Re: NRO Case #F-2018-00078 / NSA Case #103913

Dear Mr. Greenewald:

This is in response to your 26 March 2016 Freedom of Information Act (FOIA) request, originally submitted by you to the National Security Agency, for "a copy of the Intellipedia CATEGORY page which lists all pages (and sub categories) (from all three Wikis that make up the Intellipedia) for the following CATEGORY: NRO." Three documents found to be responsive to your request were received in the National Reconnaissance Office (NRO) by way of referral on 9 April 2018.

We have processed the referred documents in accordance with the FOIA, 5 U.S.C. § 552, as amended. These pages are being released to you in part.

Material withheld from release is denied pursuant to FOIA exemptions: (b)(1), as properly classified information under Executive Order 13526, Sections 1.4(c); and (b)(3), which is the basis for withholding information exempt from disclosure by statute. The relevant withholding statutes are 10 U.S.C. § 424; and 50 U.S.C. § 3605.

You have the right to appeal this determination to the NRO Appellate Authority, 14675 Lee Road, Chantilly, VA 20151-1715, within 90 days of the above date. You may also submit an appeal electronically by completing the form available on the NRO's public web site at <http://www.nro.gov/foia/AppealInput.aspx>. Please include an explanation of the reason(s) for your appeal as part of your submission. The FOIA also provides that you may seek dispute resolution for any adverse determination through the NRO FOIA Public Liaison and/or through the Office of Government Information Services (OGIS). Please refer to the OGIS public web page at <https://ogis.archive.gov/> for additional information.

If you have any questions, please call the Requester Service Center at (703) 227-9326 and reference case number **F-2018-00078**.

Sincerely,

Patricia B. Cameresi
