Re: Request for FOIA Logs

Dear Mr. Greenewald:

I am responding to your request received by the Disclosure Division of the Pension Benefit Guaranty Corporation (PBGC) on August 14, 2017. You requested a copy of the following logs for fiscal years 2010-2016: 1) FOIA Request Log; 2) FOIA Appeals Log; and 3) Mandatory Declassification Review (MDR) Log. You asked us to include the case number, date submitted, date closed, name of requester, and subject/topic of the request, if possible. You authorized fees in the amount of \$25.00. We processed your request in accordance with the Freedom of Information Act (FOIA) and PBGC's implementing regulation. Please accept my apology for the delay.

Pursuant to your request, we conducted a search of our electronic processing system/System of Records, FOIAonline. Unfortunately, our search did not locate a MDR log¹ and we were unable to download FOIA request logs for fiscal years 2010, 2011, and 2012². Our search uncovered five logs that were previously disclosed, consisting of 430 pages. I am partially disclosing the following:

FOIA Request Logs:

- FOIA Log for fiscal year 2014 (165 pages);
- FOIA Log for fiscal year 2015 (84 pages); and
- FOIA Log for fiscal year 2016 (179 pages).

¹ The PBGC does not store or maintain classified information. As such, it does not have Declassification Review Program.

² In September 2013, the Disclosure Division began using FOIAonline and only transferred open cases from that fiscal year into FOIAonline. Previously, the Disclosure Division used eDisclosure, an outdated legacy system, which was retired in the Spring of 2014. Since that date, the PBGC has upgraded its server with various applications making it difficult to access and convert data in a logical format from the eDisclosure system's archives. Regretfully, we were unable to create a FOIA Request log from the legacy system for requests received before September 2013. We are providing you a FOIA Appeals Log from the legacy system that was previously requested and disclosed. It is possible the eDisclosure Appeals Log may contain inaccuracies; the margin of error is less than 3%.

FOIA Appeal Logs:

- FOIA Appeals Log for fiscal year 2009-2013³ (1 page); and
- FOIA Appeals Log for fiscal year 2014-2016 (1 page).

It was necessary to withhold personal privacy information belonging to PBGC's Privacy Act requesters. As you may know, the PBGC receives many first-party Privacy Act requests. Although agencies are encouraged to also process Privacy Act requests in accordance with the FOIA, unlike FOIA Requestors, Privacy Act Requestors have an expectation of and a right to privacy. To ensure compliance with the Privacy Act, the PBGC's implementing regulations, and the Office of Management and Budget's (OMB) guidelines to protect and safeguard personally identifiable information (PII) as defined by OMB Memorandum M-07-16, I have redacted the names of all Privacy Act Requesters whose requests were also processed in accordance with the FOIA and subsequently appealed.

The Privacy Act provides for three avenues for disclosure. The first, is with consent from the subject of the record. The second alternative method to release these names, is to do so pursuant to an order of a Court of competent jurisdiction. See, 5 U.S.C. § 552a(11). Upon receipt of such an order, we will release the names of the Privacy Act Requesters. Please note that an administrative Subpoena does not satisfy the provisions of the Statute; we would need a court order signed by a Judge. The third option is disclosure through an applicable routine use under the Privacy Act. After carefully reviewing the FOIAonline Systems of Records Notice (SORN), I note there is no Routine Use that would allow the disclosure of the names of Privacy Act Requesters. As such and in accordance with the applicable laws, I have determined that the names of first-party requesters should be withheld from disclosure.

