On 5/8/61, Security Office, Washington Area Security Operations Office (WASO), AEC, Germantown, Maryland, advised SA JOHN D. MC KINNEY that the appointee's security file reflects he was granted a "Q" clearance on 3/20/61 at New York Operations Office. It was extended to the Department of Army on 10/18/51 by WASO, and was also extended to the Research and Development Board on 1/15/53 by WASO. It was terminated with the Department of Army on 7/13/53 and was terminated with the Research and Development Board on 9/16/54. It was extended to Office of Defense Mobilization on 8/16/56, and also to the White House Office on 2/6/58. It was also extended to the National Academy of Science on 1/4/61. This clearance is still active, and the file contained no additional pertinent information.

A "Name Check File" at the Office of Security, USIA, reviewed on 5/8/61 by SA JOSEPH W. SPEICHER, reflected that a national agency check was conducted by USIA in July and August, 1956, for possible participation by the appointee in the Program for People-to-People Partnership (Science and Engineering Committee). The Office of Security, USIA, notified the Office of Private Cooperation, USIA, on 8/28/56 that, based on the national agency check, "The Office of Security interposes no security objection to Mr. BERKNER's use, as requested..." and also interposed no objection to his having access to classified material up to and including CONFIDENTIAL in connection with his duties as Chairman of the Science and Engineering Committee.
WFO 116-62481

SECRET

This file further reflected that another national agency check was conducted in November and December, 1960, for possible one-time use as a Forum lecturer in Space Science by the Broadcasting Service of USIA. The Broadcasting Service was notified on 2/23/61 by the Office of Security that it "interposes no security objection to Mr. BERKNER's use...".

This file contained no additional pertinent info.

On 5/8/61, [Redacted] Special Assistant to the Director, Office of Private Cooperation, USIA, advised SA SPEICHER that although the appointee was under consideration for the position as Chairman of the Science and Engineering Committee of the People-to-People Partnership, the records of his office indicated that he had never served either as chairman or as a member of this committee. [Redacted] indicated his records reflected that the Office of Security, USIA, interposed no objection to appointee's use in this position, and commented that it was probable that when approached by USIA, the appointee had had to decline the position because of prior commitments.
