DSCP-12-PFOI-00393	Curly, Shawn	I am interested in seeing contract bid data going back 12 years (starting year 2000 to present) for the three MRE manufacturers the DLA works through (Wornick, Sopakco, and AmeriQual). Ideally, I would be able to see the tiered bidding of these three companies for any contract solicitations made by the DLA regarding the manufacturing of MREs or other field ration kits (e.g. Humanitarian Daily Ration). Beyond that, it would be helpful to know which % of the contract each of the three companies won, the associated dollar amount for that contract, and the unit volume of the contract.	4/12/2012

DSCP-12-PFOI-00393	Curly, Shawn	I am interested in seeing contract bid data going back 12 years (starting year 2000 to present) for the three MRE manufacturers the DLA works through (Wornick, Sopakco, and AmeriQual). Ideally, I would be able to see the tiered bidding of these three companies for any contract solicitations made by the DLA regarding the manufacturing of MREs or other field ration kits (e.g. Humanitarian Daily Ration). Beyond that, it would be helpful to know which % of the contract each of the three companies won, the associated dollar amount for that contract, and the unit volume of the contract.	4/12/2012
