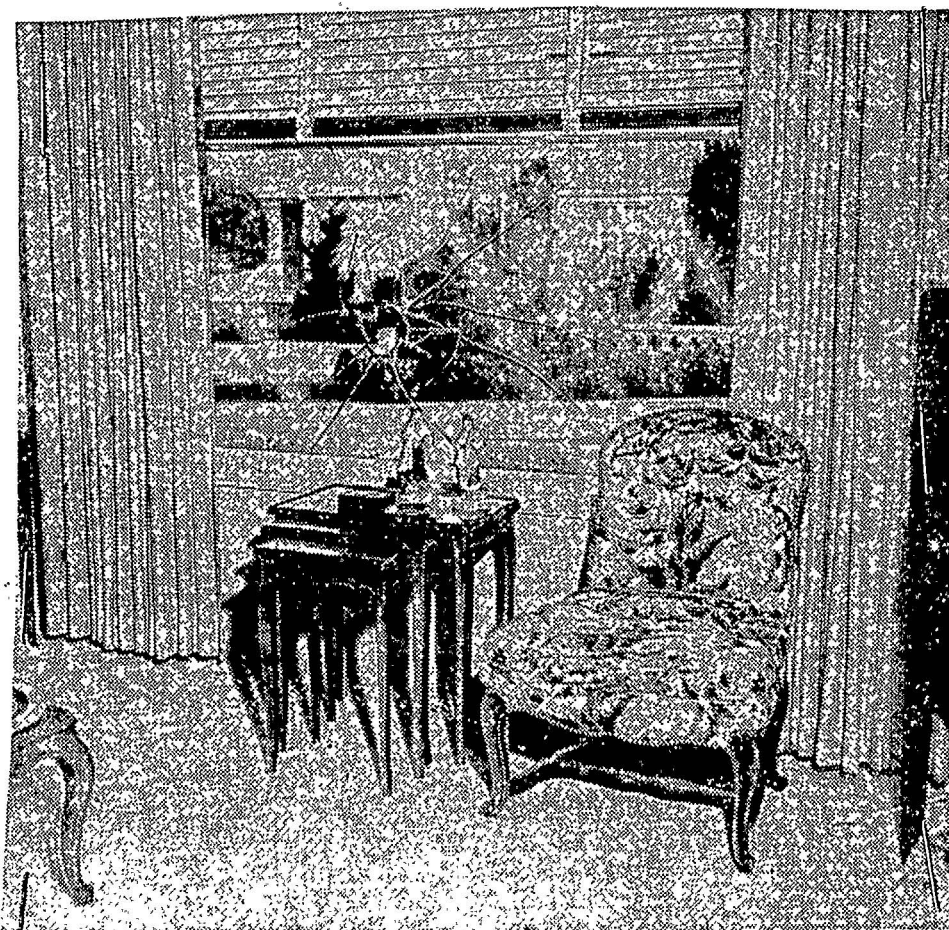

"Tomorrow your house will not be standing on its foundation due to the fact. There is a plated time bomb there. Just think it could be anybody—the milkman, the garbage man, or the gardner, if you don't believe us stay home tomorrow."

And scrawled below the Mafia signature was a sort

of P. S.—"Be there, believe it or not."

Lieutenant Don Scott of the general works detail said that while police believed the note was thrown by a crank, they were taking precautions as if it were serious.

Police Probe Death Threat To Mayor

Bomb Warning Called 'Serious'; Clues Hunted

A death threat against Mayor George Christopher, coiled in a bottle hurled through his living room window, was called "serious" by investigating officers yesterday. It was found by the mayor and his wife yesterday morning.

A horde of police investigators, led by Police Chief Thomas Cahill, searched the house and then subjected the note to intensive laboratory tests.

They weren't saying whether they got any clues from the analysis.

Wife Shaken

The Mayor said it was the first threat he ever has received. While inclined to consider it the work of a diseased but not necessarily dangerous mind, he was white with anger at its effect upon his wife Tula.

Death Threat

Bomb Warning to Mayor Probed

(Continued from Page 1)

She was shaken considerably, he reported.

The Christophers were out Thursday night until 11 p.m. When they returned home, they went immediately to their second floor bedroom. They saw or heard nothing unusual.

About 6 a. m. yesterday, however, Mrs. Christopher walked into the living room of their home at 55 Stonecrest Drive and found a softball-sized hole in the big picture window.

The object that pierced it,

a 16 ounce soft drink bottle, had hit a cocktail table and burst into a spray of fragments that liberally littered the carpet.

In the debris was a scrap of cheap typing paper, with the longhand threat in blue ink:

"Tomorrow your house will not be standing on its foundation due to the fact there is a plated (an obvious miswriting for 'planted') time bomb here. Just think it could be any one, the milkman, the garbage man or the gardener. If you don't believe us, stay home tomorrow."

It was signed with a flourish, "Mafia" and had the postscript, "Be there believe it or not."

DISCOUNTS MARIA

Lt. Donald Scott, acting captain of inspectors, said a police search found nothing suspicious in the home.

He declared the threat is being taken seriously, but expressed the belief "there is no Mafia connection."

"There is nothing to indicate it might be the work of an enemy of the Mayor," he added. "We don't have any way of telling who did it and we aren't going in for conjecture."

Four detectives were assigned to the case. Among the things they were checking were neighbors' reports of having heard running feet in the night, and whether there had been any teen-age parties in the area Thursday night.

Inspectors Nate Pedrini and George Dyer Sr., after satisfying themselves there was no bomb in the Christopher home, interviewed three neighbors.

Mr. and Mrs. Gus Heymann, whose home at 10 Broadmoor St. backs on the same alley as that of the Mayor, said they heard somebody running down the alley about 2 a. m. Mrs. Albert F. Kern, who lives two doors away from the Christophers at 117 Stonecrest Dr., said she heard heavy footsteps at 1:45 a. m.

