**SUBJECT: GUY HOTTEL (3-22-1950)**

Office Memorandum • UNITED STATES GOVERNMENT

TO : DIRECTOR, FBI  
FROM : GUY HOTTEL, SAC, WASHINGTON  
SUBJECT: FLYING SAUCERS  
INFORMATION CONCERNING

DATE: March 22, 1950

*Gliding Discs or Gliding Saucers*

The following information was furnished to SA [redacted] by [redacted]

b7C  
b7D  
An investigator for the Air Forces stated that three so-called flying saucers had been recovered in New Mexico. They were described as being circular in shape with raised centers, approximately 50 feet in diameter. Each one was occupied by three bodies of human shape but only 3 feet tall, dressed in metallic cloth of a very fine texture. Each body was bandaged in a manner similar to the blackout suits used by speed flyers and test pilots.

b7C  
According to Mr. [redacted] informant, the saucers were found in New Mexico due to the fact that the Government has a very high-powered radar set-up in that area and it is believed the radar interferes with the controlling mechanism of the saucers.

No further evaluation was attempted by SA [redacted] concerning the above.
