UNITED STATES STRATEGIC COMMAND

John Greenewald Jr
[REDACTED]

January 25, 2010
FOIA 10-025

Mr. Greenewald:

This is in response to your 11 January 2010, Freedom of Information Act (FOIA) request in which you sought "a copy of the FOIA case log for 2009."

We have reviewed your request in an effort to assist you with your interests. After review, we have provided you with a copy of the logs you requested, but per our denial authority, Colonel Carol K. Joyce, USMC, Staff Judge Advocate, withheld portions under two exemptions; (b)(5), and (b)(6). The (b)(5) exemption contains internal advice, recommendations, and subjective evaluations as contrasted with factual matters, that are reflected in records pertaining to the decision making process. In this case, the processing notes as contained in the logs contain such information.

The (b)(6) exemption applies to information in personnel files, as well as similar personal information in other files, that, if disclosed to a requestor, other than the person about whom the information is regarding, would result in a clearly unwarranted invasion of personal privacy. Individuals with no inherent position or status have a right to privacy. The requestors listed in the logs do not have an expected right to privacy concerning who they are; however, they do have a right to privacy concerning their personal contact information.

If you interpret this "partial denial" response as an adverse action, you may appeal to the Office of Freedom of Information and Security Review, our Appellate Review Authority. Your appeal must be postmarked within 60 calendar days from the date of this letter. Include in your appeal your reasons for reconsideration, and attach a copy of this letter and a copy of your original request. Address your letter as follows:

Mr. Jim Hogan
Chief, Policy, Appeals, and Litigation Branch
Office of Freedom of Information
1155 Defense Pentagon
Washington, DC 20301-1155

There are no fees associated with this request.