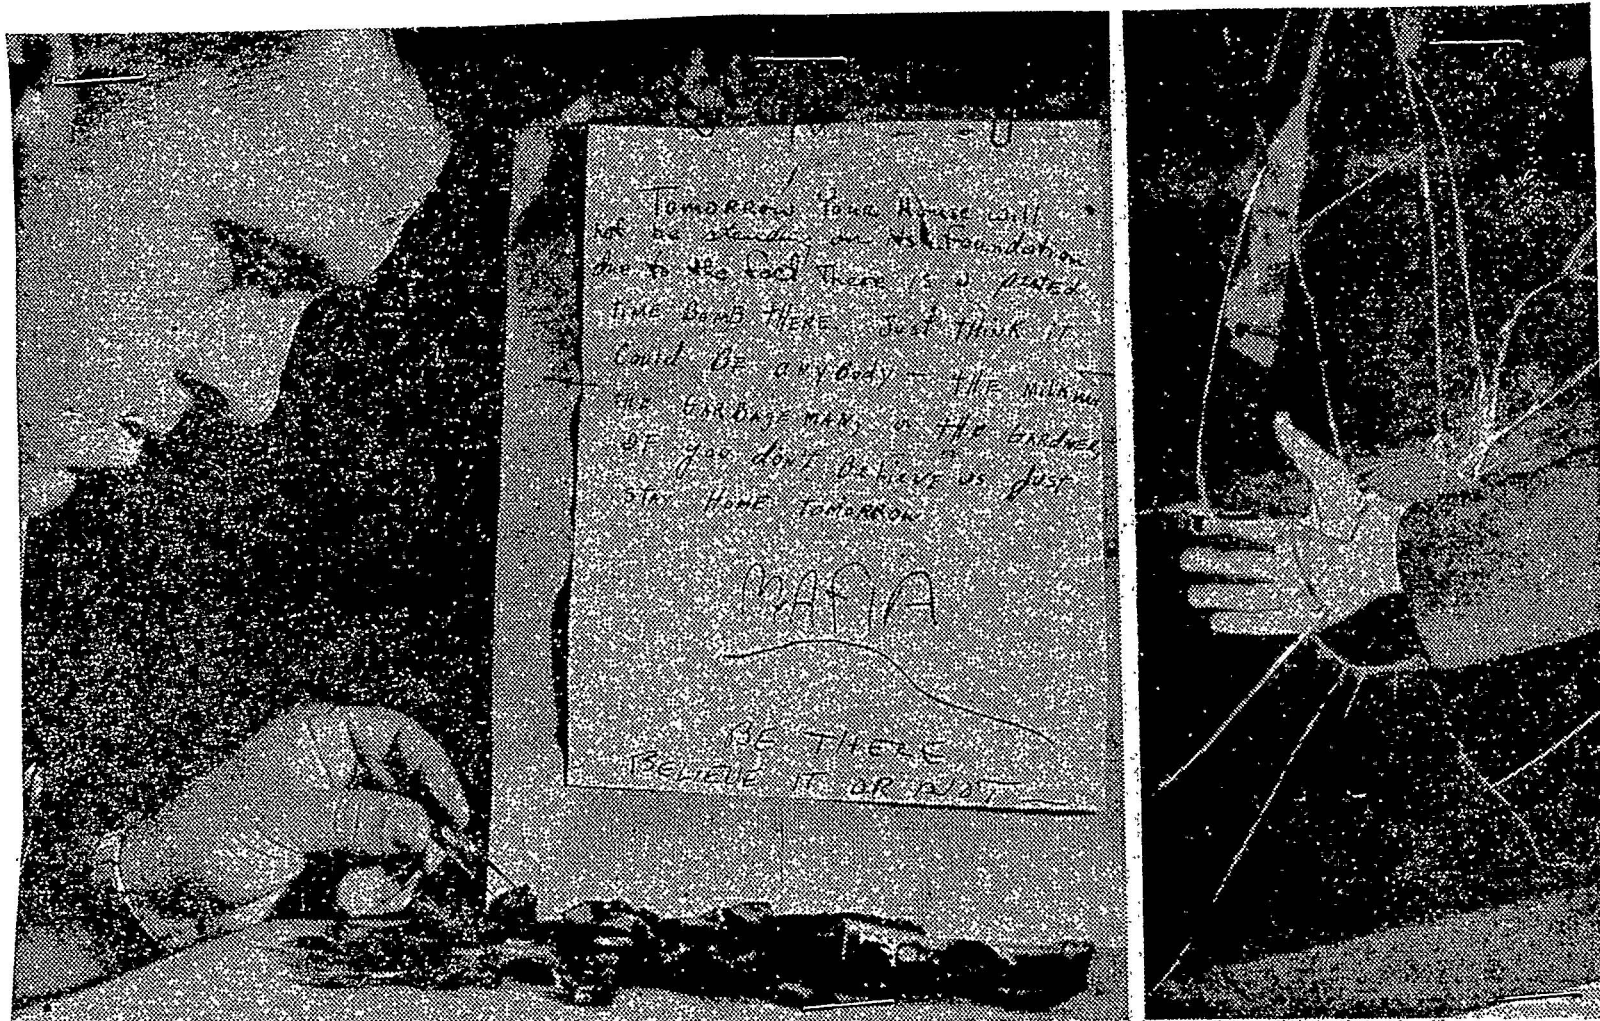

The Mayor was at equal loss to explain the threat.

"I've never been threatened before," he stressed, "never had any threatening phone calls."

"It looks like the work of some young punk who had nothing better to do with his time. If somebody was going to blow up my house, I doubt if he would warn me first."

His office said there have been no threats by letter or phone recently. A secretary said that "crank letters are a part of being mayor, and when they seem too serious we turn them over to the police. But there haven't been any for quite a while."

After superintending the cleanup of his living room and satisfying police questioners, the Mayor and his wife left for a Lake Tahoe weekend that had been arranged many days ago.

SUBJECT: MAYOR GEORGE CHRISTOPHER
INFO CONCERNING

Today Chief of Police THOMAS J. CAHILL and Inspector THOMAS FITZPATRICK, San Francisco Police Dept., advised they had received inquiry today concerning a remark made by Mayor GEORGE CHRISTOPHER in Cleveland, Ohio. According to the press, the Mayor had made some remark that he had been approached by eastern mobsters who endeavored to buy him off but he had thrown them out. Both Chief CAHILL and FITZPATRICK stated allegedly this had happened 5½ years ago at the time CHRISTOPHER was elected to the office of Mayor. Both stated that no report had ever been made by CHRISTOPHER concerning such an incident and they had no knowledge of him ever having reported such happenings to anyone. Inspector FITZPATRICK advised he was furnishing this information in view of the fact there would be possible press inquiries to this office. He stated that Mayor CHRISTOPHER in his usual manner had "popped off again."

During the conversation with Chief of Police CAHILL the possibility that Congressmen SHELLEY and EUGENE McATEER would be candidates for Mayor was mentioned and Chief CAHILL was asked how he would stand if either of these individuals was elected. He stated that the backers of both of these individuals had advised him that they would back them only if he, CAHILL, remained Chief of Police. CAHILL stated that he felt secure in his present position if either Congressmen SHELLEY, McATEER or Supervisor DOBBS were elected at the next Mayor's election.

Christopher Joins Posse Chasing Knight

Mayor George Christopher, visiting in Los Angeles, said acidly yesterday that Goodwin J. Knight has "a fanatical obsession" against fellow Republicans and seems to want to help the Democrats.

Knight, avowed candidate for the GOP gubernatorial nomination which Richard M. Nixon also will seek, has charged he was offered a high political post if he would step aside.

In Sacramento, Senator John McCarthy (Rep-San Rafael) said Knight's accusation probably was the result of a

wrong assumption. He said it was "entirely understandable" that an enthusiastic supporter of any candidate might try to feel out his opponent—without the candidate's knowledge or consent.)

Christopher said flatly he didn't believe Knight's charges.

"He has a fanatical obsession against the Republican party, his own party, and every possible candidate," the San Francisco Mayor added.

"He has made long tirades against Nixon and me, and he has berated Joseph Shell, also a GOP candidate."

'Draft' Boom Launched for Christopher

Formation of a statewide committee of Republican leaders to urge Mayor Christopher to run for lieutenant governor—and support his campaign—was announced today.

The group, headed by Jerd F. Sullivan Jr., prominent San Francisco banker and GOP finance leader, termed Christopher "California's No. 1 candidate" for the post.

Christopher has said only that he is giving "serious consideration" to entering the race.

The only declared Republican candidate for the No. 2 spot on next year's Republican ticket is Senate Minority Leader John F. McCarthy (Marin), who announced in August and has been campaigning briskly throughout the state.

EVEN THOUGH the mayor has not declared his intentions, he also has been keeping a busy statewide schedule of speaking engagements.

Co-chairman of the new "Christopher for Lieutenant Governor Committee" is Thomas P. Pike, Los Angeles industrialist and last year's chairman of Richard M. Nixon's California campaign.

Nixon, however, has said that he will not endorse any candidates in the Republican primary but will support all those nominated in the June election.

The Christopher committee, in a public statement, declared:

"George Christopher is California's No. 1 candidate for lieutenant governor. This colorful San Franciscan, aggressive and qualified to do a first-rate job for California, has been urged by us to enter the election contest and we have pledged him our all-out support.

