The inquiry was made by the Credit Bureau of Southern Orange County, 2509 South Broadway, Santa Ana, California. Subject's record was evaluated as satisfactory.

IV. The New York Office has advised that [Redacted] mentioned having read "Sky Diver" magazine in a telephone conversation on 6/6/66.

V. None known.

VI. [Redacted] CAMERON is apparently a close friend of [Redacted] and was the only individual [Redacted] contacted in the Los Angeles area on his trip here in June, 1966. He travels extensively in Mexico and other countries. He was reportedly in Brazil in May, 1966. He is currently in Bulgaria where he is serving as an official of the United States Sky Diving team in international competition. It would appear he has excellent potential as an informant or double agent.

VII. CAMERON has been described as something of a financial opportunist and might be induced to assist the Soviets for this reason alone. Investigation indicates no reason to question CAMERON's loyalty other than the above contact. It would appear that the only way to resolve the above contact is through interview.

VIII. It is expected an interview with CAMERON will explain the above contact with [Redacted] and will offer an excellent opportunity to develop him as an informant or double agent.

IX. CAMERON will be approached at his residence in the evening hours under secure conditions. He will be approached to determine if he was contacted by any foreign intelligence personnel on his recent trip to Bulgaria. It will be pointed out that foreign intelligence agents have been known to contact American athletes and representatives under such circumstances. He will also be asked to comment on anything unusual which might have occurred during his stay in Bulgaria.

Reference is made to memorandum dated August 5, 1966, captioned as above.

Lyle Hazen Cameron, 15346 San Bruno Drive, La Mirada, California, was interviewed by Special Agents of the FBI on November 15, 1966, and advised as follows:

Cameron stated he is editor of "Sky Diver" magazine which he publishes from his residence. He stated he is also an aerial photographer as well as a pilot. He has done aerial photography work for the movie and television industry. However, his main occupation is connected with parachute jumping or, as it is popularly termed, sky diving. He stated he is currently Chairman and member of the Executive Board of the Parachute Clubs of America, which organization represents the United States in international competition. In this capacity he has participated in the past three world championships both as a coach and as a judge. He stated he is internationally known as a sky diver and is acquainted with most of the sky diving officials in such countries as Russia, Yugoslavia, Czechoslovakia, Bulgaria and East Germany.

In this regard Cameron stated he recently returned from Europe where he judged a number of international meetings, including the Golden Sands Meet in Bulgaria. He stated he also attended the world championships which were held in Leipzig, East Germany. He stated the United States State Department would not permit the United States team to participate but he attended primarily as a scout.

Cameron stated that, although he has had contacts with numerous officials and nationals from Russia and other iron curtain countries, he has never been contacted for intelligence or espionage purposes. He stated that he occasionally has contact with iron curtain nationals in the United States and in this regard he cited the following instance:

All information contained herein is unclassified except where shown otherwise.
In June, 1966, he received a long distance telephone call from San Francisco from a man who identified himself as _______ and indicated _______ was very interested in sky diving and that he would like to obtain some back issues of "Sky Diver" magazine for him as well as a subscription to the magazine. _______ indicated he was coming to the Los Angeles area and would contact Cameron from Disneyland. The next day Cameron received a telephone call from _______ who stated he was at Disneyland. Cameron offered to pick him up and told him he would be driving a blue panel truck. _______ stated he would be wearing a dark blue suit. Cameron stated he drove to Disneyland and immediately spotted _______ since dark blue suits are a rarity at the park. Enroute to Cameron's home _______ gave him a card identifying himself as _______ stated his name was _______ and indicated he was representing various Russian aircraft manufacturers in the United States. He stated that _______ was a Master Sport in sky diving in Russia. He also stated that he was a Master Sport in motorcycle racing himself. Enroute to Cameron's home _______ noticed a motorcycle shop and asked Cameron to stop, which they did, and examined several imported motorcycles. Cameron then drove _______ to his residence, gave him the specific past issues of "Sky Diver" magazine which he requested, and then drove him to Los Angeles. They stopped in Hollywood for dinner and Cameron returned _______ to his hotel. The only request _______ made was to visit Ascot Park, a motorcycle racing park in Gardena, California, a suburb of Los Angeles. When advised of the location of the park _______ stated that he was not permitted to travel there. Cameron stated that _______ indicated he would do _______ what he could to furnish prices and specifications on a Russian commercial biplane which Cameron is interested in. According to Cameron this biplane is far superior to any American built plane for crop dusting and parachute jumping _______. Cameron stated that shortly after _______ visit he left for Europe and has not heard from him since, although he, Cameron, wrote him a letter several weeks ago inquiring about the AN-2 biplane and is expecting an answer from _______.
LYLE HAZEN CAMERON

Cameron indicated he did not feel was contacting him for any purpose other than the obvious one. He stated he did feel it was somewhat odd that would travel all the way from San Francisco to Los Angeles to pick up some back issues of a magazine which he could just as well have handled by letter, but concluded that may just have wanted an excuse to visit Disneyland.

