Re: FOIA Control No. 2016-000714

Dear Mr. Greenewald, Jr.:

On June 24, 2016, the Federal Communications Commission (FCC) received the above Freedom of Information Act (FOIA) request designated by the FCC with control no. 2016-000714. This request sought "a listing or index, preferably in electronic format, of all closed investigations by your agency's Office of the Inspector General during calendar years 2014 and 2015."

Attached, please find the requested listing. The names of individuals subject to investigation, as well as the names of the investigators have been redacted pursuant to FOIA exemptions 6 and/or 7(C). 5 U.S.C. § 552(b)(6),(7)(C).

We are required by both the FOIA and the Commission's rules to charge requesters certain fees associated with the costs of searching for, reviewing, and duplicating the sought after information. To calculate the appropriate fee, requesters are classified as: (1) commercial use requesters; (2) educational requesters, non-commercial scientific organizations, or representatives of the news media; or (3) all other requesters.

Pursuant to section 0.466(a)(5)-(7) of the Commission's rules, you have been classified as category (2), "educational requesters, non-commercial scientific organizations, or representatives of the news media." As a category (2) requester, the Commission assesses charges to recover the cost of reproducing the records requested, excluding the cost of reproducing the first 100 pages. The production in response to your

request did not involve more than 100 pages of duplication. Therefore, you will not be charged any fees.

This letter completes the Federal Communications Commission—Office of the Inspector General (OIG) response to your request. If you believe that this letter constitutes a denial of your request, you may file an application for review with the FCC's Office of General Counsel within 30 calendar days of the date of this letter in accordance with section 0.461(j) of the FCC's rules, 47 C.F.R. § 0.461(j).¹ If you have any questions in this regard, please feel free to contact Mr. Shields at christopher.shields@fcc.gov.

Sincerely,

Jay C. Keithley
Assistant Inspector General
Investigations
