Mr. John Greenwald Jr.  
The Black Vault

Dear Mr. Greenwald Jr.:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT (FOIA) REQUESTS;  
DON FOIA CASE NUMBER DON-NAVY-2014-003320

This is in reference to your Freedom of Information Act (FOIA) request dated February 22, 2014. Your request was received in our office on February 26, 2014.

Upon review of the responsive documents, we have determine that certain personally identifiable information (PII) is exempt from disclosure under 5 U.S.C. § 552(b)(6), since release of this information would result in a clearly unwarranted invasion of an individual's personal privacy. While FOIA requests are public records, and the requesters have a diminished expectation of privacy with regard to the fact of their submission of a FOIA request and the information contained within the request, they do not forfeit all privacy rights in their submission of FOIA requests. Additionally, the subject matter of some FOIA requests is such that disclosure of the names of the requesters along with the records requested would itself be a clearly unwarranted invasion of the requester's personal privacy. Therefore, as a general practice, the names of private individuals who have filed FOIA requests are not recorded in FOIA logs. Additionally, one name, one location, and the case numbers of investigations and other personal matters have been withheld, because they potentially identify the requester regarding a personal privacy-sensitive matter, and therefore remain exempt from disclosure under 5 U.S.C. § 552(b)(6).

Because your request is partially denied, you are advised of your right to appeal the denial of your request by writing to:

Office of the Judge Advocate General  
1322 Patterson Avenue, SE Suite 3000  
Washington Navy Yard, DC 20374-5066

Your appeal must be postmarked within sixty calendar days from the date of this letter. A copy of your initial request and this letter must accompany the appeal. The appeal should be marked "FREEDOM OF INFORMATION APPEAL" both on the envelope and the face of the letter. In order to expedite the appellate process and ensure full consideration of your appeal, your appeal should contain a brief statement of the reasons you believe this decision to be in error.

In this instance, the fees associated with the processing of this request were below the minimum threshold and have not been assessed. Please be advised, however that fees, fee categories, and fee waivers are determined on a case-by-case basis, and a previous determination has no influence on future determination.

Questions regarding the action this office has taken during the initial processing of your request may be directed to our FOIA service center at (202) 685-0412.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Patterson", written over a horizontal line.

Head, DON PA/FOIA Program Office