"**THE LIEUTENANT** governorship is too important a

position to be entrusted to less than the best qualified man available. George Christopher would bring ability, imagination and much-needed government experience to the office.

"We champion his entry into the contest and confidently predict that he will be elected overwhelmingly by the people of California."

The list of committee members includes people from all parts of the state. Among the San Franciscans are J. D. Zellerbach, Walter A. Haas, Roger D. Lapham, Arthur J. Dolan, Jr., Dr. Peter T. Angel, W. P. F. Brawner, Stuart N. Greenberg, J. A. Folger and Mark R. Sullivan.

Many are identified prominently in United Republican Finance circles. Henry Salvatori and Edward R. Valentine, two of Southern California's most prominent GOP finance leaders, are included in the list of Los Angeles committee members.

Mayor George Christopher

A Short Biography

George Christopher's personal history and long career in public service are dramatic proof that America is still the promised land of the melting pot and opportunity, where all citizens are free to seek and achieve outstanding accomplishments on their own initiative and ability, without regard to race, creed or color.

The son of a Greek immigrant, George Christopher left day school at the age of fourteen because of his father's lingering illness, but continued his schooling at night. Four years later he graduated from high school and enrolled in college, where he studied for five years, graduating with a degree in accounting. This totalled nine years of continuous night class attendance.

After practicing as a Public Accountant for several years, he founded a small milk company. Today the highly successful Christopher Dairy Farm is the largest independently owned dairy in the San Francisco Bay Area. A conscientious fighter for the rights of small business, farmers and consumers against monopoly, George Christopher has long vigorously opposed price-fixing laws and agreements.

The memory of Christopher's youth has never been left entirely behind as indicated by his constant efforts and financial support in behalf of athletic groups and other character-building youth activities. Today, more than 30,000 California children each year attend baseball and football games through his generosity.

In 1945, following his meteoric

success in the business world, George Christopher entered public service through election to the San Francisco Board of Supervisors. San Franciscans rewarded his ability, his courage and his energy "to get things done" by re-electing him to the Board by overwhelming majorities. He twice served as President of the Board in recognition of the highest vote ever accorded any member of that Board.

In 1955, the people of San Francisco elected him Mayor by the largest majority ever given a candidate for that office.

In 1959 the confidence of the people was again evidenced by George Christopher's re-election for an additional four-year term in the office of Mayor.

San Francisco, under Mayor Christopher's guidance, was designated by Fortune Magazine as "one of the best administered cities

MAYOR GEORGE CHRISTOPHER

in the United States." The New York Times termed him a "Master Salesman" for the major part he played in the successful efforts to bring Big League baseball to California. Former President Hoover—a Republican whose outstanding talents were enlisted by the Democratic Truman Administration to reorganize and streamline the administrative offices of the Federal Government—has praised George Christopher as "the best Mayor of any large city with which I am acquainted."

Since George Christopher assumed the role of chief executive of San Francisco, the city has shown a continually declining crime rate. He has won national attention for his vigorous efforts to bring complete integrity to the Police Department.

In recognition of George Christopher's outstanding administrative ability, he was elected president of the American Municipal Association in 1957—a unique distinction rarely bestowed upon a first-term official. The organization consists of several thousand mayors and of

officials from more than 13,000 communities throughout the United States.

In his official capacity, George Christopher, with his charming wife Tula, has entertained with un-failing graciousness and hospitality kings, queens, premiers and presidents from all over the world. Following the 1959 visit of Nikita Krushchev to California—requested by the President and the State Department—Christopher received a formal invitation to visit the Soviet Union. He accepted the invitation and in February of 1960, paid a courtesy call on the Russian Premier in the Kremlin and extensively toured the vast lands behind the Iron Curtain.

This historic Kremlin visit and tour of the country impressed Mayor Christopher with America's need to more fully awaken to the serious impact being made on the economy of the Western World by the Soviet brand of industrial competition.

As a dynamic public official and highly successful self-made businessman, Mayor George Christopher has consistently been a vigorous exponent of the free enterprise system, and throughout his career has steadfastly opposed excessive governmental controls.

He has had widespread rank and file labor union support in his campaigns for public office, and in his business life he has played a leading part in stabilizing labor negotiations affecting the milk industry. In the 22 years of its existence, his own plant has never experienced one hour of work stoppage.

A skilled negotiator, Mayor Christopher has successfully averted several threatened breakdowns in labor-management disputes of serious import to San Francisco, including street car and civic opera strikes.

He has acquired intimate knowledge of State Government through his close working relationship with legislators and State officials on common problems. He is a firm champion of urban-rural and inter-regional cooperation. In great demand in recent years for speaking engagements throughout California, George Christopher has a wide acquaintance and growing following in every section of the State, in recognition of his emergence as one of the truly outstanding men in public service on the California political scene.

Here's what two eminent Americans say about George Christopher

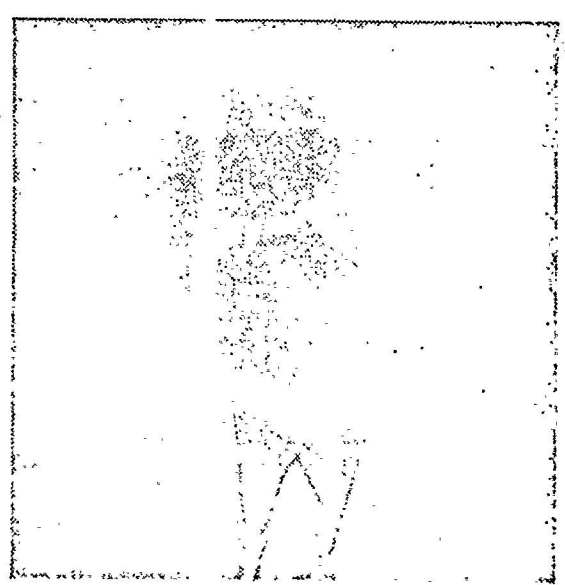

General Eisenhower said:

It is a privilege to join in paying tribute to George Christopher and to compliment the people of San Francisco on having him at the head of their city's government these past 8 years. As one who has had fine memories of San Francisco and great admiration for your Mayor, I believe your choice was extremely fortunate. George Christopher, as a distinguished civic leader, has earned a high level of respect throughout the country because of what he has done for San Francisco and because of the spirit and dedication he has brought to his office.

He is a man of courage and strong conviction, of impeccable integrity, the kind of American who has always been willing to face a challenge, take a risk, push into unexplored areas of thought and opportunity. He is a shining example of hard working initiative, self reliance, a sturdy foe of paternalistic government and a vigorous champion of free enterprise and of the fundamental principles of America. In a very real sense, he represents all those immigrants to this land that have contributed their best to the building of America and to the growth of its great, bright heritage in culture. As one who has been privileged to know him well over the past decade, I compliment him on a job well done. During the years to come, his experience, his wisdom, his dedication cannot fail to be of inestimable value to San Francisco, to California, and to the nation. Mayor Christopher, I congratulate you on past accomplishments and wish for you many more happy and fruitful years in your home city of San Francisco.

These statements, written or recorded by General Dwight D. Eisenhower and Mr. J. Edgar Hoover, Director of the Federal Bureau of Investigation, are excerpts, quoted in full, from a film presented to Mr. Christopher by his friends in 1964 at the conclusion of his 8 years as mayor of San Francisco. These two eminent Americans are recognized for their personal integrity and as astute judges of men. They knew George Christopher's entire career and their appraisal deserves the careful study of every voter faced with the selection of a Republican candidate at the June 7th primary.

J. Edgar Hoover wrote:

GEORGE CHRISTOPHER
San Francisco, California 94132

September 7, 1976

The Honorable
Gerald R. Ford
The White House
Washington, D.C.

