Re Albany teletype to Director and Cleveland,
 11/16/83.

A search of indices, State Law Enforcement Computer, and local directories failed to locate a person identifiable with the author of captioned letter, described as "M. Springfield." (u)

Cleveland telephone directory shows a listing for an "M. Springfield," [redacted] which address is a large apartment complex. A suitable pretext telephone call to that address revealed that "M. Springfield" at that address died in 1972, and widow now resides there. She had no knowledge of a letter sent to a Dr. Sagan. (u)

No further investigation anticipated at Cleveland. Caption and name of sender will be indexed appropriately for future reference. (u)

I am enclosing a copy of an open letter which has been sent to various news publishers. The message is so important that I want you to witness that you have received it before November 22 1983. You have been chosen because of your standing in the community. I believe you are a person of integrity with the ability to convince others that this message is true.

Sincerely Yours,

An Open Letter to All. Warning ! Armageddon is Coming!
On November 22, 1983 there will be a terrorist bomb attack
on a market or warehouse that is distributing free food to
a crowd in San Salvadore. This will be a diversion for an
attack on a fuel storage facility in the vicinity.

If COLUMBIA goes as scheduled there will be an explosion
in the rocket due to a fuel leak. On May 7, 1985 a middle-
east war will begin with Israel triumphant in the same year.

The American presidency will be Reagan- Bush - Bush and a
democrat in 1996 whose birthday is the same as our first
president. He will be our last. In 1990 Poland will be free.

On April 15, 1997 the earthquake of Revelation will strike
America. New York is the image of Babylon that will sink
into the sea. San Francisco shares the same fate. In 1998
there will be a Third World War. An earthquake weakened
America will be invaded. In May 2000 there will be an atomic
escalation which Scripture calls ARMAGEDDON. It will poison
the earths atmosphere for 5 years. No life will survive that
is not in the proper mode to survive.

The full text of this work explaining how these events are
portended by the signs that Heaven has given us will be
published soon. M. SPRINGFIELD