Cameron stated his name, address, and phone number appear in the "Sky Diver" magazine and assumes that is where obtained it.

The following is submitted concerning item No. 14 in referenced Los Angeles letter:

PSI was interviewed on 2/26/68 concerning the above shipment and stated that he knew [redacted] as a member of the North Island Navy Parachute Club, which he, CAMERON, has been coaching as a hobby. He stated this club operates on the U. S. Navy Base, North Island, California, with approval of the Navy with private funds. CAMERON indicated he and [redacted] had discussed having "scrounge" for surplus survival items about to be disposed of by the Navy which items they planned on trading to surplus stores for parachute harnesses to be used by the above club. He stated there was to be no personal gain for [redacted] or himself and the above procedure seemed to be the only way to obtain the necessary equipment to continue operation of the parachute club.

The above facts were presented to AUSA [redacted] Los Angeles, on 2/26/68, who declined prosecution concerning PSI since guilty intent was not present.

For the information of SF, subject visited Disneyland on 6/4/66. At about 4:30 P.M. subject exited the main gate off Disneyland where he met an unknown individual who drove up in a 1960 blue Chevrolet panel truck, license P21445. The subject and the unknown individual, who was a white male, 30 or early 40's, tall and big and husky, short, light brown hair; dressed in white short sleeve shirt and faded blue denim, greeted each other effusively. Subject entered the truck which was driven away by the unknown individual.

The license for the above truck is registered to LYLE H. CAMERON, 15346 San Bruno Drive, La Mirada, California. The truck was later located at this address.

The records of the LA County Registrar of Voters revealed that LYLE H. CAMERON, 15346 San Bruno Drive, La Mirada, California, registered on 9/5/66, as a first registrant in the state. He listed his occupation as policeman, 6' tall, born in Maine, and affiliated with the Republican Party. The indices of LA were negative concerning CAMERON.
A check of indices at New York failed to reflect any information identifiable with LYLE H. CAMERON.

For the information of LA and SF, NY 2561-3* furnished the following information which relates to subject's recent visit to those cities:

On 6/7/66, NY 2561-3* advised that subject called a Mr. KEEPING (PH), telephone number 614-622-4311, concerning catalogs on gloves. KEEPING mentioned that he had been in San Francisco when subject was there. Subject told KEEPING that he would send the catalogs to Moscow. It is noted that Code 614 is for the Columbus, Ohio area.

NY 2561-3* advised that a Mr. BALZ (PH) of Burgess Battery Co contacted subject on 6/8/66 and asked if he recalled that they had a talk in San Francisco regarding BALZ going to the USSR. The conversation concerned BALZ getting his visa to travel to the USSR. A later call determined that Mr. BALZ was from Freeport, Illinois.

NY 2561-3* advised that (who was presumably in San Francisco) called NYC on 6/2/66, and told that nothing went on the previous day, just preliminaries. said there was a meeting scheduled for 6/2/66; the exhibition will be 6/3/66. stated that if he took the 3:00 PM plane, he would be in Los Angeles at 4:00 PM and he would then go directly to GABRIELL's, arriving there about 4:30 PM. added that the exhibition would be held at the Hilton Hotel on 6/2/66, and that he would return to NYC on 6/5/66.

It is believed that the GABRIELL, mentioned above, is the secretary of
Re LA airtel, 6/7/66 and NY letter, 7/1/66.

Referenced airtel revealed that subject while visiting Disneyland on 6/4/66, was picked up by an unknown white, male in a blue Chevrolet panel truck which is registered to one LYLE H. CAMERON of La Mirada, California. CAMERON was supposedly born in Maine and was employed as a policeman, as of 1956.

NY letter of 7/1/66, revealed that the indices of NY were negative concerning LYLE H. CAMERON.

On 6/23/66, IC contacted Credit Bureau of Greater NY; however, no credit record was located for a LYLE H. CAMERON.

Los Angeles is requested to furnish NY any information developed to date concerning the background of CAMERON. NY is also desirous of knowing if was observed in the area of CAMERON's residence during the evening hours of 6/4/66, or the morning hours of 6/5/66, prior to subject's departure for NYC.

Investigation indicates CAMERON is an aerial photographer and a sky diver, and is the editor of the "Sky Diver", P. O. Box 44, Buena Park, California.

- RUC -

DETAILS:

Investigation in this case is predicated upon receipt of a communication from the Los Angeles Division dated February 21, 1968, advising that three cartons containing various items of survival gear and marked "government property" had been intercepted at the Greyhound Bus Depot, Los Angeles, having been shipped on February 17, 1968 at San Diego by a person named phone number to a LYLE H. CAMERON, 903 West Picaacho Drive, La Habra, California. One carton of these items had printing thereon Naval Air Station, North Island, California.
On February 23, 1968, SAS contacted and interviewed [redacted] also known as [redacted] of San Diego, concerning a theft of government property. [redacted] was advised of the identities of SAS as special agents with the Federal Bureau of Investigation. [redacted] was immediately advised of his constitutional rights, which rights he waived, as shown on the executed Waiver of Rights Form.