Dear Mr. President:

The reports being issued about gifts received by Mr. Clarence Kelley seem to have an underlying motive. It is not necessary to go into the matter of Mr. Kelley's integrity, which is considered impeccable.

The surmise is that this is but one more effort on the part of Henry Kissinger to take control of the F.B.I. He already has control of the C.I.A. and the National Security Council--now he would like absolute control over this agency as well.

If you want to investigate the crime of "gifts", let us start with Mr. Kissinger himself. He had no hesitancy, upon entering the Nixon administration, to accept a \$50,000 cash gift from Mr. Rockefeller, and he has permitted his wife to be on Rockefeller's payroll at \$2,500 per month since,--doing what? All this, while Mr. Kissinger is flitting around the world discussing oil contracts.

Nor does Mr. Kissinger hesitate to accept gifts from foreign countries valued at thousands of dollars, but personally places a value on them of "under \$50.00", so that he may retain them personally instead of turning them over to the Government as provided by law. This conduct would normally be considered a major scandal.

I respectfully suggest that you cease Kissinger's game and allow Mr. Kelley to pursue his duties in the honorable way he knows. The only devious person in your administration is Kissinger whose presence in your administration will be some day regret.

Very truly yours,

GEORGE CHRISTOPHER

PROPOSED TRAVEL TO THE SOVIET
UNION OF HIGH LEVEL DELEGATION
TO MEET WITH PREMIER ALEKSEI KOSYGIN

George Christopher, Christopher Dairy Farms,
555 Fulton Street, San Francisco, California, on
September 28, 1971, advised Special Agents of the FBI
that he was chairman of a group of San Francisco
businessmen and their wives who visited the Soviet Union
September 10 through 19, 1971.

In a way of background, George Christopher
was mayor of San Francisco during former Soviet Chairman
Nikita Khrushchev's visit to San Francisco in 1959.
Christopher visited Khrushchev in the Soviet Union
during 1960. During that visit [redacted]
[redacted] of Foreign Minister Andrei Gromyko,
served as Christopher's guide.

b6
b7C

[redacted] visited the San Francisco
Bay area during the latter part of March and early
April, 1971, and at that time visited Christopher and
requested that Christopher assist the San Francisco
Soviet Consulate staff to become acquainted with the
civic and public community.

PROPOSED TRAVEL TO THE SOVIET
UNION OF HIGH LEVEL DELEGATION
TO MEET WITH PREMIER ALEKSEI KOSYGIN

and [redacted] At that time Christopher proposed to [redacted] the idea of assembling a high level group of San Francisco businessmen to visit the Soviet Union and meet with Soviet Premier Aleksei Kosygin and to explore the possibility of trade between the United States West Coast and the USSR. According to Christopher, [redacted] was enthusiastic and said that he would make the necessary arrangements for the group. As a result, detailed plans were effected to assemble a high caliber representative group and meetings were held with Zinchuk to perfect arrangements.

Christopher stated the group was under the banner of the Greater San Francisco Chamber of Commerce. Christopher was the chairman of the group. [redacted]

[redacted] of the Greater San Francisco Chamber of Commerce.

b6
b7c

Christopher maintains that he had [redacted] absolute assurance the group would meet with Premier Kosygin but in fact this meeting never took place. He said the group was not met at the Moscow, USSR airport by any member of Soviet officialdom but instead by a representative of Intourist.

Christopher described the trip as pleasant, however, marked with a lack of any official notoriety.

As a result, he, [redacted] and [redacted] soon after their return prepared a letter to [redacted] stating their dissatisfaction with [redacted] Principally because of the obvious lack of preparation in arranging for this group's visit. Christopher said he sent copies of this letter to Premier Kosygin in Moscow and to Soviet Ambassador Anatoly F. Dobrynin in Washington, D. C.

The contents of this letter are as follows: .

~~CONFIDENTIAL~~

Greater San Francisco Chamber of Commerce

September 27, 1971

[Redacted]
Dear [Redacted]

Upon returning from the USSR we wish to report to you in accordance with our agreement. Overall we can say that the trip was pleasant and the people we met were cordial and hospitable.

However, since this was not intended to be a pleasure jaunt, but rather a constructive business trip, we must be candid about the total results.

1. When we arrived at the Moscow airport, no official was present to greet the delegation. Thus, we immediately gathered the impression that our many assurances of official recognition perhaps would not materialize but still hoped our trip had not been in vain.

b6
b7c

2. During our several meetings with you in San Francisco prior to our departure, we very forcefully stressed the importance of a visit inside the Kremlin for we were aware that anyone could walk outside the Kremlin walls as a sightseer. Our Intourist guide knew nothing of any such arrangements, therefore a highly important group of business leaders had to be content to see the Kremlin from the outside, along with thousands of other tourists. I need not stress the embarrassment we suffered with our delegation at this failure to fulfill a very definite promise.

3. We informed you [Redacted] that it was imperative for this group to visit with Mr. Kosygin even briefly, as a special trip of only one week involving such important business leaders would be meaningless without such a meeting. We also informed you repeatedly that if the Kosygin meeting could not be arranged, we would prefer to postpone or cancel the trip. We were assured that such a meeting would take place and that if Mr. Kosygin was in the Crimea we would fly to that area for the meeting. Now, what happened? No one knew of any such proposed meeting. Everyone was placing the responsibility on someone else and we left without seeing the person we had travelled 7500 miles to meet.

Page two.

4. We finally met with one of the several deputy premiers, as well as with the minister of foreign trade. However, these meetings were not arranged through any special auspices of USSR officialdom, but rather because several members of our delegation finally converged on the president of the USSR Chamber of Commerce and heatedly and emphatically expressed their wrath and righteous indignation. The president of your Chamber of Commerce once again stated that he knew nothing of the arrangements, however he did cooperate in arranging several meetings.

5. For the first two days of our visit our delegation was floundering around in complete uncertainty as no arrangements had been made to meet with USSR specialists and industrial counterparts. Thus we had nothing to do but wander about aimlessly like ordinary tourists. This was disillusioning to a group that is in fact the most highly respected and most responsible segment of our business and industrial sector in the Western United States.

6. You informed us that your [REDACTED] was travelling to Moscow to complete arrangements for our trip. We were eventually told in Moscow that your Vice-Consul had come to Moscow and kept right on going to a vacation resort, without leaving any word for us or making any arrangements for the facilitation of our delegation.

b6
b7C

To sum it up, [REDACTED] this tour would have been excellent for a group of pleasure seekers who wanted to casually visit the USSR and then go on to other resort areas for a rest or to visit other adjoining countries. But this was not a pleasure seeking group, for any of them can do on his own what we did in our visit to the Soviet Union. Instead, this was the most highly responsible group of executives in Western America, operating enterprises valued in the billions of dollars. We had all decided to leave our offices for just one week, visit your country under the plan promised to us, and return home with a better understanding of the USSR industrial and cultural machinery. Highly placed industrial leaders such as those who comprised our delegation do not relish leaving their manifold responsibilities for one week and endure the rigors of such a trip just to see what Moscow looks like from the outside.

b6
b7C

And we repeat, had we not vigorously protested after two days of nothing, we would not have seen even the subordinate officials with whom we eventually met.

