Re: FOIA Control No.: 2013-144

Dear Mr. Greenewald:

On January 22, 2013, the Federal Communications Commission ("Commission" or "FCC") received your request under the Freedom of Information Act ("FOIA") for "a copy of the FOIA case log for the calendar year 2012." As you requested, enclosed is a copy of the FOIA Log.

We are required by both the Freedom of Information Act and the Commission's rules to charge requesters certain fees associated with the costs of searching for, reviewing, and duplicating the sought after information.¹ To calculate the appropriate fee, requesters are classified as one of: (1) commercial use requesters; (2) educational requesters, non-commercial scientific organizations, or representatives of the news media; or (3) all other requesters.² Based on your classification as a member of the "news media," no duplication cost was associated with processing your request.

If you believe this to be a denial of your request, you may file an application for review with the FCC's Office of General Counsel within thirty (30) days of the date of this letter. 47 C.F.R. § § 0.461(j), 1.115. If you have further questions, please feel free to contact me at 202-418-1379 or Stephanie.Kost@fcc.gov.

Sincerely,

Stephanie D. Kost
