Re: OIP/13-01755 (F)

Dear Mr. Greenewald:

This is to acknowledge and partially respond to your Freedom of Information Act (FOIA) request dated and received in this Office on February 3, 2013, in which you requested FOIA logs for calendar years 2008 to 2012. This response is made on behalf of the Office of Information Policy.

To the extent that you are seeking FOIA logs for calendar years, please be advised that in the past, this Office has processed FOIA log for fiscal years starting on October 1 and ending on September 31. As such, enclosed are copies of the Fiscal Years 2010, 2011, and part of 2012 Office of the Information Policy FOIA logs. I have determined that this material, totaling 244 pages, is appropriate for release with excisions made pursuant to Exemption 6 of the FOIA, 5 U.S.C. § 552(b)(6), which pertains to information the release of which would constitute a clearly unwarranted invasion of the personal privacy of third parties. The withheld information consists of the names of individuals who have requested information on themselves or who have submitted general correspondence rather than FOIA requests, and certain third parties cited in FOIA requests. None of the information being withheld is appropriate for discretionary disclosure.

Please be advised that these logs include requests for the Offices of Deputy Attorney General, Associate Attorney General, Public Affairs, Legislative Affairs, Legal Policy, Intergovernmental and Public Liaison and Information Policy. The information contained in this log includes the request number, analyst initials, requester name, requester organization, date request was initially received, track, date request was closed and the closing disposition (if applicable), and the subject. For your information, the closing code "other (see chart below)" includes requests that were closed for the following reasons: defer on consultation; failure to provide certification of identity; recommend more appropriate entity; records already publicly available; records previously provided to same requester; referred documents not responsive; and referred records improperly directed. Please note that we have added textual clarifications to some entries where a subject was cut-off in printing the logs, or where a request track was entered incorrectly. For your information, additional FOIA logs for calendar year 2012 are available on the Department website at http://www.justice.gov/oip_foia1.htm.

Department of Justice regulations permit us to provide you, who have determined to be a non-media, non-commercial requester pursuant to 5 U.S.C. § 552 (a) (4) (A) (ii) (III), with 100 pages of records without incurring duplication charges. See 28 C.F.R. § 16.11(d) (2012). Duplication fees beyond 100 pages will be assessed at ten cents per page. See 28 C.F.R. § 16.11(c) (2). As such, out of the 244 pages we are furnishing you with, 144 pages are additional pages you are being charged on behalf of this Office.

We estimated that there are an additional 100 pages of records responsive to your request. I note from your request that you agree to pay up to \$15. However, duplication fees for the remaining pages, as well as for the extra 144 pages enclosed, will amount approximately \$24.40. Accordingly, in order to complete the processing of your request, we must have your commitment to pay all of the applicable fees. Alternatively, you may specify a particular amount you willing to pay, or may wish to reformulate your request to reduce the amount of fees incurred. Please indicate your willingness to pay by signing and returning the attached sheet to the address stated in the last paragraph. If you are not interested in the remaining material, you may forward a check or money order for \$14.40, made payable to the United States Treasury, to the Office of Information Policy and Privacy, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001. Please include the reference number "OIP/13-01755" on your check or money order and the envelope. Please provide a response within 14 calendar days.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy, United States Department of Justice, Suite 11050, 1425 New York Avenue, NW, Washington, DC 20530-0001, or you may submit an appeal through this Office's eFOIA portal at <http://www.justice.gov/oip/efoia-portal.html>. Your appeal must be received within sixty days from the date of this letter. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

for Vanessa R. Brinkmann
Counsel, Initial Request Staff