--

b6
b7C

Very sincerely,

geschichtlicher

PROPOSED TRAVEL TO THE SOVIET
UNION OF HIGH LEVEL DELEGATION
TO MEET WITH PREMIER ALEKSEI KOSYGIN

Christopher also advised that at the time of the group's departure at the San Francisco International Airport, he was presented with a Torah by a group of San Francisco rabbis together with the request that this Torah be presented to a rabbi in Moscow. Christopher said he is certain that no member of his group had any advance information regarding this request and it presented a problem. Christopher inquired of Pan Am officials during a stopover at Kennedy International Airport, New York City, New York. Christopher was informed that religious articles were not permitted when entering the Soviet Union. In addition, a group of New York rabbis presented Christopher with an additional Torah at the Kennedy Airport. Christopher said that in order to prevent complications and the possibility of prejudicing their proposed visit with Premier Kosygin, it was decided that the Torahs would remain in the United States.

Christopher further advised that he felt that he had established some type of rapport with Khrushchev during their 1959 and 1960 visits. He had hoped to visit Khrushchev at his home and had acquired a pen and pencil set and a woman's brooch for Khrushchev and his wife. Subsequent to the group's arrival in Moscow, Christopher learned of Khrushchev's death. He said he wanted to attend the funeral but since the event was marked by lack of publicity in Moscow press, he thought better of the matter. Again he did not want to give the Soviets any reason for the group's not meeting with Premier Kosygin. Instead Christopher telephoned Khrushchev's residence and spoke with Khrushchev's son and son-in-law. Soon after Khrushchev's son and son-in-law visited Christopher at his hotel and Christopher presented the gifts to them and extended the group's condolences.

In order to further the aim and purposes of the Bureau's Cointilpro program, San Francisco on 9/28/71, interviewed former San Francisco mayor GEORGE CHRISTOPHER, who, over the years, has been most cooperative and friendly to the Bureau. The purpose of this interview was to explore his receptiveness to initiating a letter of criticism to appropriate Soviet officialdom relative to the poor treatment extended to captioned group during their travel to the USSR. A critical letter from CHRISTOPHER and the prominent members of this group could prove to be detrimental to

[REDACTED]

On 9/28/71, CHRISTOPHER was approached ostensibly for the purpose of obtaining observations of his visit to the Soviet Union. During the interview CHRISTOPHER advised that he had sent a critical letter to [REDACTED] on 9/27/71, and a copy to Premier KOSYGIN. When Ambassador DOBRYNIN's name was mentioned he exclaimed "I should have also sent DOBRYNIN a copy and will do so today".

San Francisco will continue to follow this matter and submit additional information in a form suitable for dissemination.

On two recent occasions I have had the opportunity to meet and talk with in private Mayor GEORGE CHRISTOPHER of San Francisco. Mayor CHRISTOPHER has just been re-elected to a second four-year term by an overwhelming majority and is being inaugurated for a second term today.

The Mayor was born in Greece and brought to San Francisco as a baby. He started work as a boy and at the time of his election as Mayor for the first time, four years ago, he had developed into a wealthy and extremely influential businessman in the wholesale milk business, solely as a result of his own efforts and application. He served several terms on the Board of Supervisors of the City and County of San Francisco prior to becoming Mayor. He was an unsuccessful candidate for the Republican nomination for U. S. Senator in 1958 and was defeated because of a coalition between the GOODWIN KNIGHT, WILLIAM KNOWLAND and RICHARD NIXON forces. Mayor CHRISTOPHER is quite proud of his Greek background and it is the first time in the history of the City of San Francisco that a foreign-born Mayor has been elected.

Mayor CHRISTOPHER's first administration as Mayor has been characterized by his attempt to have a completely honorable, honest and above-board administration. He has selected the most capable men possible as his Commissioners, he has insisted on absolute honesty in the Police Department and reached down into the ranks to appoint a Chief who would carry out his policies. His weakness, perhaps, is that he is impulsive and outspoken and not readily inclined to forgive one who has done him wrong. His decisive re-election indicates that his policies are overwhelmingly supported by the citizens of San Francisco.

RE: Mayor GEORGE CHRISTOPHER

You will recall that during the visit of Soviet Premier NIKITA KHRUSHCHEV to the United States, KHRUSHCHEV became quite incensed at the treatment he allegedly received in Los Angeles, California. KHRUSHCHEV threatened publicly to call off his trip and to loose missiles against the United States, if necessary. Mayor CHRISTOPHER informed me that while the KHRUSHCHEV party was enroute from Los Angeles to San Francisco by train Ambassador LODGE, who was President EISENHOWER's representative, called him by radio telephone from the train and told him that it was the policy of the U. S. Government that there must be no more "needling" of KHRUSHCHEV and that it was the U. S. Government's wish that his reception in San Francisco be a warm one, without any attempts being made to embarrass the Soviet Premier.

Mayor CHRISTOPHER stated that as Mayor of San Francisco, which is a warm-hearted city, and being quite open and friendly himself, he resolved to carry out these suggestions to the best of his ability, but at the same time to make it plain that he and the citizens of San Francisco stood for democracy, Christian ideals, and certainly would not compromise with Communism. As a result, KHRUSHCHEV virtually "bubbled over" during his visit to San Francisco. A State banquet was given for him at the Sheraton-Palace Hotel and practically all of the speakers fell all over themselves to be nice to KHRUSHCHEV, in spite of his attacks on democracy. Those who were there and those who viewed the speeches on television have remarked that the only decent speeches which were firm, but polite, intelligent and hospitable were those by Mayor CHRISTOPHER himself. In his speech of welcome, he extended the hospitality of the City to the Premier, but at the same time traced the history of San Francisco and California and their Christian and democratic traditions.

At the finale of the evening, Mayor CHRISTOPHER presented the Premier with a gavel made from California redwood, and in explaining what the gavel stood for and how it was used he very plainly, but very firmly, pointed out that the use of the gavel stood for democracy and that the people in the United States decided their form of Government. I have heard many comments concerning the excellent manner in which CHRISTOPHER was friendly and polite, but was the only one to stand up for democratic principles in his speeches while KHRUSHCHEV was in San Francisco.

RE: Mayor GEORGE CHRISTOPHER

As a result of the hospitality afforded, Premier KHRUSHCHEV has personally invited Mayor CHRISTOPHER and his wife to visit the Soviet Union. The only other person, to the Mayor's knowledge, who has been personally invited by the Premier to make such a visit is President EISENHOWER himself. The Mayor has accepted the invitation and the attached letters from him to the Soviet Embassy and to the Chairman of the State Committee for Cultural Relations in Moscow set forth his plans and his itinerary.

In private conversations with me the Mayor - who has impressed me with his good common sense and practical reasoning - has stated that he knows that the invitation is not without some definite Soviet purpose. He has stated that he realizes that his visit to the Soviet Union obviously is planned by the Soviets for some present or future benefit of their own. He is fully aware that, with his Greek background, he represents a minority group in the United States and, furthermore, having been born in Greece, his natal country is one in a very touchy part of the world.

The Mayor talked to me on a man-to-man basis as the Director's representative and the representative of the FBI in his city. It was quite obvious to me that Mayor CHRISTOPHER has a profound respect for the FBI and mentioned these matters to me because of that great respect.

He stated that he has given this matter considerable thought, that he has made up his mind he is going to the U.S.S.R. as a true guest, but also as a true representative of American democracy. He stated that he will at all times be polite, but that at no time will he let himself be used for anything which appears to him might be propaganda purposes. The Mayor rather jocularly indicated that he will have to curb his impulsive nature and has stated that he plans whenever possible not to be caught in a situation where he will have to answer "When did you stop beating your wife?" type questions. He says that he plans to make brief, positive statements upholding the U. S. and American democracy and at the same time be an extremely polite guest.

