NATIONAL PARK SERVICE

Washington, D.C. 20240

IN REPLY REFER TO:

A7221(2550)

AUG 25 2009

Mr. John Greenwald, Jr.

Dear Mr. Greenwald:

This letter is in response to your Freedom of Information Act (FOIA) request dated June 19, 2009, and received in the FOIA Office on June 22, 2009, seeking the National Park Service's FOIA Log for calendar year 2008. (**Request No. NPS-2009-00553**)

The FOIA, 5 U.S.C. § 552, generally provides that the Government shall make documents available to the public for inspection and copying to the widest extent possible. Certain classes of documents, however, may be exempt if sound legal grounds exist for invoking an exemption. The FOIA does not require that new records be created in response to a request and only applies to records in existence at the time of the request.

Enclosed is a copy of a 34-page report generated from the Electronic FOIA Tracking System. We have redacted information pursuant to 5 U.S.C. § 552(b)(6), which allows the government to withhold information about individuals in personnel, medical, and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. We are also withholding information under exemption (b)(7)(c) which provides protection for law enforcement information the disclosure of which could reasonably be expected to constitute an unwarranted invasion of personal privacy. So, besides information that has been redacted, you will also see information that says "exempt" which is also being withheld under exemption (b)(6). This partial withholding is also consistent with the Attorney General's FOIA Guidance dated March 19, 2009.

Under FOIA, you have the right to appeal this partial denial. Your appeal must be in writing and received no later than 30 workdays from the date of the final response (Saturday, Sunday, public holidays excepted), and must follow the procedures set out at 43 C.F.R. § 2.30. Your appeal should be addressed to the Freedom of Information Act Appeals Officer, U.S. Department of the Interior, 1849 C Street, NW, MS-6556, MIB, Washington, D.C. 20240. A copy of your original request and this letter should accompany the appeal as well as a brief statement of the reasons why you believe this initial decision to be in error. The appeal should be marked "FREEDOM OF INFORMATION APPEAL" both on the envelope and the face of the letter.

Finally, if you believe that any other responsive documents may exist, please provide any information you may have which leads you to believe that records exist, including where they might be found if the location is known to you.

In working on this response, I consulted with Mr. Jason Waanders, Attorney Advisor, Division of Parks & Wildlife, Office of the Solicitor, Department of the Interior.

As a matter of policy, the Department of the Interior does not bill requesters for FOIA fees incurred in processing requests when their fees do not exceed \$30.00 because the cost of collection would be greater than the fee collected. (See 43 C.F.R. § 2.18(a)). Therefore, your request for a fee waiver is a moot issue. There is no charge.

If you have any questions concerning this response, please do not hesitate to contact me at (202)354-1925.

Sincerely,

A handwritten signature in cursive script, appearing to read "Diane M. Cooke".

Diane M. Cooke

Follow-up letter asking a number of questions. First question asked about the role of Bill Line, the NCR FOIA Officer and the Park Police role in responding. Secondly, you asked for the dates and locations of such accidents only. Thirdly, you stated "as to your response to 3, 4 & 5 that you have 'no responsive records,' where do those records reside? Lastly, you asked why we withheld certain general orders and then you allege that other police departments make available their general orders."