The PBGC reasonably foresees that disclosure of names and other personal privacy information of Privacy Act requesters would harm an interest protected by FOIA Exemption (b)(6). The applicable exemption, 5 U.S.C. § 552(b)(6), exempts from required public disclosure, "personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy." Some of the records you have requested contain "similar files" within the meaning of the above cited statutory language and the PBGC implementing regulation (29 C.F.R. § 4901.21(b)(4)). The FOIA requires agencies to conduct a balancing test. In applying Exemption 6, a balancing test was conducted, weighing the privacy interests of the individuals named in a document against the public interest in disclosure of the information. The public interest in disclosure is one that will "shed light on an agency's performance of its statutory duties." *Dep't of Justice v. Reporters Committee*, 489 U.S. 749, 773 (1989). I have determined disclosure of this information would constitute a clearly unwarranted invasion of an individual's personal privacy.

As this response constitutes a partial denial of your records request, I am providing you with your FOIA appeal rights should you wish to avail yourself of this process. The FOIA provides at 5 U.S.C. § 552(a)(6)(A)(i) (2014) amended by FOIA Improvement Act of 2016, Pub. L. No. 114-185, 130 Stat. 538 that if a disclosure request is denied in whole or in part by the Disclosure Officer, the requester may file a written appeal within 90 days from the date of the denial or, if

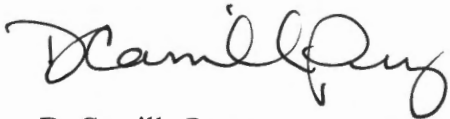

³ This timeframe represents all incoming appeals received from the beginning of fiscal year 2009 and all appeals processed through the end of fiscal year 2013. This document was prepared and previously disclosed.

later (in the case of a partial denial), 90 days from the date the requester receives the disclosed material. The PBGC's FOIA regulation provides at 29 C.F.R. § 4901.15 (2017) that the appeal shall state the grounds for appeal and any supporting statements or arguments, and shall be addressed to the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, N.W., Washington, D.C. 20005. To expedite processing, the words "FOIA Appeal" should appear on the letter and prominently on the envelope.

In the alternative, you may contact the Disclosure Division's Public Liaison at 202-326-4040 for further assistance and to discuss any aspect of your request. You also have the option to contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001; e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

This completes processing of your request. Since your request is below the nominal threshold of \$25.00, we have not assessed any fees for the processing of your request.⁴ You may submit future requests for PBGC records by accessing FOIAonline, our electronic FOIA processing system, at <https://foiaonline.regulations.gov>, or by email to Disclosure@pbgc.gov.

Sincerely,

D. Camilla Perry
Disclosure Officer

Enclosures

⁴ The FOIA Improvement Act of 2016 precludes an agency from charging search fees to a FOIA requester if the agency does not meet the FOIA's twenty-day time limit. As such, we did not assess search fees for this request.

PBGC-2014-000725	Lisa Arnold		02/05/2014	I work with a law firm and we are interested in locating people on your unclaimed funds list for Pensions. We have been told to use the POA 715 form however, I then saw an article from the Inspector General regarding fraud pertaining to an attorney who was seeking to help and work with an United Airines Employee so I contacted Mr Henry Berko back regarding the conflict in information and he said he did not see a problem with submitting the paperwork the way he had recommended. I then requested that he give me the proper procedure for an attorney to follow and he suggested I contact FOIA. Yes, attorneys do charge a few, but we are looking at a 1 time fee, not a fee to be taken from their monthly check. How can attorneys work with PBGC and help to locate some of these missing participants who are owed thousands of dollars?	Commercial	Full grant

Specifically, I am requesting for the 2014 and 2015 Premium Payment Years - the attached data elements for each sponsor of a single employer pension plan who paid a premium in either of the listed years (2014, 2015). I've attached a spreadsheet with the requested data elements and the corresponding line items from the 2014 and 2015 PBGC Comprehensive Premium Filing form. I'm hoping that since this information is submitted electronically, it can be obtained fairly easily, but I am willing to pay up to \$32 for this information (based on 2 hours of data retrieval at \$4 per quarter-hour). Please contact me if this estimate is not reasonable and it will take more time to retrieve the information. The requested data can be sent to me in a spreadsheet or a text file, with a separate file (or spreadsheet tab) for each year. Thank you for your attention to this request.

PBGC-2016-003725	Request	(b)(6)		09/26/2016	10/26/2016	10/21/2016	Closed	Can someone please explain what this check from the PBGC was written to me for, received in 2014 in a PO BOX with keys that say "CompXNational". The money was promptly reversed from my bank account and there was no explanation as to what this money was for... I was wrongfully terminated from a job in Arlington, VA in Nov or Dec 2013. Is this check for \$1,650 supposed to be in lieu of my \$105,000 annual salary? NRECA has a pension plan that pays premiums to the PBGC, but that pension plan has a five year cliff vesting schedule. Also, why would money be sent to me from the PBGC is this related to another former employer pension plan or vested account balance I never knew about and the plan sponsor went bankrupt? Thank you it feels like I'm being subjected to entrapment and I have now lost wages for five straight years due to false accusations. I appreciate any help resolving this matter. (b)(6) @gmail.com

PBGC-2016-003711	Request	Jacob Abry		09/23/2016	10/24/2016	09/29/2016	Closed	The purpose of this request is to obtain certain single-employer premium payment information from the Pension Benefit Guaranty Corporation (PBGC) under the FOIA, in accordance with the steps listed on your website. Specifically, I am requesting for the 2015 and 2016 Premium Payment Years - the following data elements for each sponsor of a single employer pension plan who paid a premium in either of the listed years (2015, 2016). I've attached a spreadsheet with the requested data elements and the corresponding line items from the 2015 and 2016 PBGC Comprehensive Premium Filing form. I'm hoping that since this information is submitted electronically, it can be obtained fairly easily, but I am willing to pay up to \$64 for this information (based on 4 hours of data retrieval at \$4 per quarter-hour). Please contact me if this estimate is not reasonable and it will take more time to retrieve the information. The requested data can be sent to me in a spreadsheet or a text file, with a separate file (or spreadsheet tab) for each year. Thank you for your attention to this request.

I am trying to dispute the information that was sent regarding the QDRO, as I was entitled to 50% of the pension, per my divorce agreement. When I called in, they told me the letter regarding the QDRO does not state that. Yet, I was never provided a copy from my former spouse. Please send me a copy of the QDRO information so I may speak to an attorney about getting this corrected. (b)(6) SSN# (b)(6) (b)(6) PBGC Case Number (b)(6) Please contact me if you need any addition information. (b)(6) Thank you for your prompt attention to this matter.

PBGC-2016-002482	Request	Jacklyn Wille	Bloomberg BNA	05/05/2016	06/07/2016	09/26/2016	Closed	I am a reporter for Bloomberg BNA covering pension and benefit matters, and I'm seeking information related to the PBGC's handling of refund requests by plans claiming church plan status. I request copies of the information described below in any form the PBGC deems suitable (via e-mail, disk, USB device, or mailed to my attention). Please contact me about narrowing the scope of my request if the requested documents prove to be voluminous and burdensome to produce. Thank you, Jacklyn Wille 1. Requests submitted to the PBGC between July 1, 1983, and December 31, 1995, by defined benefit plans asserting an exemption from Title IV of ERISA based on their status as church plans and requesting a refund of premiums already paid to the PBGC. 2. Documentation of any refunds or partial refunds given by the PBGC in response to the requests described in (1) above, including pay memos and signed agreements sent to CCD. 3. Requests submitted to the PBGC between January 1, 2005, and May 5, 2016, by defined benefit plans asserting an exemption from Title IV of ERISA based on their status as church plans and requesting a refund of premiums already paid to the PBGC. 4. Documentation of any refunds or partial refunds given by the PBGC in response to the requests described in (3) above, including pay memos and signed agreements sent to CCD. 5. Manuals, staff instructions, or internal guidelines addressing the topic of church plans, including how refund requests based on claimed church plan status should be processed. 6. Communications between the PBGC and accounting/consulting firms or their representatives, including but not limited to PricewaterhouseCoopers, Deloitte, Ernst & Young, KPMG, and Towers Watson, about church plans, or documentation of such communication.