[redacted] [redacted] [redacted]
[redacted] I have also met and talked with [redacted]
[redacted] more familiarly known throughout San Francisco
as [redacted] who is a career civil servant. It is my im-
pression that [redacted] is greatly devoted to the Mayor and that
this devotion is reciprocated by the Mayor. [redacted] says very
little, but I have noticed that the Mayor obviously relies on
[redacted] and his intelligence to guide him in his conversation
and in his public utterances.

RE: Mayor GEORGE CHRISTOPHER

It should be noted that the Mayor, on his own volition, stated emphatically that under no circumstances will he make any attempt to gather intelligence information or to appear to be doing so while in the Soviet Union. He wants to appear as an example of what an immigrant poor boy can achieve in a democracy like the United States, and no more.

I will undoubtedly have the occasion to see Mayor CHRISTOPHER after his return from the U.S.S.R. and the Bureau will be advised of any information of interest which he volunteers at that time.

The above is being forwarded to the Bureau and WFO for their information.

OFFICE OF THE MAYOR

January 6, 1960

Honorable Georgy Zhukov
Chairman, State Committee for
Cultural Relations with Foreign Countries
Moscow, Union of Soviet Socialist Republics

My dear Mr. Zhukov:

Thank you again for your kind letter of December 15, 1959, in which you extend to me and Mrs. Christopher the hospitality of your government to visit your country for about three weeks.

Since receipt of your invitation, I have been arranging my schedule so that I could leave San Francisco, and I have finally completed these plans which I am happy to transmit to you.

I had planned to visit the Soviet Union sometime in the Spring, but unfortunately budget matters and other fiscal problems preclude my absence from the City at that time. Therefore, the only time available to me will be in the month of February, and I look forward with great anticipation to this visit. Our itinerary has just been completed, and is as follows:

Leave San Francisco	- Friday, February 5, 9:45 a.m., PAA Flight 120 (Jet)
Arrive London	- Saturday, February 6, 7:05 a.m.
Leave London	- Sunday, February 7, 9:00 a.m., BE Flight 422
Arrive Amsterdam	- Sunday, February 7, 11:10 a.m.
Leave Amsterdam	- Sunday, February 7, 1:30 p.m., SU Flight 42
Arrive Moscow	- Sunday, February 7, 7:40 p.m.
Leave Moscow	- Sunday, February 21, 11:00 a.m., SU Flight 031

Upon leaving the Soviet Union, we will take a plane from Copenhagen on Monday, February 22, 8:15 a.m., for New York. The foregoing is now firmly scheduled as our itinerary.

You inquire as to the places we might wish to visit. I should very much like to see some of the cities outside of Moscow, such as Leningrad and Kiev, and any other cities you might recommend. In addition, I should like to visit some of your institutions, such as a major newspaper, a jail or penitentiary, a civic hospital, housing project, youth center, cooperative farm, etc. I should like, also, to visit a typical dairy farm, as I have been personally engaged in that business for many years. I should like to include a visit to the All-Union Institute of Scientific and Technical Information, administered by [redacted]

Of primary importance to me is a visit with Chairman Premier Nikita Khrushchev, whom I had the privilege of meeting while he was in San Francisco. I would consider this meeting of paramount importance. In addition, if Mr. Mikoyan and [redacted] are available, I should also like to spend a brief time with them in order to renew acquaintances.

I appreciate very much receiving your kind invitation, and look forward not only to meeting the high personages who have visited our country, but also to acquiring a better insight and understanding of the vast Soviet Union. Be assured that Mrs. Christopher joins me in expressing our thanks for this opportunity.

For your further information, I will be accompanied on this trip by several people in addition to Mrs. Christopher. I understand, of course, that only Mrs. Christopher and I will be guests of the Soviet Union. The City and County of San Francisco will send, at the City's expense, my [redacted]

[redacted] The local newspapers have manifested great interest in this trip, and have decided to send their City Hall correspondents to cover my activities. Finally, the Pan American Airways Company has decided to send along its official representative, [redacted] Pan American Airways, 1127 Russ Building, San Francisco. [redacted] is being sent with my group to expedite the traveling procedures. [redacted]

It is possible, also, that the local television stations may wish to send cameramen along to cover these activities. If they decide to do so, I shall advise you at once to see if it meets with your approval.

It would be appreciated if all the gentlemen accompanying me on this trip could be lodged in the same hotel, and extended official courtesies in the dispatch of their responsibilities while traveling with me to other cities in the Soviet Union. This, of course, is at their own expense.

The foregoing is for your information. If you find that we should amend our plans in any way, I am sure you will notify us at the earliest possible moment.

Should you have any further suggestions, we would be most appreciative, since this will be our first trip to the Soviet Union, and we want to be guided by any advice you may have to offer.

Prior to our departure, I shall cable you accordingly.

Thanking you again, and reciprocating your good wishes for the New Year, I am

DEAR CURT:

AS YOU KNOW, MAYOR GEORGE CHRISTOPHER HAS BEEN AN UNWAIVERING SUPPORTER OF GOOD LAW ENFORCEMENT IN THIS CITY DURING HIS EIGHT YEARS IN OFFICE. BECAUSE THE LAW ALLOWS ONLY TWO TERMS IN OFFICE, MAYOR CHRISTOPHER'S ADMINISTRATION WILL TERMINATE AS OF JANUARY 8, 1964. MAYOR CHRISTOPHER, IN HIS FIRST CAMPAIGN, PLEDGED TO THE PEOPLE OF THIS CITY THE HIGHEST STANDARD OF LAW ENFORCEMENT POSSIBLE FOR THE POLICE DEPARTMENT. IN HIS SECOND CAMPAIGN, HE CAMPAIGNED VERY STRONGLY ON THE RECORD OF HIS POLICE DEPARTMENT. HE HAS STOOD FOR AND DEMANDED FAIR, IMPARTIAL, AND VIGOROUS ENFORCEMENT OF THE LAW, EMPHASIZING HIS CRYSTAL-CLEAR POLICY OF A CLOSED TOWN. HE HAS ADVOCATED THE CLOSE COOPERATION AMONG FEDERAL, STATE, AND LOCAL LAW ENFORCEMENT AGENCIES, INCLUDING THE FEDERAL BUREAU OF INVESTIGATION. IN FACT, HE DECLARED MAY 10, 1963, J. EDGAR HOOVER DAY IN SAN FRANCISCO.

ON DECEMBER 8, 1963, A TESTIMONIAL DINNER HONORING MAYOR CHRISTOPHER WILL BE GIVEN BY HIS FRIENDS IN SAN FRANCISCO. It was a very deep and gratifying pleasure to receive the autographed photograph and generous note which you so kindly sent for presentation to me at the dinner in my honor last Sunday evening, and I am writing to express my sincere thanks for the compliments you paid me. I am highly honored to have these memorable expressions of your valued friendship, and you have my sincere appreciation for commenting so favorably on the relationship that we in San Francisco have enjoyed with you and with the Bureau.

Your letter and photograph were read and shown to the audience assembled for the dinner, and were warmly received. You are held in the greatest respect and highest esteem in our City, and it has been a particular privilege for me to work with your associates here over the years and to have a part in strengthening the splendid relationship between them and San Francisco.

Thank you for your friendship, your continued cooperation, and for your very great personal kindness.