[redacted] advised that he had entered onto the Naval Air Station, North Island (NASNI), on February 14, 1968, and while on that base took some survival gear from a box which was located alongside one of the Naval Air Station hangars. [redacted] advised that he could not recall which fighter group the hanger belonged to or the exact location of the hangar on the base. [redacted] advised that his initial entry to the base had been legal as he was presently serving in the United States Navy and assigned to Underwater Demolition Team Number 11, which is operating at the Amphibious Base, Coronado, California, and NASNI, California.

[redacted] advised that the survival gear that he had taken from NASNI was in a disposal heap and was of the type which was being discarded as having no further use by the United States Navy. [redacted] stated that his purpose in taking the survival gear was to send it to Los Angeles, California, where it would be traded for parachute equipment, which would then be used in a non-Navy but Navy sponsored sport parachute club of which he is president. He stated that the survival gear was mailed to LYLE H. CAMERON, 903 West Picaacho Drive, La Habra, California, an ex-Marine who edited a sport parachute magazine, and CAMERON was to obtain the parachute equipment from a supply store at Los Angeles in trade for the survival gear which was sent to him.

[redacted] advised that he had no other property belonging to the Navy in his possession and that he had never before taken any property belonging to the United States Government.

The following descriptive data concerning [redacted] was obtained through observation and interrogation:

that was a career Navyman with thirteen years of unblemished service and that all the items taken could have been given him for personal use on mere submission of a requisition slip. Also, Commanding Officer advised that while had technically committed a theft, the value of the items and the nature of the theft did not seem to warrant a conviction that would ruin career in the United States Navy. United States Commissioner SCHMOCK requested that the plea of guilty be withdrawn and that a plea of not guilty be made. then pled not guilty and the complaint was dismissed.

Title:  
LYLE HAZEN CAMERON  

Character:  
CRIME ON GOVERNMENT RESERVATION - TRESPASSING - THEFT  

Synopsis:  
On information was received disclosing that three boxes of U.S. Government property were located. This property was sent from Naval Air Station, North Island, California, to CAMERON at Los Angeles. AUSA, Los Angeles, declined prosecution concerning CAMERON.  

DETAILS:  
This investigation was originally instituted based on information received disclosing that three boxes of U.S. Government property were located.
advised that inadvertently he opened three cardboard cartons and displayed these cartons which he said appeared to be United States Government property. The carton listed the consignee as LYLE CAMERON, Telephone No. 691-2527, of Los Angeles. The shipper was listed

The contents of the three cardboard cartons were described as books and clothes.

One carton contained 34 cans of "desalter kit, seawater, Mark 2," which also had Federal Stock No. 4610-372-0592 printed thereon. This carton also had 12 yellow plastic bags marked, "sea dye marker."

A second contained 9 "sea anchors (extraction canopy for parachutes) which had part No. 50J6811." These were of white silk material with springs attached. The third cardboard carton had 15 small screw-type caps with rubber tops attached to the caps and also 11 plastic containers with "distillation kit seawater, Solar, Class B." These kits were marked, "U. S. Government property."

One of the cartons contained printing partially scratched out, "Receiving Officer, Naval Air Station, North Island, California."

was advised that all three contents of these three boxes were United States Government property which had been stolen. A receipt was furnished him and the items were taken.
LYLE HAZEN CAMERON voluntarily appeared in the Los Angeles FBI Office. A rights and waiver form was displayed to him which form he read, indicated he understood and signed.

He examined the contents of three cardboard cartons obtained from the Greyhound Bus Depot and advised that approximately two weeks previously he, together with [___], agreed to have [___] obtain old surplus parts to be disposed of from the Naval Air Station, North Island, California. [___] was to send these surplus items by Greyhound Freight to CAMERON and in turn CAMERON was going to take these items to a surplus auction in Las Vegas, Nevada, during the week commencing February 26, 1968, and trade these items for parachute harnesses and possibly coverings used in parachuting. These parachute harnesses and coverings would all be turned over to the North Island Parachute Club and used exclusively by members of this club.

He explained this club is supported by private funds but operates under the authority and approval of the Navy Department on Navy premises, and its members are exclusively Naval personnel on active duty.

CAMERON explained that it was agreed between [___] and himself for [___] to scrounge usable material that would have been disposed of or destroyed anyway; and, therefore, he felt that this was not stealing Navy property. CAMERON met [___] at Point Mugu, California. They are both active in having interests in sky diving and parachuting.

CAMERON did not know the value of the items obtained by [___].

The following description was obtained by interview and observation:

On February 26, 1968, the facts of this case were discussed with Assistant United States Attorney JAMES E. SHEKOYAN by Special Agent [name redacted] after which Mr. SHEKOYAN advised he would decline prosecution concerning CAMERON in view of the lack of guilty intent on his part.

On March 19, 1968, it was advised that the value of one can of "desalter kit" is $33 and one plastic container of "distillation kit" is $20. He estimated the value of a dye marker as $3, one sea anchor as $5, and the metal cap with the rubber top as .50¢ each. Based on the above valuation, the following schedule was prepared:
