MR. JOHN GREENEWALD JR.
[REDACTED]

FOIPA Request No.: 1326010-000
Subject: SCHULLER, ROBERT H

Dear Mr. Greenewald:

This is in response to your Freedom of Information/Privacy Acts (FOIPA) request.

A search of the indices to our Central Records System reflected there were records potentially responsive to the [FOIA/FOIPA]. On October 29, 2012, the facility where the records are stored suffered a catastrophic flood that temporarily prohibits access to these records. Remediation is ongoing for the records stored in this facility. Unfortunately, we are unable to determine if, or when, these records will be available for review.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

For questions regarding our determinations, visit the www.fbi.gov/foia website under "Contact Us." The FOIPA Request number listed above has been assigned to your request. Please use this number in all correspondence concerning your request. Your patience is appreciated.

You may file an appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, D.C. 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account on the following web site: <https://foiaonline.regulations.gov/foia/action/public/home>. Your appeal must be postmarked or electronically transmitted within sixty (60) days from the date of this letter in order to be considered timely. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal." Please cite the FOIPA Request Number assigned to your request so that it may be easily identified.

Sincerely,

David M. Hardy