With every good wish, I am

Sincerely yours,

A telegram was sent from Los Angeles at 11:43 p.m. on 5/11/66 to Assistant to the Director DeLoach by [redacted] who identified himself as the [redacted] of the Regan for Governor Committee, 3257 Wilshire Boulevard, Los Angeles, California. [redacted] telegram was to bring to the Director's attention the fact that George Christopher, who is a candidate for the Republican nomination for Governor of California, is using film clips of himself and the Director which were taken several years ago in paid television spots. [redacted] advised that the manner in which these clips are shown gives the impression that the Director is supporting Christopher. [redacted] telegram requests that the Director indicate to him in some manner that the Director is "not involved in behalf of any partisan campaign." *W*

DATA IN BUREAU FILES

The only reference to [redacted] in Bureau files reflects that by letter of 5/28/65 he wrote a letter to the Director in his capacity as [redacted] of the Los Angeles Junior Chamber of Commerce and requested the Director to address the 3rd Annual Prayer Breakfast of that organization. The invitation was declined by the Director by letter dated 6/2/65 because of the pressure of his official schedule.

Our files reflect that the Bureau has had cordial relations with George Christopher, and that Christopher served as Mayor of San Francisco for several terms, concluding his administration at the end of 1963. In 1963 he issued a proclamation declaring May 10 as "J. Edgar Hoover Day" in San Francisco and presented SAC Lynam, San Francisco

Wick to DeLoach memo
Re: GEORGE CHRISTOPHER

Office, with a key to the city for the Director. He was thanked for this key by the Director by letter dated 5/14/63 and on 8/5/63 a copy of the August 1963 issue of "The Investigator," which contained a picture of the presentation, was sent to him.

It is noted that Drew Pearson in several recent columns, the last being 5/12/66, has been attacking Christopher on the basis of convictions of Christopher a number of years ago for watering down milk by the Christopher Dairy Farms, owned by Christopher.

The film clips referred to by [] may be the result of the following reflected in our files. By letter dated 8/15/63 addressed to SAC Lynam, Chief of Police Thomas Cahill of San Francisco advised that on 12/8/63 a testimonial dinner would be given for Mayor Christopher in San Francisco marking the end of his administration. Cahill's letter indicated that a moving picture would be shown of messages received from important people and requested that the Director write such a letter to Mayor Christopher commenting on the role he had played to insure good law enforcement for San Francisco. Chief Cahill also requested that the Director send an autographed picture of himself "to appear in this movie" and to be presented to Mayor Christopher 12/8/63. This request was forwarded by San Francisco to the Bureau on 8/19/63. By letter dated 8/26/63 the Director sent to SAC San Francisco a photograph autographed to Mayor Christopher and also enclosed a letter dated 12/8/63 for presentation on that date by Chief Cahill. By letter dated 1/7/64 Mayor Christopher thanked the Director for the photograph and note and stated in his letter, "Your letter and photograph were read and shown to the audience assembled for the dinner, and were warmly received."

ACTION TAKEN

SAC Lynam of the San Francisco Office was telephonically contacted on the morning of 5/12/66 to determine if he or anyone in his office or the Los Angeles Office are aware of or have seen the film clips referred to by []. Lynam subsequently advised, after checking with the Los Angeles Office, that no personnel of either office had seen the film clips referred to. Lynam advised, however, that Chief of Police Cahill stated that at the testimonial dinner on 12/8/63 a sound movie was shown to those assembled and the Director's photograph, among those of other prominent persons, was shown on the screen at the same time as a narrator read letters from the Director and the other persons addressed to Christopher.

OBSERVATIONS

It would appear from the above that the film clip referred to by [] is a portion of the movie shown at the testimonial dinner on 12/8/63, reflecting the Director's photograph and narration of the letter sent by the Director to Mayor Christopher. In any event, it has long been the Director's policy not to inject himself or the FBI into political campaigns in any way, and it is felt that the attached telegram should be sent to [] so advising him.

Reference is made to memorandum from Wick to Mr. DeLoach dated 5-12-66 (copy attached) which set forth information to the effect that George Christopher, in his campaign for the Republican nomination for Governor of California, was using in a campaign movie being shown on television, a film clip containing a photograph of the Director and a letter to Christopher from the Director dated 12-8-63 (copy attached) commending Christopher for the role he had played in insuring good law enforcement in San Francisco.

It will be recalled that it was determined by the Bureau that such a letter from the Director to Christopher was sent on 12-8-63, along with an autographed photograph of the Director, and that these had been incorporated into a movie which was shown at a testimonial dinner and subsequently presented to Christopher on 12-8-63 upon the completion of his term as Mayor of San Francisco. *ae*

The use of the Director's photograph and letter was brought to the Bureau's attention in a telegram dated 5-11-66 from [redacted] of the Regan for Governor Committee, Los Angeles, California. It was recommended and approved that a telegram be sent to [redacted] pointing out to him that it has always been the Director's policy to refrain from lending support to any candidate in campaigns for political office. Such a telegram was sent on 5-12-66.

CURRENT DEVELOPMENTS

SAC Baker of the San Diego Office telephonically advised [redacted] at 1:55 p.m., 6-4-66, that a one-half page advertisement appeared in the "San Diego Tribune" on 6-3-66 consisting of photographs of the Director

and former President Eisenhower and letters written to Christopher by Mr. Hoover and the former President. The letter from Mr. Hoover is the one to Mr. Christopher dated 12-8-63. The advertisement states: "This is what two eminent Americans think of George Christopher." The advertisement then goes on to state that the letter from Mr. Hoover was included in a movie which was presented to Christopher at the time of a testimonial dinner to him on 12-8-63. The Director's letter to Christopher is quoted verbatim, including the date on it. Baker advised that a similar ad also appeared in the "San Diego Union" and in the west coast edition of "The Wall Street Journal" on 6-3-66. He is sending copies of this advertisement to the Bureau by airtel today.

ACTION TAKEN:

Baker was advised that should he receive any inquiries regarding these advertisements he should point out that the Director's letter to Christopher was sent in 1963 and advise persons contacting him that it is the Director's policy to refrain from lending support to any candidate in campaigns for political office. It is noted that we have already so advised [redacted] of the Regan for Governor Committee, Los Angeles, California.

Our last outgoing to him was dated 2-1-63 over Miss Gandy's signature in view of the fact that he is a chronic letter writer if encouraged. It was sent as a message on the occasion of a testimonial honoring Christopher at the termination of his administration, and the Director complimented him on the role he played to insure good law enforcement.

Dear Fellow Republican:

You are witnessing a Republican primary which has fooled all the handicappers. It now is definitely a two-horse race (or is it "elephant race?"), with the undecided voters determining the winner in these final days of the campaign.

Drew Pearson's revival of a 27-year-old smear against Christopher.... long ago proved a pack of lies when George Christopher ran for Supervisor and twice for Mayor of San Francisco....makes it imperative that we launch a decisive television campaign built around the integrity and experience of the man best qualified to be Governor.

We must let the public see and hear the candidate whose personal character is vouched for by J. Edgar Hoover, Dwight D. Eisenhower, and others in a moving 15 minute TV documentary film.

The polls continue to show that Christopher is the only Republican who is a cinch to defeat either of his potential Democrat opponents in the November final.

A generous contribution to the Christopher TV Fund will blow down the Pearson smear and upset the Democrat plot to deny him the Republican nomination.

Please send your check in today. Then watch George Christopher on TV, knowing that you had a decisive role in bringing his proven record of courage, competence and integrity before the Republican voters who will nominate him on June 7th.

