Dear Mr. Greenewald

This is in response to your 12 May 2009 Freedom of Information Act (FOIA) request for "our FOIA case log for the calendar year 2008". We received your FOIA request on 12 May 2009 and this response supplements our letter of acknowledgement to you dated 20 May 2009. AFOSI 2009-FOIA-00293 was assigned to your request.

Portions of the information requested are exempt from disclosure to you. We have inserted notations in the attached documents to identify the portions deleted and the reasons for doing this. The notations are explained as follows:

"b6" indicates the withholding of information contained in personnel, medical, and similar files or information that applies to a particular individual for which we have determined there exists a privacy interest that generally and categorically outweighs any public interest in disclosure that the Freedom of Information Act would authorize. As recognized in federal statute and case law, the type of information that this generally requires to be withheld includes the names of government employees and law enforcement agents; personal data information such as Social Security Numbers, signatures, personal addresses (including email), and telephone numbers; medical and criminal history information; and most identifying information on persons forward deployed, overseas, or assigned to sensitive or routinely deployable units. The authority for this exemption may be found in United States Code, Title 5, and Section 552(b)(6) and in the federal court cases interpreting that statute.

Should you decide that an appeal to this decision is necessary, you must write to the Secretary of the Air Force within 60 days from the date of this letter. Reference

AFOSI 2009-FOIA-00293 and include in the appeal your reasons for reconsideration and attach a copy of this letter. Your letter and envelope should be clearly marked "Freedom of Information Act Appeal." Address your letter as follows:

Secretary of the Air Force
Thru: AFOSI/XILI
