UNITED STATES DEPARTMENT OF COMMERCE
National Institute of Standards and Technology
Gaithersburg, Maryland 20899-

January 28, 2013

John Greenewald, Jr.
[REDACTED]

Dear Mr. Greenewald,

This letter serves as the final response to your January 20, 2013 Freedom of Information Act (FOIA) request to the National Institute of Standards and Technology (NIST) for "the FOIA case log for the calendar year 2012." Your request was received at the FOIA Control Desk on January 22, 2013, and was assigned FOIA Log #DOC-NIST-2013-000444.

NIST has completed the actual search for responsive records and attached is one (1) document consisting of ten (10) pages that is being released with redactions pursuant to FOIA exemption 5 U.S.C. § 552 (b)(6).

Exemption (b)(6) of the FOIA (5 U.S.C. Section 552(b)(6)) exempts from disclosure "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy."

You have the right to appeal a denial or partial denial of the FOIA request. An appeal must be received within 30 calendar days of the date of this response letter

Assistant General Counsel for Administration (Office)
U.S. Department of Commerce
14th and Constitution Avenue, N.W.
Room 5898-C
Washington, D.C. 20230

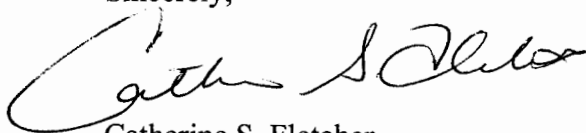

Your appeal may also be sent by e-mail FOIAAppeals@doc.gov or by facsimile (fax) to 202-482-2552. The appeal must include a copy of the original request, the response to the request and a statement of the reason why withheld records should be made available and why denial of the records was in error. The submission (including e-mail and fax submissions) is not complete without the required attachments. The appeal letter, the envelope, the e-mail subject line, and the fax cover sheet should be clearly marked "Freedom of Information Act Appeal." The e-mail, fax machine, and Office are monitored only on working days during normal business hours (8:30 a.m. to 5:00 p.m., Eastern Time, Monday through Friday). FOIA appeals posted to the e-mail box, fax machine or Office after normal business hours will be deemed received on the next normal business day.

It was previously determined that you are in the "educational" category, for which chargeable services duplication of responsive documents excluding the cost of the first 100 pages. The

NIST

search time and duplication costs are under the chargeable threshold and thus the document is being provided at no cost.

Sincerely,

A handwritten signature in black ink, appearing to read "Cath S Fletcher". The signature is written in a cursive style with a large initial "C".