PBGC-2016-002432	Request	Eric Litton		05/01/2016	05/31/2016	06/28/2016	Closed	May 1, 2016 Dear Freedom of Information Act Officer: Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting access to, or copies of the following documents: • The agency policy, guidance, and/or information that instructs agency offices on how to complete their budget for the upcoming fiscal year. I am requesting these documents for the past 10 years of fiscal years 2006 to 2015. • The email and/or memo that was circulated to agency offices notifying them of this budget policy, guidance, and/or information. Similarly, I am requesting these documents for the past 10 years of fiscal years 2006 to 2015. If there are any fees for copying or searching for the records, please let me know before you fill my request. I prefer the documents electronically, when available. I am requesting this information to gather data for the PhD dissertation I am writing for the School of Policy, Government, and International Affairs at George Mason University. My dissertation analyzes how different forms of messaging affects budgetary decision-making. These documents will allow me to analyze the policy content, compare it to the results of experiments that I conduct, and ultimately make recommendation on improving budget policy. Your agency will not be named or singled-out; these documents are simply for information-gathering purposes. If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law. If you have any questions about handling this request, you may contact me via email at (b)(6) @gmail.com or (b)(6) @masonlive.gmu.edu. Sincerely, Eric Litton (b)(6) (b)(6)

PBGC-2016-002191	Request	Julia K. Streich		04/11/2016	05/09/2016	04/14/2016	Closed	Hello, I am (b)(6) Arthur M. Streich and am requesting a copy of his 2015 1099-R form for pension payments through PBGC from his employment at Allis-Chalmers in Milwaukee, WI so that I can complete his income tax return. Arthur's information is Customer ID # 139488, Case # 18276600, DOB 09/09/1925, SSN ending in 9677. The address on file of 709 St. John's Dr. Delafield WI 53018 is no longer valid and we have not received the tax form that was mailed. Arthur last lived at that address in December 2013. Arthur passed away on August 3, 2015. I am attaching a copy the Domiciliary Letter showing that I am the authorized personal representative of his estate as well as his Death Certificate. Thank you very much for your help!

PBGC-2016-001661	Request	Kevin J. Schmitz		03/07/2016	04/05/2016	04/21/2016	Closed	Request for all pension related information for Bernard Leon Sion (deceased 12/23/2001). His SSN was 132-26-5241 and DOB was 7/28/1928. Worked for Bethlehem Steel Corp from 1/19/1953 until he retired on 4/1/1984. He had a full pension plan through Bethlehem Steel but the plan was terminated on December 18, 2002 and turned over to PBGC on April 30, 2003 (case 19660300). Bernard Sion (b)(6) and (b)(6) just recently moved into a retirement community and (b)(6) and I have taken over her finances. Money is very tight and she can not remember the pension per-month-\$ amount when Bernard was alive. She has only been receiving \$100/per month since PBGC took over the pension. At minimum, we need to view the pension election that Bernard Sion took at retirement time through Bethlehem Steel. Attached are 2 documents from Bethlehem Steel to support any information stated above. Thank you, Kevin J Schmitz (b)(6)

I am trying to find out where her PSP fund and 401ks went to. Letter was received in December 2015 I need to see ALL of my mothers records. (b)(6) intercepted the mail for the first two months of my personal rep. of mothers estate. and she was taking Death Certificates around to all of mothers accounts doing the job I was suppose to do. She also got her name on (b)(6) checking and savings accounts and withdrew all her money and left me none to pay the bills. I want to make sure she didn't get (b)(6) to put these accounts in her name as (b)(6) had brain cancer in the end. I will upload proof of investigations by the Attorney General and Federal government against (b)(6) actions. Thank you, (b)(6)