Sincerely yours,

Here's what two eminent Americans say about George Christopher

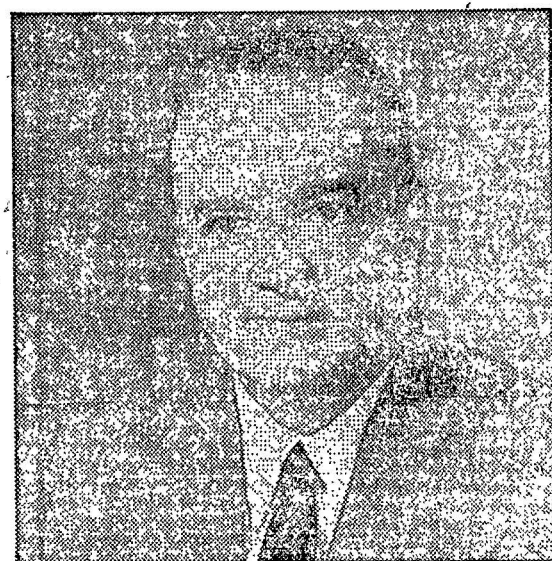

General Eisenhower said:

It is a privilege to join in paying tribute to George Christopher and to compliment the people of San Francisco on having him at the head of their city's government these past 8 years. As one who has had fine memories of San Francisco and great admiration for your Mayor, I believe your choice was extremely fortunate. George Christopher, as a distinguished civic leader, has earned a high level of respect throughout the country because of what he has done for San Francisco and because of the spirit and dedication he has brought to his office.

He is a man of courage and strong conviction, of impeccable integrity, the kind of American who has always been willing to face a challenge, take a risk, push into unexplored areas of thought and opportunity. He is a shining example of hard working initiative, self reliance, a sturdy foe of paternalistic government and a vigorous champion of free enterprise and of the fundamental principles of America. In a very real sense, he represents all those immigrants to this land that have contributed their best to the building of America and to the growth of its great, bright heritage in culture. As one who has privileged to know him well over the past decade, I compliment on a job well done. During the years to come, his experience, wisdom, his dedication cannot fail to be of inestimable value to Francisco, to California, and to the nation. Mayor Christopher, I congratulate you on past accomplishments and wish for you many more happy and fruitful years in your home city of San Francisco.

These statements, written or recorded by General Dwight D. Eisenhower and Mr. J. Edgar Hoover, Director of the Federal Bureau of Investigation, are excerpts, quoted in full, from a film presented to Mr. Christopher by his friends in 1964 at the conclusion of his 8 years as mayor of San Francisco. These two eminent Americans are recognized for their personal integrity and as astute judges of men. They know George Christopher's entire career and their appraisal deserves the careful study of every voter faced with the selection of a Republican candidate at the June 7th primary.

J. Edgar Hoover wrote:

My dear Mayor:

On the occasion of the completion of your term as Mayor of San Francisco, I want to express my sincere congratulations to you on the outstanding manner in which you have always

discharged the arduous responsibilities of your high office. Certainly the excellent example you have set will serve as an inspiration to those who follow you.

Your tenure in this position has been characterized by ability and honor and my associates and I have long valued the spirit of cooperation which you have engendered among all police agencies, as well as your strong support of constructive measures contributing to effective law enforcement. I am enclosing one of my photographs which I have autographed to you and you have my best wishes for continued good health and happiness.

Would appreciate your confirmation of this letter.

On Campaign

Here last night on a final campaign swing through the tri-counties, State Controller Alan Cranston discussed his proposals for drastic property-tax reduction and reform.

He told newsmen his reforms would relieve lower-income groups, enhance home rule and improve the quality of education under local authority throughout California. Cranston urged cutting "the

regressive and runaway property tax in half, primarily by taking away the school district's power to levy the property tax.

"The result would remedy the situation of many impoverished school districts in California."

He added, "As it now stands, the quality of education is threatened by defeated bond issues and lost tax overrides in many schools' tax districts. Property taxpayers are rebelling and some school districts are impoverished."

The controller said that the \$1,500,000,000 that would be cut in property taxes under his proposal should be made up by fairer taxes that relate to an individual's ability to pay, such as the income tax and the graduated sales tax.

Juvenile Hall

Escapees Caught

Two boys who escaped yesterday afternoon from Juvenile Hall were apprehended three hours later hiding behind an El Sueno Road grocery store.

The boys, 16 and 15, walked away from the detention facility about 2:30 p.m. They were spotted by deputies about 5:30 p.m. hiding under a tree behind El Sueno Market, 400 El Sueno Rd. Officers returned the boys to the hall.

The California intersectional drill team and color guard contest, scheduled at Peabody Stadium here tomorrow, has been postponed until sometime in the fall.

Ray Kent, a leader in the parents' group of El Kadettes, girls' drill team of Santa Barbara, said that the conflict of school work and examinations cut the participation in the event. It had been planned to come on the same day as the Santa Maria Elks Parade tomorrow, so that drill groups could take part in both events.

Don McGee of Santa Barbara, El Kadettes drillmaster, is making plans for a fall renewal of the annual competition, with the date not yet set. El Kadettes will be defending their state championship.

Field House Job To Be Completed By Summer's End

Rehabilitation of the field house at Santa Barbara High School will be completed this summer, Robert S. Grant, of the architectural firm of Arendt/Mosher/Grant, last night told the school board, when it approved final working drawings for the job.

Work at the building, constructed in 1950, will be in the shower and locker rooms. Estimated cost of the project is \$70,500.

The school board authorized forwarding the drawings to the State Office of Architecture and Construction for its approval, together with the necessary filing fee of \$296.75.

"It never rains but it pours" does not necessarily refer to liquid drops from the sky. In this case, the reference is to rummage sales, which by and large are a rarity in the Goleta area. Tomorrow, however, there will not only be one but two sales going strong in the heart of Goleta. The Fairview PTA sale will take place at 303 Magnolia Avenue. At the same time the Goleta Boys Club Ladies Auxiliary will be holding its long heralded rummage sale in the Bank of America parking lot on Hollister Avenue. Funds from this sale will be used for buying sport and craft equipment and improving the Boys Club facilities. Items that are being put up for sale include furniture, appliances, toys and clothing. The public is invited to come early (the sale starts at 9 a.m.), do lots of shopping, and spend lots of money. We'll see all you fellow bargain hunters there.

The congenial, well-liked, Joseph Mulroy family of 697 Rossmore Rd. will leave Goleta as soon as school is out. Mulroy is assuming new responsibilities in the Oakland area as an administrator of a Kaiser Foundation hospital. Jean Mulroy has long been active in all areas of community affairs. Daughters Laura and Kathy will be missed by their many friends and classmates at the Fairview and Goleta Valley Junior High schools respectively.

Coincidentally, the Glens celebrated their ninth wedding anniversary on the same day as the reunion.

GEORGE CHRISTOPHER
San Francisco, California 94132

September 7, 1976

The Honorable
Gerald R. Ford
The White House
Washington, D.C.

Dear Mr. President:

The reports being issued about gifts received by Mr. Clarence Kelley seem to have an underlying motive. It is not necessary to go into the matter of Mr. Kelley's integrity, which is considered impeccable.

The surmise is that this is but one more effort on the part of Henry Kissinger to take control of the F.B.I. He already has control of the C.I.A. and the National Security Council--now he would like absolute control over this agency as well.

If you want to investigate the crime of "gifts", let us start with Mr. Kissinger himself. He had no hesitancy, upon entering the Nixon administration, to accept a \$50,000 cash gift from Mr. Rockefeller, and he has permitted his wife to be on Rockefeller's payroll at \$2,500 per month since,--doing what? All this, while Mr. Kissinger is flitting around the world discussing oil contracts.

Nor does Mr. Kissinger hesitate to accept gifts from foreign countries valued at thousands of dollars, but personally places a value on them of "under \$50.00", so that he may retain them personally instead of turning them over to the Government as provided by law. This conduct would normally be considered a major scandal.

I respectfully suggest that you cease playing Kissinger's game and allow Mr. Kelley to pursue his duties in the honorable way he knows. The only devious person in your administration is Kissinger, whose presence in your administration you will some-day regret.

Very truly yours,
3 SEP 21 1976
