Re: Freedom of Information Act (FOIA) Request 2019-26/19-OIG-F-00354

Dear Mr. Greenewald:

This letter concerns the February 28, 2019, Freedom of Information Act (FOIA) request you submitted to the NASA Office of Inspector General pursuant to 5 U.S.C. § 552. Your request was assigned tracking number 2019-26/19-OIG-F-00354.

Specifically, your request you sought:

- (1) FOIA Case Log for calendar year 2018;
- (2) FOIA Appeals Log for calendar year 2018;
- (3) Mandatory Declassification Review Log for calendar year 2018.

Please find enclosed the information that is responsive to your request items #1 & #2. There is no responsive data for item #3. Some portions of the enclosed documents are non-releasable based upon FOIA exemptions 5 U.S.C. § 552(b)(6) and 5 U.S.C § 552(b)(7)(C). This exempt information has been redacted. Exemption (b)(6) of the FOIA exempts from disclosure personnel and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. Exemption (b)(7)(C) provides protection for law enforcement information, the disclosure of which "could reasonably be expected to constitute an unwarranted invasion of personal privacy".

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Public Liaison, Francis P. LaRocca at 202-358-2575 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration

to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

You also have the right to appeal this initial determination to Deputy Inspector General George Scott. Pursuant to 14 CFR §1206.700(b), the appeal must (1) be in writing; (2) be addressed to the following:

NASA, Office of Inspector General
Headquarters
300 E Street, SW, Suite 8V39
Washington, D.C. 20546-0001
Attn: Deputy Inspector General George Scott

(3) be identified clearly on the envelope and in the letter as "Freedom of Information Act Appeal"; (4) include a copy of the request for the Agency record and a copy of the adverse initial determination; (5) to the extent possible, state the reasons why the requester believes the adverse initial determination should be reversed; and (6) must be postmarked and sent to the Deputy Inspector General within 90 calendar days of the date of receipt of the initial determination.

Sincerely,

John Garriss
Acting Assistant Inspector General for Investigations
